MARYSVILLE IMPROVED LAST WEEK IN ATTING: DEVON FELL OFF: OTHER TWO CLUBS STEADY

The York County League last week showed very little change in the point of batting. The averages show not much change. Fred McLean who did not play last week is still the real league-leader. C. Seely of the Y. M. C. A. is next him with an average not quite so good as that of the week before. "Pop" Donovan the Y. M. C. A. captain staged a come-back pulling up again to third place. Sloat of Marysville again in the game is holding his batting position steadily.

SEPARATION BUT NO ALIMONY

age done, everybody happy again—that's the situation when you divorce your corns. Try Putnam's Corn Extractor. Acts like magic, no pain, no failure, success every time. Refuse a substitute for "Putnam's." 25c. everywhere.

Teddy Burke of Y. M. C. A. slipped back a little but still shows a fine average of .328. Anderson of Marysville and McPherson of the same club both improved. J. Bolster of Devon is leading his club having just pulled into the .300 division. Both the Keenes have gone down considerably in stick-work. Bonnell of the Imperials is batting almost equal with Burke showing himself to be a valuable batter. Davis of Y. M. is well up in the list.

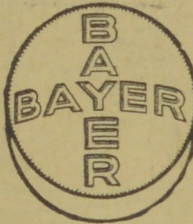

The feature of the week was an improvement in Marysville's batting as a team. Devon fell off a little. The other clubs remained about as they were.

Montreal, July 22—To have baggage examined by the customs officials before arrival at the port and checked to its inland destination is one of the most highly appreciated features of service on the Canadian Pacific express liners arriving at Quebec. By putting customs officials and a staff of baggage checkers on board the Empress ships at Father Port the C. P. R. overcome the long and sometimes tedious delay otherwise experienced, and by the time that ship docks at Quebec the special tarin in readiness there to convey passengers to their inland destinations and through this service are able to proceed immediately.
