Fredericton High School Won First Interscholastic Hockey Match, Score 5 to 3

Twenty Minutes of Overtime Necessary to Decide Game--Handful of Spectators Waited until Eleven O'clock for End of Game--Fleet put Game on Ice by Scoring Twice in Second Overtime Period

Fredericton High School emerged victorious last night from the first local game in the Interscholastic Hockey League. The score was 5 to 3 and it took twenty minutes of overtime to decide the winner. There was only a handful of spectators on hand to see the match but they stayed until the last. The game did not get going until long after nine and it was after eleven before the game ended.

The local High School team won on its merits. The first period saw Fredericton H. S. with the better of the play and the score 2 to 0 in their favor. In the second half St. John came back, until a couple of minutes of time being called the score was 2 to 1 in Fredericton's favor. Smith, the St. John High School captain tied the score after an end to end rush. It was then decided to play overtime in ten-minute periods, five minutes each way "Rocket" Dolan the F. H. S. captain gave the locals a lead early in the first over-time period. McKee the Halifax boy who is attending St. John High School tied the score again after a great rush.

St. John High School raised a kick about playing any longer, but after an argument it was decided to play a second period overtime. It was Fredericton all the way. Fleet scored the first goal in a couple of minutes and repeated the trick shortly afterward.

FREDERICTON AT TOP

Fredericton H. S. and Rothesay C. S. are now tied at the top of the league with St. John H. S. with a firm hold on the basement position. The Garnet and Grey supporters say their team was not as strong as it might have been and feel confident that Rothesay will defeat the local team.

LATE IN STARTING

The game was late in starting it being long after nine o'clock when play began. Both teams were out to win and roughed things up from the start. Referee Coleman was lenient and tooted his whistle as seldom as possible. The home team got the heavy end of the penalized however. It wasn't particularly good hockey and if the referee had penalized as often as he might both teams would have had the majority of their men on the fence. The Fredericton High School defence was the strongest part of the team. Van Wart played a cool steady game kicking them out right along. Boyd and Bellevue checked hard and relieved the pressure by rushing whenever necessary. The yellow and black forwards did not play together to any great extent being all over the ice. Dolan and Fleet were the most effective of the four. McKee the St. John H. S. rover was easily the best forward on the ice. Smith the St. John coverpoint also put up a good game. On the whole neither team had much on the other and the two will put up a lively game when they meet at St. John.

WITH REGARD TO CRITICISM

It's a poor official who cannot stand justifiable criticism. This applies to hockey referees as well as other persons before the public. The effusion of Referee Sandy Staples with regard to the criticism of his handling of the St. John-Fredericton game which was given "some degree" of publicity "yesterday" lost what weight it might have had by being published in close proximity to a letter signed "Pro Bono Publico" which well represented the opinion of a large number of the spectators of the St. John-Fredericton match. The letter contains the following sentence "To my mind the most glaring inefficiency was the inability of the referee." Harsh words! Probably a little too harsh.

ABE ATTELL SUSPENDED BY NEW YORK BOARD

New York, Jan. 25—Abe Attell, featherweight champion was suspended from boxing in New York State for a period of six months by the State Athletic Commission this afternoon which found him guilty of "faking" and "installing" in his recent bout with Knockout Brown. The commission also suspended Jimmie Goodman, Attell's second and announced that it would investigate the National Sporting Club of America, where the bout was held.

Attell now in the west, had testified before the commission that he fought to the best of his ability and believed that he had been "doped" by the injection of too much cocaine in his hand by the club's physician.

N. H. A. MUDDLE GROWING WORSE, OTTAWA MAY BOLT

Ottawa, Ont., Jan. 26—That there is a possibility of Ottawa breaking away from the N.H.A. is generally admitted today. The situation over the playing of Fred Taylor in Wednesday night's game here seems to have passed out of the hands of sportsmen and developed into a four cornered fight for cash, that is likely to result disastrously.

"We will make a trip to New York and Boston next week, if the N.H.A. breaks up, or expels us," was stated by an officer of the club today, "and afterward will play at Cleveland. We then can take on the champions of the Maritime Provinces, Northern Ontario, Saskatchewan and British Columbia leagues in Stanley Cup matches. We have the cup and absolutely nothing to fear."

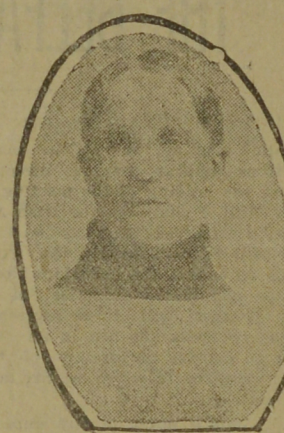

No decision had been given this morning by President Emmett Quinn in the Taylor matter. In the face of a \$300 fine, which the National Association would impose on them should they fail to keep their sched-

ERNIE JOHNSON EARNING BOUQUETS IN BRITISH COLUMBIA

Putting up Star Game at Coverpoint for New Westminster—Determining Factor of the Game

Eastern hockey stars are still shining in the west—especially Ernie Johnson. The Vancouver Province gives Ernie credit for being the star in last week's New Westminster-Victoria game, when New Westminster won by 4-3.

Ernie Johnson at cover was the bright particular star of the proceedings, says The Province. Ernie broke up Victoria rush after rush by skillful use of his stick and his spectacular dashes from end to end just made the spectators get up and about with pure joy. There was apparently no stopping Johnson, and though near the close of the game he was put down and out for the count he came back in a few minutes just as formidable as ever. Johnson was the de-

termining factor in the game, for besides scoring one goal on a dazzling rush all by himself, he gave the pass that accounted for two more goals. Ken Mallen was another player who was very much in the line-light last night. Mallen uncorked a world of speed and furnished a lot of the spectacular trimmings to the encounter besides doing a great deal of mighty useful work breaking up the opposition attack. Gardner played a heady game and kept Bobby Rowe well in hand all the way. Jimmy was on the job for the pass from Johnson for two of the goals and he figured prominently in the scoring of the deciding goal, so that the manager can figure out his average on the night might be good. Macdonald played a hard, effective game all through, but Harry Hayland, while his work was good, was not in his usual brilliant form.

Manager Johnny Murphy is coming in for a lot of sympathy among Moncton followers of the game. Efforts like his to land good material are deserving of better results.—Moncton Transcript.

Give your servants **GOLD DUST** to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without **GOLD DUST** is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—**GOLD DUST** is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of **GOLD DUST** in all household cleaning.

HOCKEY NOTES

Jack Spratt, the diminutive St. Michael's player, who, it was thought, would play with Toronto Varsity, is out of the game on account of family objections.

Seguin is a very fast skater and is a second Jimmy Williams, but he cannot carry the puck.—Moncton Times.

Chester Gregory, formerly of the Moncton Vics, is playing hockey with Sydney. His team beat Glace Bay at Glace Bay Wednesday night.

It took Yale 25 minutes and 8 seconds over the regulation forty minutes of play at New York to beat Cornell's intercollegiate champion hockey team. Cornell scored once in

the first half and Yale once in the second. It was agreed by the captains then to play for a "sudden death" goal, which was a somewhat fluky one by Yale.

Bill Bradley, the Toronto third baseman, and Larry Lajoie the great Cleveland infielder, are rabid hockey fans and miss few games at the Cleveland Elysium. They say that Lajoie, who cannot understand the lengths to which a ball "bug" will go, spends most of his waking hours at its Forest City Arena.

Lon McDonald, and not Tommy Murphy, gets Ruth McGregor, 2:14.
