SPRING REMINDERS
OF RHEUMATISM

Raw, Damp Weather Starts the Pain
but the Trouble Lies in the Blood

Spring weather is bad for rheumatic sufferers. The changes from mild to cold, the raw, damp winds start the aches and twinges, or in the more extreme cases, the torture of the trouble going. But it must be borne in mind that it is not the weather that causes rheumatism. The trouble is rooted in the blood—the changeable weather merely starts the pains. The only way to reach the trouble and to cure it is through the blood. The poisonous rheumatic acids must be driven out. Liniments and rubbing may give temporary relief, but cannot possibly cure the trouble. The sufferer is only wasting time and money with this kind of treatment and all the time the trouble is becoming more deeply rooted—harder to cure. There is just one speedy cure for rheumatism—Dr. Williams' Pink Pills. They act directly on the impure, acid-tainted blood. They purify and strengthen it and thus root out the cause of the rheumatism. Here is strong proof of the above statements. Mrs. Robt. Luffman, Midland, Ont., says: "About three years ago my grandson, Robert Luffman, was attacked with inflammatory rheumatism. He became so bad he could only walk when someone helped him about. One arm he had to carry in a sling, and we felt sure he would be a cripple for life. The trouble also affected his heart. The doctor said his blood was turning to water and we had little hope for his recovery. The medicine the doctor gave him did not do more than soothe the pain a little, then he would be as bad as ever. On a former occasion Dr. Williams' Pink Pills had cured my daughter of rheumatism, and we finally decided to try them in Robert's case. After the use of three or four boxes there was a slight improvement and he continued taking the Pills until he had used 12 boxes when the trouble had completely disappeared, and he has not been afflicted with it since."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

TO SUE FOR CLOTHES
LOST ON THE TITANIC

(Brooklyn Eagle.)

What, if any, is the liability of the White Star Line for passengers' property lost on the ill-fated Titanic?

This question may be determined in the United States District Court by Baron Alfred von Drachstedt, a young German nobleman of Cologne, who has just retained as counsel Arthur W. Opp of 15 William Street, Manhattan, with whom he has deposited a list of articles embracing his personal wardrobe and jewelry, valued at \$2,320.50, lost with the sinking ship.

Baron van Drachstedt, who is now stopping in Brooklyn, is a close personal friend of Paul Schulze-Berge, Jr., of 287 East Eighteenth Street, Flatbush, who last June married Miss Rose Schoverling, formerly well known as a soprano at the Pilgrim Church, but more recently of the Wiesbaden Opera.

Baton Drachstedt, a youth of twenty, who was taken to the German Hospital, Manhattan, after the arrival of the Carpathia Thursday night, suffering from the effects of the opening of a wound caused by a recent operation in Paris, is an aeroplanist and driver of racing automobiles. His mother induced him to come to the United States to make a start in life, and his ambition is to accomplish this as a demonstration of high speed automobiles for some manufacturer here.

"At the time of the accident I was playing cards in the smoker on Deck A with two friends, Mr. Blanc and Mr. Greenfield," said Baron von Drachstedt today to an Eagle reporter. "We noticed a jar and went on deck to meet a few men and women also making inquiries. Learning we had hit an iceberg, I went as far down into the hull to investigate as I could. When I reached the deck where the tennis courts were I saw water covering it to a height of about six feet. After going above and notifying my friends of the danger I wrote a few lines to my mother and then went to my stateroom and put on a sweater, vest and life preserver, after changing my evening dress for other clothes. My friends and I then helped to get the women into the boats and got in ourselves when ordered to do so."

Following is an itemized list of the articles of apparel and jewelry for which Baron von Drachstedt will sue for compensation if Lawyer Opp advises him to do so:

RETIREES ON AGE LIMIT

Washington, D. C., April 27.—Rear Admiral Chauncey Thomas who was recently relieved of command of the Pacific fleet by Rear Admiral Sutherland, was placed on the retired list today on account of age.

Admiral Thomas was born in New York in 1850 and at the age of seventeen was appointed to the Naval Academy from Pennsylvania. During his long career he has had more sea service and less shore duty than most of his naval contemporaries.

He reached the grade of rear admiral in 1910, since which time he has been division and fleet commander of the Pacific fleet.
