FATTY ARBUCKLE THE MOTION PICTURE COMEDIAN HAS BEEN INDICTED FOR MANSLAUGHTER

BAIL IS FIXED FOR \$5000 CASH

Murder Charge May Be Dismissed in View of Coroners Jury Finding—An Investigation to Be Made Into the Liquor Phases of the Case.

San Francisco, Sept. 15—A county grand jury indictment charging Roscoe (Fatty) Arbuckle with manslaughter in connection with the death of Miss Virginia Rappe, motion picture actress, after she had attended a party in his rooms in the St. Francis Hotel, was returned to Presiding Judge Shortall of the supreme court today. The indictment was voted on the early morning of Sept. 14.

Bail was set at \$5,000 cash or \$10,000 bonds, and the case assigned to the court of Superior Judge Harold Louderback in the hall of justice. Arbuckle was not in court.

District Attorney Brady tonight announced that no decision had yet been reached whether to proceed against Roscoe (Fatty) Arbuckle tomorrow in police court on the murder charge preferred against him, or to ask for dismissal of this charge in view of the grand jury indictment against Arbuckle for manslaughter.

The decision will be made tomorrow morning, Brady said. His statement was made after a conference with his deputies and with Chief of Police O'Brien and Captain of Detectives Matheson.

The body of Miss Virginia Rappe was not removed from San Francisco to Los Angeles tonight, contrary to an announcement made by District Attorney Brady, but will be taken to the southern city tomorrow. The undertaking establishment in charge announced today that arrangements could not be completed in time to ship the body before tomorrow.

The Liquor Phase.

The developments in the case today were:

Robert H. McCormick, assistant United States attorney-general in charge of liquor prohibition prosecution, announced that he would conduct a sweeping investigation of the liquor phases of the Arbuckle case, even if such investigation reached in to the moving picture colony at Los Angeles. Arbuckle is accused of having had a quantity of liquor at the party in which he is charged with having inflicted fatal injuries to Miss Rappe.

Arbuckle's appearance in court was set for Saturday, when he will be arraigned and may plead on the charge if he does not waive his right to a continuance.

A certified check covering Arbuckle's cash bail was deposited with the bond and warrant clerk, but it was announced that he could not be admitted to bail until the murder charges had been disposed of.

Tomorrow Arbuckle is scheduled to appear before Police Judge Lazarus for a further hearing on the murder charge preferred by Mrs. Bambina Maude Delmont, one of those present at Arbuckle's party.

Officials of Judge Lauderback's court believe it will be two or three weeks before Arbuckle is brought to trial.

Journalistic Enterprise

The Aroostook Daily Times of Houlton came out on Wednesday with a full account of the great pacing race at the Woodstock exhibition on that day, and had the paper on sale in Woodstock before seven o'clock in the evening. The result of the race was featured on the first page, under poster type headlines.

Driver of St. John Car Did Not Fare as Well as That of Woodstock Car.

In the booze-running case in which two cars were seized also twenty cases of Black and White Scotch and four men arrested, the driver of the St. John car named Morrell, did not fare as well as did the driver of the Woodstock car who was discharged being given the benefit of what doubt existed. Morrell was convicted and sentenced by Magistrate Limerick to thirty days in jail for driving a motor-car while under the influence of liquor and also is to pay costs.

J. J. F. Winslow who appeared as counsel at once gave notice of appeal and Morrell was released on bail in one thousand dollars two sureties being required.

The other charges arising out of the seizure will be heard later.

FARMERS MAY NAME A MAN

Newcastle, Sept. 15—The farmers of Northumberland County met in the Labor Hall here this evening and were addressed by Gordon Sharpe of Woodstock, provincial secretary of the United Farmers of New Brunswick. He defined the principles and platform of the Farmer movement, emphasizing the necessity of substituting co-operation for competition. He urged co-operation so far as possible with the Labor party. Under his direction a local was formed. The question of bringing out a man for the coming federal election was then discussed. It was decided to call a meeting of the executive board to confer with representatives of the Labor party for the purpose of making final decision and, also, to ascertain whether, in the event of the Farmers bringing out a man, the Labor party for the purpose of making final decision, and also, to ascertain whether, in the event of the Farmers bringing out a man, the Labor party would support him and unite with the Farmers in electing him. In event of a satisfactory decision, a convention will be held here to nominate a candidate.

ARBUCKLE IS DROPPED BY CLUB

Los Angeles, Sept. 16—Roscoe Arbuckle was dropped from the membership roll of the Los Angeles Athletic Club here last night. Pers. William M. Garland said: "It was the unanimous belief of the directors that such a step should be taken."

The L. A. A. C. is the largest club in the city.

DR. M. CLARKS DEFECTION FROM PROGRESSIVE RANKS CREATES STIR AT OTTAWA

Red Deer Orator Will Now Get Tardy Justice From the Tory Press—No Statement as to His Future Intentions—Col. F. B. Black of Sackville Now the Favorite in the Senatorial Race.

Ottawa, Sept. 15—Dr. Michael Clark's defection from the Farmer's party which he himself named the "National Progressive Party," will no doubt be quoted on nearly every Tory platform during the coming campaign by those whom Dr. Clark has always opposed politically because he believed them also to be representatives of classes and interests. He will get tardy justice for his eloquence, his political wisdom and his independent character. Surmises as to whether he will stand again for election in Red Deer must await the event.

There is no report from Liberal headquarters as to whether a decision has been come to as to which constituency the Hon. W. L. Mackenzie King will choose, North York or Prince (P.E.I.)

His view of the Farmers' movement judged by his public speeches, has been different from that of Dr. Clark. He has said repeatedly that Liberals and Farmers are seeking the same things that they have similar platforms, and that they were natural co-operators. With this view, he refused to stand in Glengarry when a deputation asked him to do so in 1919 after he was chosen by a national Liberal convention.

COL. BLACK FOR THE SENATE

The talk is still that the Hon. R. W. Wignmore will retire and be replaced by Hon. J. B. M. Baxter, but it is now believed that Col. F. B. Black, of Sackville, may get the senatorship and Hon. Mr. Wignmore become collector of customs in St. John. That is a civil service appointment, however.

The first step in the preparation for the campaign has been made. The appointments to Alberta judgeships are well received by Alberta lawyers in Ottawa. Chief Justice Scott, though seventy-seven years of age, has received a long-merited recognition and Justice A. H. Clarke is an old Liberal who was at one time mentioned as a possible successor to Sir Wilfrid Laurier in the political field. He was the federal member from Essex for years before going west.

WILD CHASE AFTER BOOZE AUTOMOBILE

Newport, Vt., Sept. 16—A bold attempt by liquor smugglers from Canada to evade the Customs officials at Derby Line on the international border finally resulted in the apprehension of Hyman D. Cotton and Norman Robinovitz.

They drove a big car through the streets of Derby Centre at a speed that sometimes approximated seventy miles an hour. Shots were fired by Deputy Collector H. G. Locklin and lodged in a rear tire of the fleeing machine, but failed to check its break-neck speed. It was only after the car, containing 125 imperial quarts of Dawson Scotch whiskey and twenty quarts of Canadian Club, had burnt out its bearings that it came to a halt.

During the wild chase through the usually quiet little village sixteen quarts of the intoxicating beverages were broken. The deputy collector in charge of customs at Derby Line, H. A. Rice, took the men into custody, and Deputy Marshal Roy Skinner brought them to Newport, where they were placed in the Orleans county jail, awaiting a hearing before United States Commissioner Walter H. Cleary.

C. P. R. HEAD NOW VISITING EASTERN B. C.

(Special to The Mail.)

Nelson, B. C., Sept. 16—A busy programme of inspection with little time for interviews has thus far featured President E. W. Beatty's tour through Eastern British Columbia in the course of his tour over the Western lines of the Canadian Pacific Railway.

Coming from the East Kootenay where with vice-president D. C. Coleman and his party of Canadian Pacific directors, he inspected the Sullivan mine at Kimberley, the greatest zinc mine of the continent with the capacity to become the greatest in the world. He arrived at Nelson at midnight, and spent the night here. At nine o'clock this morning the president's special pulled out for Trail where the executive head of the Canadian Pacific will spend the day going over the great aggregation of Smelter Plants and refining plants that comprise the Trail Smelter owned by the Consolidated Mining and Smelting Co. of Canada, an associated company. Enroute to Trail the president's special is stopping at Bonington Falls 12 miles below Nelson to inspect the power plant of the West Kootenay Power and Light Co. which drives the wheels of industry in the mountains and which is a subsidiary of the consolidated company.

SISTER COMES TO HIS SUPPORT

Los Angeles, Calif., Sept. 15—Roscoe "Fatty" Arbuckle's only sister Mrs. Nora Arbuckle St. John, mother of Al St. John, also a motion picture actor, today told newspaper reporters that her brother had "taken care of himself since he was 14 years old and never asked help of his relatives, but since he made his fortune, he had always been generous to his own people."

INVERNESS CONFERENCE WITH SINN FEINERS IS CANCELLED BY PREMIER

BERT LINT HAD BAD SPILL AT ST. STEPHEN

Was Driving Moy the Great—Roy Volo Won Free-for-All Dropping one Heat.

St. Stephen, Sept. 15—Another record crowd attended the St. Stephen exhibition today and was favored with good weather, though in the afternoon a slight shower passed over but did not drive the ball teams from the diamond or the spectators under cover. The shower made the trotting track slippery for the last few heats and a little heavy. The racing was of a pleasing nature with split heats in all three and every heat a real race.

In the 2.30 trot and pace the first heat was won by Moy the Great, which had started in second place. Future Queen started third and finished second; Roua F. started in sixth position and finished third and then won the next three heats. A bad spill occurred in the fourth heat of this race. Roqua, Moy the Great and Future Queen were going to the quarter pole all bunched and all going fast Bert Lint driving Moy the Great. Suddenly Moy appeared to shoot upward, turn a complete somersault and fall heavily, Mr. Lint being thrown over the horse's head and alighting on his back. Future Queen, with Fred Southard driving, was very close behind and went into the mix up, falling heavily with Mr. Southard stretched on the ground close to his fallen horse. Mr. Lint was seen to move but there was no sign of life from either horse or the other man and from the grandstand it looked like a tragedy. Roqua was just far enough ahead to be clear of the mess. Spectators rushed across the lot and when things had been cleared up it was found that neither horse was injured greatly and that Mr. Southard was practically uninjured. Mr. Lint was badly injured in the left knee and is as yet unable to use that limb.

The racing in the free-for-all was between Roy Volo and Royal McKinney and the heats were all so well contested that each of the horses and their popular drivers came in for an equal amount of grandstand applause. The first heat was captured by the big grey but the others went to the sturdy little chestnut. Never a mistake was made by either at any stage of the fight but each appeared to have done his level best fighting each heat from wire to wire with never much daylight between them. Colonel Marque and Hanks Bellini started but were never features in the racing after the first half of the first heat.

WARNING WAS DISREGARDED

Made the Cancellation in a Letter to Eamonn De Valera Will Consult With Colleagues as to Course of Action the New Situation Necessitates.

London, Sept. 15—Prime Minister Lloyd George tonight cancelled the arrangements for a conference of the Sinn Fein delegates with himself and members of his cabinet at Inverness on September 20.

Mr. Lloyd George cancelled the conference in his reply to the communication of Eamonn De Valera, made public today. The Prime Minister said he must now consult with his colleagues on the course of action the new situation necessitates.

Mr. Lloyd George told the Sinn Fein leaders that he would communicate the result of such consultation as soon as possible, but that he must make it absolutely clear that the British government could not reconsider its position as stated by him.

Text of Reply.

The text of Mr. Lloyd George's reply which was telegraphed tonight, says: "I informed your emissaries who came to me here on Tuesday that reiteration of your claim to negotiate with His Majesty's Government as the representative of an independent and sovereign state would make a conference between us impossible.

"They brought me a letter from you in which you specifically reaffirm that claim, stating that your nation 'has formally declared its independence and recognizes itself as a sovereign state,' and it is only, you added, 'as representatives of that state, and as its chosen guardians, that we have any authority or powers to act on behalf of our people.'

"I asked them to warn you of the very serious effect of such a paragraph and offered to regard the letter as not delivered to me in order that you might have time to reconsider it. Despite this intimation you have now published the letter in its original form. I must accordingly cancel the arrangements for the conference next week at Inverness and must consult my colleagues on the course of action this new situation necessitates. I will communicate this to you as soon as possible, but as I am for the moment laid up there a few days' delay is inevitable. Meanwhile, I must make it absolutely clear that His Majesty's government cannot reconsider its position, which I have stated to you.

Cannot Recognize Republic.

"If we accepted a conference with your delegates on the formal statement of the claim which you have reaffirmed it would constitute an official recognition by His Majesty's Government of the severance of Ireland from the Empire and of its existence as an independent republic.

"It would, moreover, entitle you to declare as a right acknowledged by us, that in preference to association with the British Empire you would pursue closer association by a treaty with some other foreign power. There is only one answer possible to such a claim as that.

"The great concessions which His Majesty's government made to the feeling of your people in order to secure a lasting settlement deserved, in my opinion, some more generous response, but so far every advance has been made by us.

"On your part you have not come to meet us by a single step, but have merely reiterated in phrases of emphatic challenge the letter and the spirit of your original claim.

"I am yours faithfully,

"LLOYD GEORGE."

Took Back His Ford.
