LIBERAL CAMPAIGN STARTING

WOMEN HELD MEETING TO ORGANIZE TUESDAY

**General Meeting Tonight at
Committee Rooms — Col.
Osborne's Candidature
Well Received.**

The first general meeting of the Liberal campaign in Fredericton is to be held tonight at the local committee rooms Queen street, when organization and other business will be considered at a general meeting called by A. H. VanWart, president. It is expected that there will be a large attendance.

Col. Osborne Well Received.

Reports received by many and diversified channels from various parts of the constituency are to the effect that the candidature of Col. W. J. Osborne has been well received in all sections. There are indications that the Conservative machine in York-Sunbury is going to receive a severe jolt on December 6th.

Organization Will be Developed.

As the campaign goes on, organization in the constituency will be developed and extended. Already activity has been displayed in some of the parishes. Col. Osborne has devoted personal attention to some sections.

Women's Meeting.

A meeting of Liberal women electors was held last night at the Fredericton Business College. Mrs. W. T. Whitehead was in the chair and there was a good attendance of women interested in Liberalism from Fredericton, Devon and Marysville. P. J. POPPY DAY OBSERVATION ORGANIZED

GREAT INTEREST TAKEN IN THE EVENT

**Women's Organizations Will
Take Prominent Part—Meet
ing Tonight—Major J. S.
Scott at Other Places.**

Extensive preparations are being made for the observation of Poppy Day on the 11th inst. the anniversary of the signing of the armistice. The G. W. V. A., recently reorganized in this city with Lt. Col. W. J. Osborne as president, is taking a keen interest in the matter and all the women's organizations of the city are to meet tonight for the purpose of organizing.

In Surrounding Districts.

On Tuesday Major J. S. Scott visited Marysville, Devon and Nashwaak-sis and conferred with a number of women's organizations relative to canvassing the public on Poppy Day and obtaining funds for the Veterans. The Countess of Ashburnham has visited Harvey for purposes of organization and other centres of the county have been or will be organized.

Thousands of Poppies.

Thousands of poppies which will be used in the "tagging" have been sent out from headquarters and there is fear that the supply will be exhausted as the Poppy Day idea is going big all over the country. An addition to the small poppies there are large ones to indicate a subscription over a certain amount. There also are memorial wreaths and broken circles for decorations of buildings, etc. There is every indication that there will be a huge demand for all of these in Fredericton and throughout the country.

Thanksgiving Day.

Monday next will be Thanksgiving Day and by proclamation will be observed as the holiday for Armistice Day. The local G. W. V. A. and the York Regt. Band will use the holiday to raise funds by means of a bazaar at the Armory. The real anniversary of the armistice will be on the following Friday which will be Poppy Day.

Abram Vanderbeck, M. P. P. elect for Northumberland was here yesterday attending the Liberal Convention.
