They remember the trouble they had getting the hay into the barns by hand or with the drag pitcher and are now putting in Track Pitchers.

Now there is time to do it and the work can be done very much easier than later when the barns are empty.

BECOMES BRIDE OF ARMY OFFICER

Philadelphia, Feb. 19—The Bellevue-Stratford in this city was the scene of a brilliant wedding, of interest to military and social circles, today, when Miss Judith Reynolds, daughter of Lieutenant Governor John M. Reynolds of Pennsylvania, became the bride of Captain George E. Goodrich, U.S.A., one of the most popular officers of the Thirtieth Infantry now stationed at the Presidio. After a wedding trip of several weeks the young married couple will make their home at the Presidio.

EATON'S EMPLOYEES GO OUT ON STRIKE

Toronto, Feb. 17—This morning the employees in Departments J 4, J 6, J 15 and F 4, of the T. Eaton Company factory on Louisa street, quit work and were asked to leave the premises. The strikers are custom ladies' garment workers, and the number involved in the dispute is probably over 1,200, the majority of whom are organized under the international Ladies' Garment Workers' Union, whose officials practically called the workers out.

Three-fourths of the strikers are men, and with a few exceptions, all the employees of the departments named are out.

At the same instant as the local workers went out, a telegram was rushed to Montreal to the employees in the Eastern factory of the firm, telling them of the situation, and asking them to call a strike also.

Attempts were also made to have the other employees of the "Big Store" who are members of unions to go out in sympathy with the garment workers, but there has been no spread of the movement.

A mass meeting of the workers was held last night at the Labor Temple when it was decided to support the 65 operators in their dispute. This morning all the employees concerned in the trouble took their places at the usual hour, but refused to go to work until the operators were recalled.

At nine o'clock Inspector Cuddy and six detectives appeared on the scene and cleared the departments. On the street below ten policemen, including two mounted men, met the strikers and broke up any groups that formed.

The strikers thereupon went to the Lyric Theatre on Agnes street, where a demonstration was held lasting until eleven o'clock. The place was crowded and great enthusiasm prevailed during the speech making, which was in Yiddish as well as English.

A roll call of those present was taken and non-union strikers were invited to join the organization. Several of the speakers referred to the manner to send them away from the factory buildings.

"When men are engaged by us to work for us," said Mr. J. C. Eaton "they must remember they are paid by us, and not by the union. I claim that a union has no right to interfere in a business. This interference is nothing but a hold-up."

"Many of these strikers had worked for us for years, but now that they have chosen to go out, they are out for good. Not a single man will be reinstated. Rather than to do this we will shut down our factories."

"We can afford to this. The men concerned are working in a fine, clean factory, have good hours and earn better prices than the union demands. What more do they want?" Another special meeting of the workers will be held this evening.

TORIES WANT TO PAY OFF SOME OLD GRUDGES

Arnprior, Feb. 14—There is considerable feeling in some parts of this riding of South Renfrew over the political situation, particularly in connection with the disregard of the agreement signed by the parties and the operation of outside influences. The Conservative signers of that pact are taking no active part in Dr. Maloney's campaign, and a number of men, both Conservatives and those who do not belong steadily to either party, have expressed their intention of voting for Hon. Geo. P. Graham, in protest against the breach of that agreement by outside Conservative influences.

CONSERVATIVE EDITOR'S VIEW

"It is a strange thing when a Conservative has to turn to The Globe for a square deal," remarked Mr. G. A. Macdonald, editor of The Renfrew Journal, to your correspondent. The Journal claims the position of leading Conservative paper in South Renfrew, and Mr. Macdonald declares that the other papers of the party are Maloney papers now. While opposed to the agreement in the first place, he thinks the only honorable thing is to abide by it. He pointed out the irregularity of Dr. Maloney's nomination, showing that he represents nobody but his nominator and seconder. And he also emphasizes the fact that the Conservative party, if feeling at all bound by its convention, is bound to stand by the agreement, signed by its own Executive Officer. "I resent men from North Renfrew coming down and running things here. The Whites are asking the South Renfrew people to break the agreement, and defeat Mr. Graham because he defeated Hon.

Doan's Kidney Pills Are the Best Remedy In The World FOR BACKACHE.

Many people fail to understand the significance of a lame, weak, sore or aching back.

You overtax the kidneys—give them more work than they can possibly do—then they cry out in protest through the pain in the back.

Backache is simply kidneyache and the best remedy in the world for backache and all kidney troubles is Doan's Kidney Pills.

We have thousands of testimonials from all quarters of the globe to prove this. Here is one from a party who used them in England, but who is now a resident of Canada.

Mr. P. R. Glanville, Wyldcliffe, B.C., writes:—"When living in the 'Old Country,' three years ago, I suffered severely from pains in the back, and had to give up work. The pain was so bad that when I stooped down to pick anything up, I felt my back must break. I tried all sorts of remedies and several doctors, but all to no purpose. One day I read of Doan's Kidney Pills, and thought I might as well try them, and to my surprise, before I was half through one box the backache had entirely disappeared, and it has not caused me any trouble since. I always keep 'Doan's' in the house and shall always recommend them to all sufferers."

Price 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

POTATOES TO THE RESCUE

New York, Feb. 15—Six large consignments of potatoes are expected to arrive in New York from abroad during the next two days, bringing the total receipts for the season up to a million sacks. The duty on the entire quantity will foot up to nearly \$700,000.

The arrivals will increase from now on, as Germany and France are both buying heavily in Ireland and England. This is the first year that America has gone abroad for potatoes since 1908. In the United States growers raise about 75 bushels of potatoes to the acre, while in England and Ireland the crops run from 200 to 235 bushels to the acre.

THE BOOSTING SPIRIT.

Amherst News:—A number of the citizens of our town, representing the Board of Trade, the Pilgrims and the Town Council, met in the Council Chamber of the Town Hall last evening, to discuss ways and means for the building up of a larger and better Amherst. It was decided to raise two thousand dollars by subscriptions to pay the salary and expenditures of an Industrial Commissioner, and to ask the Town Council to supplement this amount with a substantial grant. A meeting will be held in the Parish Hall this evening and the question of the town voting a sum of money for this purpose will be discussed. All the ratepayers interested in a movement of this kind are urgently requested to attend.
