**JAMES K. NEWBRO MADE
NEW MARK OF 2.13 3-4**

Great Racing at Chatham Yesterday--Spooney Boy Won Free-for-all After Struggle With Jennie W.--Newbro Won 2.19 and Dan Paine 2.30 in Straight Heats

Chatham, N.B., Sept. 25--Some of the best horse racing seen here in years was witnessed on the Chatham track this afternoon, when between 2,500 and 3,000 people saw James K. Newbro, who the day before reduced his mark from 2.18½ to 2.14½, bring his time down to 2.13¾ in two successive heats.

The free-for-all was a great struggle between Spooney Boy and Jennie W. five heats being necessary to decide the winner and one being a dead heat between them. The best time in this event was 2.14.

Dan Paine took the 2.30 in straight heats, Tommy Cotter pushing him to 2.20½ in the third one.

H. H. Lee of Augusta, Me., made an excellent starter and got the horses away with little scoring. In the free-for-all the pools favored Jennie W. the fast Quebec mare, but there was some heavy plunging on Spooney Boy and his backers raked in big profits when he eventually won out. In fact Jennie W.'s work was not up to her owner's expectations and he took the sulky himself after the second heat but could not head off the big brown fellow.

PLAYERS OF LOCAL TEAM MADE GOOD SHOWING

Joe Page has prepared the official averages of the N. B.--Maine Baseball League. Fredericton players are shown to be well up in the averages.

In the pitching department eighteen men made the thousand mark. Les of St. Croix, struck out 118 opponents and Joe Tarbell fanned 115. Charles struck out eighty in his less lengthy career in the league.

Of the catchers, Bien is easily the leader with an average of .990. He made only four errors. Gross of St. Croix, is second with .975.

Jack Watt leads the first basemen with .980, but Shanvey of St. John, is the real leader with .961. Com-naughton of Bangor, has the best

record at second, with .926. Callahan and Pinkerton follow in the order named. R. Conley of Fredericton with .903 and Charlie O'Brien of St. John, with .902 lead the third basemen.

Waterhouse, after all, proved the best shortstop in the league. He made a poor start but came along much better at the close. He finished with an average of .885.

Of the outfielders fourteen are in the 1,000 class, including Reed, Spilen and Hughes. Of the men who played there practically all season, Dolan of Bangor, leads with .963; Riley of St. John, is second with .961, and Dugan of Fredericton, third with .960. Ganley follows with .958.

::: SPORTS OF ALL KINDS :::

Max Careo of the Pirates, is both the leading run-getter and base-stealer in the National League.

Each of the eight clubs in the Nebraska State League played the full number of scheduled games this season.

Hess of the Braves, and Yingling of the Superbas, are the only pitchers in major league company batting for .300 or better.

For the second time in succession, Joe Hillman has piloted his Oshkosh team to championship honors in the Wisconsin-Illinois League.

In the thirty-seven innings that Walter Johnson has pitched against the New York Highlanders this season, the Highlanders have made only

one run.

Speaking of presenting an automobile to the most valuable player to his team in the National League, why not take a slant at the work of one Jacob Daubert of Brooklyn?

Mike Balenti, the Indian shortstop of the St. Louis Browns, and former Carlisle player, was once the property of the Athletics, but was never tried out by Connie Mack.

Without a batsman, run-getter or a base-stealer anywhere near the honor list, the White Sox have put up a grand battle for a place in the first division of the American League pennant race.

The Holy Cross players are working at the tackling dummy this fall for the first time in five years.

U.N.B. PRACTISE.

"Hump" Campbell is giving the U.N.B. squad progressive training. Yesterday there was a very light workout. The backs had some practise in continuous wing play, cross-kicking and other well known plays. Coach Campbell announced that first and second teams would be chosen and would play two twenty minute periods against one another Saturday.

DEVILISH DOROTHY MADE NEW RECORD AT CHARLOTTETOWN

Charlottetown, P.E.I., Sept. 25--Fully 10,000 people witnessed the exhibition races today, weather and track being ideal. The racing was more exciting than yesterday, the 2.19 class furnishing thrills every heat. Devilish Dorothy, Dr. J. T. Jenkins' fast mare, which just came home laden with laurels won at Halifax and Fredericton, took first money, winning three heats out of four.

The contest was between all Island horses, Ozen D of Amherst, being drawn. Dorothy did the fastest mile ever trotted on the track, in 2.18½, the record being 2.17, being made by a pacer.

In the stallion races there were eleven entries but only four starters. Baron Cecil won three out of four heats by good margins, lowering his record of 2.24½ by three seconds. The battle was between King Brazil-

E. F. Ver Wiebe, Harvard's great 1908 half-back, is on the official list for games in the west. He is in Minneapolis.

Tris Speaker has the best all-round record of any player in either the American or National League. The Red Sox star stands third in batting third in base-stealing and seventh among the run-getters.

Tuesday, Sept. 30, has been named as "Tyler Day" at the Boston National League park. A delegation of fans from Deery, N.H., Tyler's home town, will be on hand to give the Braves' star southpaw a rousing welcome.

FIRST GAME AT NEW YORK ON OCTOBER 7

Details of World's Series Between Giants and Athletics Arranged Yesterday--Rules are Unchanged

Philadelphia, Sept. 25--In New York on October 7 will be staged the opening battle for the championship of the world between the Philadelphia Athletics and the New York Giants, providing the latter do not upset the baseball universe and fail to win the National League pennant.

It will be the third consecutive year that the first game of the big series has been played in New York. Two years ago the Giants won the opening contest from the Athletics, and last year the Boston Red Sox took the first game.

The flip of a coin decided the place and the date, Harry N. Hempstead, president of the New York Club, making the right guess as Garry Herrmann, chairman of the National Commission, tossed up a half dollar. The commission, which came here today solely for the purpose of arranging the details for the series, met in open session to plan for the game.

After the New York Club had chosen the time and place, President Lynch of the National League, named William Klem and Charles Rugler as the umpires on the part of his organization and President Johnson named Thomas H. Connolly and John J. Egan to represent the American League.

LITTLE CHANGE IN RULES.

The rules for playing the game are the same as heretofore, except that in case of a legal tie game, the teams will not remain in the city where the tie occurred to play off but will adhere to the schedule of alternating each day between the two cities. In case of postponements the teams will remain in the city until it is played.

The National Commission will not have charge of the distribution of tickets, it being left to the respective clubs as to the method they will pursue in selling them.

President Hempstead, Secretary Foster and the officials of the New York Club were elated over their luck in getting the opening game.

Benjamin F. Shibe, president of the Athletics, much as he wanted the first game played in Philadelphia, did not appear dismayed.

"I suppose history is going to repeat itself," he said. "We lost the toss two years ago, we also lost the opening game, but we walked off with the championship."

The members of the National Commission had nothing to add today to their announcement in Cincinnati on Wednesday night that ball players participating in inter-league series will be discouraged from writing base ball articles for the newspapers. Attention was called to the fact that certain members of the New York and Philadelphia teams had already signed contracts to write such articles but the commissioners said they were not concerned about that.

ian and Happy George; Crescen went lame and was drawn in the third heat.

The 2.37 trot will be finished tomorrow morning. Car Ferry and Oakley H. each won two heats but the former's driver seeing his horse tiring, took advantage of the rules allowing a postponement after a certain hour and decided to give him a rest. This was a fast and exciting race, Oakley H. breaking in his record in the third heat. There were twelve entries and six starters.
