DEVON BROKE MARYSVILLE'S WINNING STREAK, WINNING 3 TO 2 THURSDAY EVENING

The Losers Played Losely in the Field but the game was very Interesting—At Trotting Park Y. M. C. A. Showed smooth Work in the Infield Winning 5 to 1 from Imperials—Currie, the Youthful Pitcher Deserved Better Support.

YORK COUNTY LEAGUE			
	Won	Lost	P.C.
Marysville	3	1	.750
Devon	2	2	.500
Imperials	2	3	.400
Y. M. C. A.	2	3	.400

Marysville's string of wins in the County Baseball League was broken Thursday evening when Devon playing on its own diamond took the cotton town team into camp 3 to 2. This puts Devon into second position and tightens the race up a bit. The game was a good one, one of the most interesting yet seen in the league. At the Trotting Park Y. M. C. A. showed the best working infield yet uncovered in the league and beat the Imperials 5 to 1 in seven pretty good innings. Currie, the High School pitcher of the Imps worked well enough to have won his game but the fielding behind him was poor and lost the game. The two Fredericton teams now are tied in last position.

Ken McDonald the player in dispute between Devon and Marysville wishes to play with Devon although awarded to Marysville by the A. A. U. C. ruling as having signed with that club. The Marysville club will have a meeting and vote whether he will be released or not.

MARYSVILLE ERRORS COUNTED.

Big Contingent From the Nas'waak Town Saw Team Lose to Devon—Some Heavy Hitting.

In six innings Devon beat Marysville 3 to 2. A big Marysville contingent saw its team lose. Errors were largely responsible for the defeat of the league leaders. Both Ken Staples for Devon and Earle McPherson for Marysville pitched good ball. There was some heavy slugging however, one three-bagger and two good for two bases. Devon took the lead in the first inning and never lost it. A single and three errors netted two runs. A catcher's error let Yeomans get on in the second and he scored when Collett let Smith's drive get away from him. Marysville could not do a thing in scoring until the fourth. Up to that inning four men had been left stranded when the third put-out was made. In the fourth Devon began to make errors and two bad ones together gave Marysville one run McPherson scoring. In the fifth the Devon infield took care of everything but in the sixth got one more. Bill Boyce took first on Gulliver's error, stole second and was allowed to take third. Walker's two-bagger scored him. Sloat hit safely and it looked as if Marysville would win or at least tie but Walker was thrown out at the plate by H. Keene.

Y. M. C. A. STEADY IN FIELD

Currie For the Imps Good in the Box—Poor Fielding Lost the Game.

The Y. M. C. A. team beating Imperials 5 to 1 showed the style which won the league for them last year, the infield working very smoothly. Howard dropped the ball once at first making the sole error. Both teams showed a shakeup in the infield and were improved by it. Fraser and Shannon for the Imps each had a off day. McLennahan in the outfield was nervous in senior company but should improve.

Imperials started their errors in the first inning. Two errors, a single and a sacrifice netted two runs. In the second Imperials scored their only run. Bonnell was passed and singles by Coyle and Currie sent him home. In the third Y. M. made a poor start when Cain was caught with the old hidden ball trick after getting a base on balls. Burke hit safely but that was all there was to it the ball not going out of the infield in the rest of the inning. Imperials were touching Williams each inning but could not get a base runner beyond second. In the fourth Davis was thrown out at the plate by Currie. Y. M. C. A. coming that close to scoring. In the fifth the same thing happened to the Imperials Fraser being thrown out by Wheeler as he attempted to steal home. Y. M. C. A. in the last of the fifth scored another. Burke who was the heavy hitter of the game hit for two bases. Cain had preceded him being safe on an error. Donovan was hit by the pitcher and the bases were full. Seely hit to Currie who threw Cain out at home. An error by Fraser let Burke score. Wheeler was holding the Imps right down having three strike-out in the last two innings. In the seventh with a margin of two runs Y. M. C. A. improved it by making two more Donovan batting them in.

It had been arranged to call the game at the end of the seventh but with the long evenings now at hand full nine inning games should be played soon.

On all fields but the Trotting Park the spectators are kept off the diamond. Thursday night runs were crowding almost on the baselines. Some stakes and a clothesline would not cost much and would greatly improve matters.

THE INFLUENCE OF ADVERTISING ON THE PUBLIC MIND

HOW MANY PEOPLE know the names of the highest mountain peaks in the world?

FOR INSTANCE, "Kinchinjinga" is the name of one of the highest mountains in the world. It is 28,156 feet high.

PIKEO PEAK is only 14,108 feet high—but it gets credit for being higher because it is advertised.

ADVERTISING will bring many unknown things into prominence during the coming years.

NOW IS THE TIME, when so many articles and commodities of trade are flooding already overstocked markets, for the man with goods to sell to let the people know all about it.

THE BEST WAY to let the people know is to advertise in the newspapers.

YOU HAVE SEEN THIS in the Daily Mail—let the public know what you have to sell through the advertising resources of this newspaper.
