

# THE LIFE OF A MARTYR

Was In Agony For Years And Nothing Gave Him Relief Until He Used "Fruit-a-tives"  
The Famous Medicine Made From Fruit.

ALFRED FERRIS, ESQ.

PENETANGUISHENE, ONT., March 4th, 1913

"I want to inform you of what your remedy 'Fruit-a-tives' did for me. For years, I was a martyr to Dyspepsia and Constipation, often having to leave work from the agonizing pains of Acute Indigestion. Doctors treated me continually, but without satisfactory results. It seemed to me that I tried every advertised medicine on the market, and got no relief.

"On one of the days that I was compelled to absent myself from work, a neighbor came to my house to whom I told of my suffering, and he said to me that all I had to do, if I had Dyspepsia, was to take 'Fruit-a-tives'. They would cure me. He had cured himself. I immediately procured a 50c box and continued taking them until cured. I suppose I took in all, about eleven boxes and I am glad to be able to say that I have been free of Indigestion for nearly two years. They cured the Constipation also. They were worth their weight in gold to me and I will be glad to have you publish this letter, along with my photo, if it will induce another dyspeptic to take the right road to a permanent cure."

Yours truly, ALFRED FERRIS.  
Don't suffer any longer. To-day—right now—get "Fruit-a-tives" and cure yourself. "Fruit-a-tives" will sweeten the stomach—strengthen the stomach muscles, increase the quantity of digestive juices, regulate Kidneys and Bowels, and make the digestion as sound as a bell. "Fruit-a-tives" will positively cure every case of Dyspepsia, Indigestion, Sour Stomach, Belching Gas, Bloating, Feeling after eating, and all other disorders of the Stomach, Liver and Bowels. 50c. a box, 6 for \$2.50, trial size, 25c. In choosing and using a soap for your "Little Fairy" you will find no soap so mild, so neutral, so agreeable to tender skins as FAIRY SOAP.

Being made from products that you could eat, FAIRY SOAP agrees with even the tender skin of a babe.

**FAIRY SOAP**

is white—pure—floating. It comes in a handy oval cake. We could charge you five times the price asked for FAIRY SOAP and we could add nothing to its quality.

In higher-priced soaps you are paying for high-priced perfume and fancy wrappers—not better soap.

"Have you a little 'Fairy' in your home?"

Hon. George E. Foster, on his return from Japan, where he did nothing but enjoy a splendid trip at the country's expense, gave out some interesting interviews. Hon. Mr. Foster, as minister of trade and commerce, stated that many of the people in Japan were so poor that they could not afford to eat even the rice they grew. Therefore, said Hon. Mr. Foster, minister of trade and commerce, there should be a great opening for Canadian wheat and flour in Japan, to supply food for these people who could not afford to eat their own rice. The cares of office as Canada's general traveling agent must be playing strange tricks with Hon. Mr. Foster's once logical brain.

A tug boat with a light draft went aground in the river this week. The dredge Tantawanta or ten-to-one as she is called, should be given another chance.

The latest Tory excuse for the government extravagance in connection with the Fredericton bridge job is that it is a scheme hatched by Chief Commissioner Morrissey to make Liberal votes.
