SEVEN-MEN TEAM TO BE PLAYED IN MATCHES FOR STANLEY CUP

(Canadian Press.)
Ottawa, Feb. 13—If there are any matches this season for the Stanley Cup, they will probably be played under the old rule of seven men a side. It is now believed that the new Ontario champions will get first crack at the silverware.
The Fort William Club is almost sure to win over Port Arthur and Sorel and they will be the champions in a few days.
"First come, first served," will be the motto of the trustees.
President Emmett Quinn of the National Association is coming to Ottawa Wednesday to interview Mr. Foran but the trustees intend to tolerate no dickering and will force the clubs to live up to the rules. Mr. Foran is known to be an advocate of the seven man team.

NATIONAL LEAGUE MEETING

New York, Feb. 12—Nearly all of the National League magnates have arrived in town for the reconvened annual meeting to be held tomorrow. The meeting will adopt a schedule for the coming season and will clean up a quantity of business left unfinished at the December meeting. Several slight changes in the constitution are to be considered and acted upon. One of the clauses that will be cleared up will be that referring to open dates and the playing of postponed games.

WINNIPEG CURLERS WON BLUE-RIBBON EVENT AT BONSPIEL

(Canadian Press.)
Winnipeg, Feb. 13—The International Primary, one of the classics of the Bonspiel was won last night by seven American rinks by a majority of four points. The blue ribbon prize in which 41 city rinks played 41 selected rinks from Eastern Canada, America and Scotland, resulted in a win for Winnipeg by the slender margin of six points. The total score was: Winnipeg 434, Outside 428.
The Bonspiel committee which selected the rinks to play in the International, did all they could to hand the event to the South. Pearson, Lowe and Aldous, three good "B" class rinks were selected as the city's representatives. The fourth weak rink was Rene of Toronto who lost out to McLeod of Duluth by 14 points.
In Winnipeg there were between 40 and 50 rinks of better playing calibre than four of the seven selected to represent Canada. Considerable comment has been caused by the action. The seven rinks now play down for the International trophy and prizes, while the city rinks play down for the blue ribbon prizes.
Play is now narrowing down in the opening events, and not more than five undefeated rinks remain in the play. These are all western.

Dave Deshler is going against a hard game on Friday night in Kansas City when he meets Clarence Ferns.

CARL MORRIS HAD BETTER OF STEWART AT EVERY STAGE

Ten Fast Rounds Fought in Brooklyn
—Stewart Showed Little Class as a Hope

(Canadian Press.)
New York, Feb. 13—Carl Morris the Oklahoma Giant had the better in every round in a ten round bout with Jim Stewart, the Brooklyn heavyweight, at the Carlisle Athletic Club in Brooklyn last night. Although Stewart had been hailed as an even match for Morris, he lasted out the ten rounds only by holding on and running.

Morris did about all the fighting, chasing Stewart about the ring and cornering him in almost every round, when he placed a few stiff punches. It was the general opinion that Stewart would have been knocked out had he stood up and fought. Morris weighed in at 230 and Stewart 30 pounds lighter.

N. B. H. L. GAMES AT RINK

Marysville Crescents will go on the ice in their game against Chatham tonight resplendent in new uniforms. The pattern is similar to that which has adorned the forms of Marysville's hockey players for some seasons past.

Manager Stephenson of the Crescents, expects a hard game tonight as Chatham is recognized as one of the fastest septettes in the league. The Marysville team will show a re-arrangement of players. Its line-up is announced as follows:

Rover—F. Wade.
Centre—L. Wade.

Goal—Pond.
Point—Walker.

IMPORTANT LIGHTWEIGHT BOUNTS ARE ARRANGED

New York, N.Y., Feb. 12—Two good lightweight boxing bouts, one of them international in character, were arranged here today by the management of the Fairmont A.C., the first between Packey McFarland and Tommy Maloney, which will take place the night of Feb. 27th, and the other on March 5th will bring together One Round Hogan of California, and Owen Moran of England. McFarland and Maloney will weight in at 135 pounds at six o'clock, while Hogan and Moran will make 133 pounds at the ringside. Both bouts will be of 10 rounds, the limit allowed under the New York law.

Although the Rhode Island A. C. has announced that it has matched Mike (Twin) Sullivan to box Jeff Smith of New York Feb. 20 the twin says otherwise, so it looks as if some one is doing business without authority. The twin sustained a sprained ankle yesterday, and it will be several weeks before he will be able to box.

SEVERAL HOPES WILL PERFORM THIS WEEK IN RING

Murphy and Packey McFarland will
Meet Friday night—Benedict and Serino will Meet

Boston, Feb. 12—Only one of the champions appears in the ring this week, but the hopes and contenders who are billed for bouts should give the sports in different cities plenty of action. The fans of New York will have a chance to judge this week how a French boxer lines up against an Englishman, for Ponthieu of France, who has been coached by an American, will go against Marchand, one of the newly arrived English scrappers, with a good record.

Eddie Murphy of South Boston and John Serino, ex-National amateur champion heavyweight, are to have a chance this week to get a try at boxers they have been after for quite a while. Serino meets Al Benedict of New York at Lewiston, Thursday night and is looking for satisfaction. Benedict, under the name of Gene Ottison and posing as an amateur, defeated Serino at the Armory A. A. last year. Serino claimed he was out of shape at the time, and he feels confident that he will get even.

Murphy has been after a match with Packey McFarland ever since he went to Chicago, and if he should get a victory Wednesday night he will be in line to get other good matches.

Give your servants GOLD DUST to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of GOLD DUST in all household cleaning.
