OF INTEREST TO WOMEN

STYLES OF SPRINGTIME.

It is smart for a frock to have its own cape.

One of the newest things is the duvetyne sweater, belted in at the waist.

Paris send word of shoes with brilliantly colored heels.

Wide, flat hat, becoming to many, is still a good style.

Sweaters with hats to match are in vogue in Florida resorts.

Some of the newest bodices blouse over the girdle.

All trimming on spring hats is inclined to droop from the brim, much of it positively refusing to stay on the crown.

Tassels drop from corners of cloaks and feathers from brims of small hats.

It actually looks as though foulards were to have another go. They appear in many spring costumes.

The long, slim line will have a strong influence on the spring models.

HOUSEHOLD HINTS.

If you wish your bread to have a soft crust wrap in a clean cloth as soon as it comes from the oven.

Cheese biscuits, made by adding grated cheese to the biscuit dough, are delicious served with salad.

If you wish to use candles as a decoration for the dinner table place them on ice for two hours just before using and they will not drip.

A DELICIOUS DRINK.

Roll a grapefruit, as you do a lemon to crush the pulp and start the juices. Squeeze, strain the juice, then add two tablespoonfuls of powdered sugar, a pinch of nutmeg and yolk of one egg. Beat these thoroughly, then fold in the white of the egg well beaten. Stir in two tablespoonfuls of crushed ice and turn into tall glasses.

MOCK CHICKEN SALAD SAND- WICHES.

Chop the remnants of the cooked veal rather coarsely or cut in dice and add an equal quantity of chopped celery; allow for each large cupful of the combined ingredients one chopped hard boiled egg, two chopped stuffed olives, six peeled and chopped radishes, a light sprinkling of salt and sufficient mayonnaise dressing to moisten. Chill on the ice and use as a filling between dinner rolls that have been split open and buttered.

HOT MULLED RICE.

Wash half a cupful of rice and cook with two cupfuls of milk, one tablespoonful of butter, two tablespoonfuls of sugar and a quarter or a teaspoonful of salt, in the upper part of the double boiler until the rice is tender. Then add one lightly beaten egg, half a teaspoonful of grated nutmeg and two tablespoonfuls of grape juice. Cook for five minutes longer and serve with sweetened whipped cream or plain cream.

SALMON LOAF.

Drain the fish from the liquid in the can, scald with hot water quickly and drain again. Remove all skin and bones and chop finely. Add the beaten yolks of three eggs, three-quarters of a cupful of soft bread crumbs, two teaspoonfuls of lemon juice, four tablespoonfuls of melted oleo, half a teaspoonful of paprika, two tablespoonfuls of rich milk and a teaspoonful of chopped parsley. Mix well, fold in the stiffly whipped egg whites and either bake or steam as preferred. If former cook in a pan of hot water for thirty-five minutes, and if the latter steam for one hour. This is good either hot or cold.

Our Travelling Salesmen Enjoy Selling Red Rose Orange Pekoe Tea

Travelling salesmen work very hard as a rule. They put in long hours, and the pleasure of travelling is not so great as to those of us who mostly live at home.

Naturally, therefore, these men must get a great deal of their pleasure and satisfaction from their work—they like to sell the finest of products and represent a good "house".

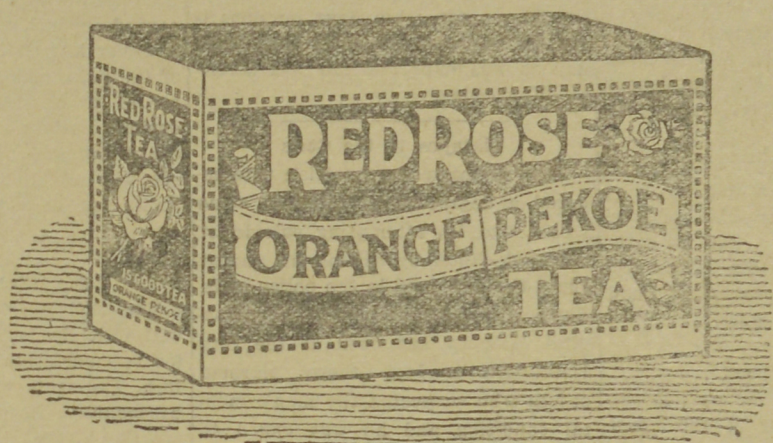

Our travelling salesmen are exceedingly critical of the products which they are asked to sell, and when we told them last January that we wanted them to sell a new tea of extra quality—much finer than has usually been sold in Canada—they were keenly interested, put the new tea to many tests amongst their friends, and gave it a lot of time and thought.

Having convinced themselves of the extra fine quality of Red Rose Orange Pekoe Tea, they started on their trips full of enthusiasm.

Their satisfaction, however, has been much greater on their later trips, because of the splendid renewal orders which are following their first sales.

Like good merchants, our salesmen enjoy selling the very finest tea—Red Rose Orange Pekoe.

Try the tea which has met with so much success.

A PAGE BOY HAS HIS FLING

(Dom. Press.)

London, May 14.—A page-boy, who stayed at a West End Hotel with 11 cents in his pocket, invited a detective to dine with him, and ordered an opera hat from a tradesman, appeared at Westminster Juvenile Court yesterday on a charge of obtaining board and lodging to the extent of about \$6. by false pretences.

It was stated that the lad, who is

only 15, recently obtained a situation as page-boy in Hans-crescent, but after a week's trial was discharged, and given \$15 by his employer.

Then he went to the Basil-street Hotel, Knightsbridge, where after a time the management communicated with the police. It was then that the boy invited the detective to dinner. When given this bill, he said he had only 11 cents in his pocket.

The boy had written to tradesmen—on the hotel paper—ordering expensive boots, shoes and an opera hat at \$12.

"This young gentleman," said the magistrate, "has an exalted opinion of horse race and an election.

himself. I must know about him."

His mother said she heard her son had gone to a theatre in the evening.

"I suppose that is why he wanted the opera hat," said the magistrate.

The prize list for the Fredericton Exhibition to be held from September 17th to 24th has been issued and is an attractive publication. The sum of \$25,000 is to be distributed in prizes at the big show. Copies of the prize list may be had on application to the Secretary.

HOW about it? Are you able to keep up to your prescribed task? Is the boss watching your time sheet? Has he reason to think you are slipping back?

The efforts put forth to keep up to the new scale of work in conjunction with "high pressure" mode of life these days soon tells on the strongest system, shatters the nerves and weakens the heart.

Thousands are finding life a burden and others an early grave. The strain on the system causes palpitation of the heart, nervous prostration, sleeplessness, faint and dizzy spells.

Milburn's Heart and Nerve Pills have helped hundreds just in such a condition by making rich new blood, strengthening and regulating the heart, renewing the nerve centres and infusing new life and energy into the system.

This remedy builds up and maintains a healthy, vigorous constitution, according to the testimony of hundreds who have used them.

Mr. Alfred Arsenault, Lot No. 6, P.E.I., writes:—"I was very nervous and run-down, and was so bad I could not sleep at night. I used two boxes of Milburn's Heart and Nerve Pills, and I was relieved. That was one year ago, and I have been well ever since."

Milburn's Heart and Nerve Pills are 50c. a box at all dealers, or mailed direct on receipt of price by
