PUNTS AND DROPS

The first and second teams selected for Saturday's practice at College Field had a good work-out but there were too many absences. Hard work on the part of everybody is necessary to put out a winning team.

Rev. Father Stanton, coach of the Ottawa College football squad, will spring a sensation this season in "Shorty" Higgins, a 16-year-old youth now working out on the back line. In addition to being the youngest player that ever broke out in senior football in Canada, Higgins is the smallest, weighing but 116

Ottawa, Oct. 5.—The football game between Queens University and Ottawa College here today ended in a free fight originating between some of the players. The crowd swarmed on the field and the police escorted the visitors to safety. A number of men were injured but none seriously. The game was rough and several men were ruled off. The score was officially given as 20 to 20, or a tie with only two minutes to play and the fight originated when Queen's claimed that it should have been 20 to 19 in their favor.

Old Country Rugby results Saturday were as follows:—Devon 0, South Africans 8; Old Whitgiftians 16, London Welsh 8; Leicester 8, Aberavon 0; Northampton 8, Coventry 5; Moseley 11, Manchester 14; Blackheath 16, Old Merchant Taylors 5; Newport 4, Cardiff 0; Heath 3, Penarth 0; United Service 10, Richmond 7; London Scottish 21, Roslyn 15.

Everything Ready for First Game of World's Series

Big Crowds to be at Opening Game at Polo Grounds, New York tomorrow—Seats in Both Boston and New York at a Premium—Supporters of Both Giants and Red Sox Confident of Victory

New York, Oct. 7.—The crowning event of the professional baseball season is at hand. The series for the world's championship between the New Yorks, twice champion of the National League, and the Boston, winners of the year's pennant in the American League, will begin on the Polo Grounds in this city tomorrow. Today the umpires, official scorers and respective owners of the contesting clubs met with the National Commission to receive instructions and perfect with the final details for the series, which will continue until one of the teams has won four of the seven games scheduled. The games will alternate daily between this city and Boston.

It is scarcely an exaggeration to say that, with the large proportion of the public at least, the presidential campaign now on will drop into second interest while the world's series is being fought out. From the hour that the umpires cry "Play Ball" tomorrow until the championship flag is cinched by one or the other of the contesting teams the tens of thousands of baseball fans, from Hudson's Bay to the City of Mexico, from around the tikiers, scan the bulletin boards and buy the newspapers extras.

Probably no series that has ever been played in baseball will attract the attention this one will, and probably no series, the weather being suitable, will equal it in attendance. And what a time those twenty-three eligible Giants and twenty-two Red Sox will have when the financial melon is sliced after the series is completed. The Polo grounds have been put into shape to accommodate nearly 50,000 spectators, while Fenway Park the new home of the Boston Americans will take care of at least 40,000 and probably more. As the prices are more than doubled at these games the receipts for the post-season series this year should greatly exceed those of any like series in the past, and the winning players are pretty sure of making a rake-off of from \$2,500 to \$3,000 each. If the series should go to the limit the profits of the club owners should be enormous.

As to what the series will bring fourth the partisan fans have been keyed up to a high pitch trying to convince themselves and others why their favorite team cannot lose. In view of the fact that the Giants are veterans, even when it comes to contesting for the world's flag, while the Boston Red Sox might almost be termed novices in comparison, it is somewhat surprising that so many newspaper critics and others well versed in the national game should pick the Red Sox to win. The average New Yorker, of course, can see nothing to it but McGraw's team but it is a noticeable and significant fact that around the Broadway hotels and other places where sporting men congregate there appears to be a bias in favor of the Bostonians. Which ever way the series ready taker for every bet offered on goes, there is already one thing that seems certain, and that is that a larger amount of money will be handed on the result than ever has been the case before.

Dave McCann who is playing wing for Ottawa City this year is out of the game through illness.

BEAT ROTHESAY C. S.
8 TO 3 SATURDAY

First Interscholastic Match Played at
Rothsay—Fast and Rough—
Several Players Slightly Hurt

(St. John Standard)

The local High School football team won the first game of the Interscholastic series at Rothsay last Saturday afternoon when they downed the Rothsay Collegiate School fifteen by a score of eight to three. Although the players on both teams were light all were in good condition the game being fast and interesting. All the scoring was done in the first half, Rothsay opening the ball a few minutes after play started, Mallet securing the try. They failed to convert and after the kick out from the twenty-five yards line the local boys followed the ball hard and after some excellent scrim work by the forwards and running on the part of the halves Howard succeeded in getting over the line about four minutes after Rothsay scored their try. Captain Machum converted with a fine kick putting his team in the lead score 5 to 3.

High School scored again during the first half, Robinson carrying the ball across the line. This ended the scoring, both teams tightening up the remainder of the game being fast and a bit rough at times.

Millidge and Machum of the local school half line both received minor injuries while Lockhart of Rothsay was also slightly hurt. O. M. Lawson retired in a satisfactory manner.

The teams lined up as follows:

THREE WORLD'S RECORDS MADE AT COLUMBUS TRACK

Helen Stiles won 2.07 Pace After Two
Bad Heats—Joe Patchen 11 Cuts
Lexington

Columbus, Oct. 4.—The final card of the two weeks' Grand Circuit meeting at the local track was a short one, but some fast time was made. Three world's records were broken. In the two regular events on the card both favorites landed first money, although it appeared for a time that the California mare, Helen Stiles, was going to dump her followers, as she was very unsteady in the first two heats.

The Kentucky mare Pickles paced to a record of 2:03 1/4 in the third heat and now looms up as one of the dangerous candidates for the Tennessee stake at Lexington.

The 2:07 pacers had raced five heats yesterday and in the sixth today Babe beat Ty Cobb in a driving finish in 2:04 1/4, a new sixth heat record, the race also being the fastest six-heat contest ever raced.

Minor Heir and George Gano were both driven miles against their records but both failed.

CHANGE IN PLANS.

A change in plans was announced today by the management of the Mackenzie stable, when the sensational pacer Joe Patchen II, was shipped to the Illinois State Fair at Springfield, where he will race next week, passing up his engagement in the Tennessee Stake at Lexington, where he was named to meet Braden Direct, Pickles and other fast ones on Tuesday next.

The reasons assigned for the change in plans are that the Springfield stake is for \$5000, while the Tennessee is for \$3000, and it is not desired to reduce the record of the stallion from 2:03 1/4, which would undoubtedly be necessary in winning the pacing classic at Lexington. The summary:
