## COL. ANDERSON NOMINATED

Moncton, Oct. 27.—Colonel S. Boyd Anderson was unanimously chosen the candidate of the Liberal-Conservative party in Westmorland this afternoon.

### OBEYED THE LABEL.

"What did the critics say about Daubers new picture entitled 'Pan'?" "They panned it."

### TOM ON PROBATION.

Ethel—Gladys has agreed to accept Tom on six months probation. Clara—I see; a sort of limited engagement.

### AFTER VACATION.

And to my humble notion. A bathtub seems a trifle small After using the ocean.

### MISLEADING.

"That man they call doctor is a scientific lecturer not a medical man." "Yes," rejoined Miss Cayenne. "He's one of the kind of doctors who give you brain fog and then don't know how to prescribe for it."

A New York woman has won a divorce because her husband told her before marriage that he was fifty two when as a matter of fact he was sixty seven. The law thus decides that woman's right to hide her age is not shared by man. Where is this sex equality?

### A CHANGE.

"The line is busy," repeated the operator.

"I called again," replied Mr. Growcher because I like to hear you say it. It's a relief to hear something besides this talk of unemployment.

## INDIGESTION, GAS, OR BAD STOMACH TAKE DIAPEPSIN

"Pape's Diapepsin" has proven itself the surest relief for Indigestion, Gases, Flatulence, Heartburn, Sourness, Fermentation or Stomach Distress caused by acidity. A few tablets give almost immediate stomach relief and shortly the stomach is corrected so you can eat favorite foods without fear. Large case costs only few cents at drug store. Millions helped annually.

### CANDID PARENT.

"Is your boy Josh now a wage earner?"

"I won't say exactly that," replied Farmer Cornstossel. "He draws wages, but taint my opinion that he earns em."

"Our sympathy is with a man" says the Platte County Landmark right out like that, "who starts out with his wife in a motor car gets nine miles in the country runs into a rain storm, and then has to admit he forgot to put the windows down."

The Globe says a certain Atchison woman's house is so ill kept that people suspect her of having the "artistic temperament."

## THE INFLUENCE OF ADVERTISING ON THE PUBLIC MIND

HOW MANY PEOPLE know the names of the highest mountain peaks in the world?

FOR INSTANCE, "Kinchinjinga" is the name of one of the highest mountains in the world. It is 28,156 feet high.

PIKE'S PEAK is only 14,108 feet high—but it gets credit for being higher because it is advertised. ADVERTISING will bring many unknown things into prominence during the coming years.

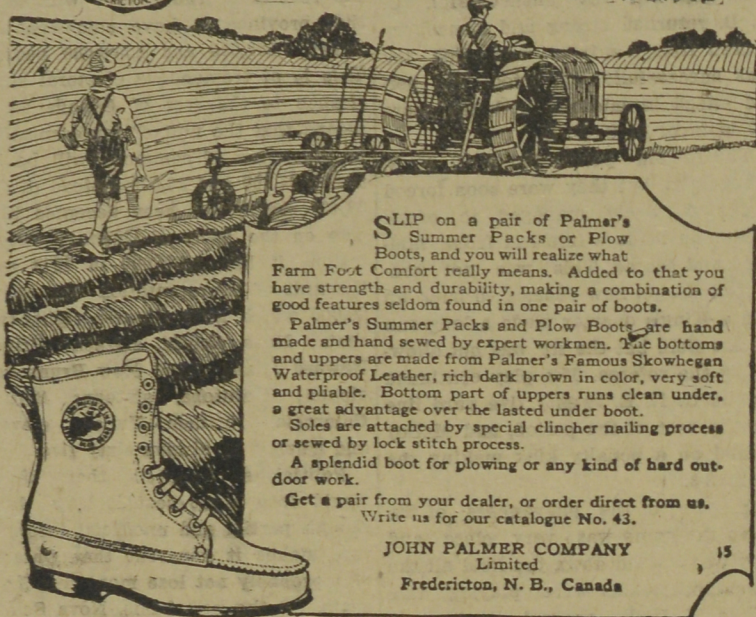

NOW IS THE TIME, when so many articles and commodities of trade are flooding already overstocked markets, for the man with goods to sell to let the people know all about it.

THE BEST WAY to let the people know is to advertise in the newspapers.

YOU HAVE SEEN THIS in the Daily Mail—let the public know what you have to sell through the advertising resources of this newspaper.
