WAS TROUBLED WITH Headache AND Constipation.

After Suffering For Two Years
Was Cured By
BURDOCK BLOOD BITTERS.

Headache of whatever nature is nearly always symptomatic of other diseased conditions, rather than a disease itself, but in most cases a disordered stomach, constipation, or bad circulation is the chief source of the difficulty. Burdock Blood Bitters removes the cause of the trouble through its cleansing, strengthening and tonic action on the stomach, liver, bowels and blood. Mr. Wm. Redmond, Cardigan Bridge, P. E. I., writes:—"I have been troubled with headache and constipation for about two years. After trying every doctor I knew, a friend advised me to try Burdock Blood Bitters. I found myself, after using one bottle, getting much better, and after using three bottles I was completely cured."

"After then I was on a visit, and found my cousin very sick, and the doctor told her there was something wrong with her head. I told her to use Burdock Blood Bitters and she was cured in a short time. I can safely recommend it to all."

IMPORTANT TO MOTHERS

Mothers should know just why Zam-Buk is so effective in cases of rashes, scalp sores, pimples and eruptions on babies and young children.

Most ordinary salves contain animal oil and fat. Every housewife knows that if animal oil or fat is left exposed to air for any length of time putrefactive changes must occur. These changes occur none the less even if they are hidden by scent.

Now, any salve which sinks into the pores enters the blood. You would not feed your children impure food. Why put into its blood rancid animal fats?

Zam-Buk contains no trace of animal fat or oil, or any mineral poison. It is compounded of healing herbal juices and essences.

Applied to cuts, burns, bruises and skin injuries it allays pain, kills disease germs and heals. Sold everywhere at 50c. box, or post free from Zam-Buk Co., Toronto, for price.
