

Songs of the Balkans.
The part played by Balkan song in keeping fresh the hatred of the Christians against the Turks in the peninsula has been very great. Popular poetry in the Balkans has ended by creating one unique hero, Marka Kraljevitich. He is a great warrior, combining in his own person the most notable qualities of William Tell, the Cid, Don Quixote and Pantagruel. He is continually deceiving the Turk by all manner of disreputable stratagems and always justifies the means by success. Marka is a great feudal lord, and he spends his time in challenging Turks to single combat. Hero-like, his successes are prodigious.

STRENGTHENS THE THROAT ASSISTS PUBLIC SPEAKERS

Catarrhazone is the Greatest Invention of the Age for Weak Throat, Hoarseness &c

Because of its strengthening influence upon the vocal cords, Catarrhazone cannot be too highly recommended as a wonderful voice improver. It almost instantly removes huskiness or hoarseness, thus insuring clearness and brilliancy of tone. The most eminent speakers and prima donnas are seldom without Catarrhazone, and credit in no small degree their uniform strength and brilliancy of tone to its influence.

"For many years I have been a sufferer from that terrible disease known as CATARRH.

"Being a professional singer, you can readily understand that Catarrh would be a serious hindrance to my professional skill.

"One year ago I read in the 'Progress' a convincing testimonial from one who had been cured of this disease through using your God-sent invention, Catarrhazone.

"Believing in the merit of Catarrhazone, I tried it.

"Catarrhazone cured me, and has been the means of my success.

"You are at liberty to use my name if it will help relieve some from suffering, and I will always remain, 'BOB BIXLEY, New Glasgow, N. S.'"

Mr. Bixley is one of the best known singers and entertainers in the Maritime Provinces. Everyone knows him, and his testimonial for Catarrhazone is the best sort of evidence of what great benefit Catarrhazone is to those suffering from throat weakness or catarrh.

Two months' treatment (large size) \$1.00; smaller size, 50c; sample size 25c, at all storekeepers and druggists, or The Catarrhazone Co., Buffalo, N. Y., and Kingston, Ont.

William Valandingham Hieronymus, a right-handed pitcher from Clinton county, Ohio, has been signed by the Cubs. If Bill leaves at least seven-eighths of his name in Clinton county he will still have plenty of moniker for a debut in fast society.

Charlie Miller, the California "hope," has arrived in the East looking for bouts.

It looks as though the next important heavyweight bout will be a battle between Frank Moran of Pittsburgh, and "Gunboat" Smith.

FALL EXCURSIONS TO MONTREAL

Montreal is always a city of interest and especially so in early autumn when the weather is enjoyable, the many stores crowded with seasonal novelties and the places of amusement in full swing. A visit there at this time of year cannot be otherwise than enjoyable and with the very low fares prevailing on the Intercolonial railway, in connection with the annual fall excursions. The round trip can be made more cheaply than at any other time. On September 11, 12 and 13th, the round trip fare from Fredericton will be \$13.27, tickets good for return September 29th. On September 25, 26 and 27th the same rates will prevail with the return limit October 13th. Travellers from the Maritime Provinces have the choice of two of the finest trains on the continent, the Ocean Limited and the Maritime Express, both renowned for the excellence of their sleeping and dining service.—21.
