PLASTER ROCK.

(Woodstock Press.)

The Orange celebration at Plaster Rock was the best in the history of that place; in fact, there never was a celebration of any description so greatly enjoyed by all as was the 12th of July this year. Large crowds came by team, train and auto. Meals were served on the grounds. The speakers of the occasion were Messrs. Wiggins, C. S. Young, A. Hatfield, Rev. Currie of Richmond, D. Hipwell and N. W. Brown, all of whom were listened to with interest. The Woodstock Band furnished excellent music for the occasion.

Rev. A. Hatfield visited his friend Rev. C. S. Young last week. They enjoyed a pleasant and successful fishing trip during his visit. Mr. Hatfield led three religious services and his addresses were heard with interest and it is desired that he will visit us soon again.

N. W. Brown, B. A., of Southampton, gave a very able address on the 12th. He was not at Mt. Pleasant as stated in The Hartland Observer.

FEW IMMIGRANTS

BEING TURNED BACK

(Canadian Press.)

Ottawa, Ont., July 26—Reports at the immigration office show that there are surprising few immigrants turned back this year at the landing ports, although the immigration is the largest on record.

This is due to the close inspection at ports of embarkation, where the steamship companies are exercising greater care. A feature of this year's immigration is the large number of desirable Russian agriculturists who are coming by direct line to Halifax.

and proved to be an energetic and reliable man for that concern. A few years ago his health began to fail and he gave up the work and went to farming with his sons. He also occasionally took charge of the of the Nashuaak drive for the Alex. Gibson Railway Mfg. Co.
