SAD NEWS FROM MEDICINE HAT CABLED TO PREMIER

(Continued From Page Two.)

an attack of dog days. The few ministers who are in the capital are having a hard time carrying on the business of the country and practically nothing is being done in the way of cabinet decisions. The Premier and majority of the Cabinet ministers are absent and there will hardly be much done until Mr. Meighen gets back.

Some Political Rumors.

There is not any serious talk of by-election writs before then, and though the usual rumors of cabinet reorganization in the fall are floating about, such a step is hardly likely to be taken before the government has decided that it is time to take the

bull by the horns and go to the country. The Medicine Hat result has shown the government that there is not a safe seat for it in the west. The west will probably demand new representation in the cabinet, when any shuffle takes place, and it is more than doubtful, in the minds of government advisers, if there could be found any safe seats in which to spring by-elections there.

R. B. Bennett of Calgary and Bob Rogers are both being talked of as cabinet possibilities. This would mean a straight return to the old Tory party lines—which have never really been departed from—and a short drift for the alleged Liberals who remain in

the government benches while they can. Since Hon. Bob is reported to retain a strong grip on the party purse, strenuous efforts are being made to effect a reconciliation between him and Mr. Meighen, and in view of the fact that the party purse will be most important in the next campaign that reconciliation will probably take place in due time.

A Warm Welcome.

The warmth with which Hon. R. L. MacKenzie King was received in the Eastern Townships during his recent brief tour, has fittingly answered many of the veiled charges of his political opponents who, failing to find any other substantial ground on which to attack the Liberal leader, had sought to charge that he was not being given the support of the Liberal members or their constituents. A glance at the Liberal record during recent sessions of Parliament was sufficient to demonstrate that Mr. King was being heartily supported in the House and the enthusiastic receptions accorded him in all parts of the Dominion where he has been able to address meetings have shown that the people of Canada are looking upon him as their coming Premier.

In his speeches at Brims and Bedford, in Quebec, Mr. King pointed out again that except Russia, Canada was the only country which has been denied the right of a general election following the war, and while this country stood well in her efforts to re-establish herself after participation in the recent struggle, that was due in no small measure to the good sense and level-headedness of the people themselves, who had "tired" tendencies only in the minds of Hon. Arthur Meighen and a few of his followers, and who had received little assistance and no encouragement from the government party.

Toward the end of this month, Mr. King will make a tour of several western Ontario points from where

ECZEMA! Defied Doctors & Specialists

"For three years doctors treated me for a terrible attack of eczema," writes Madame Alphonse Lariviere, 871, Rodman St., Fall River, Mass. "Each in turn gave up the case as incurable. I then went to a specialist who charged \$30 but did me absolutely no good."

"Though one could hardly have been more discouraged at the time when I heard about Zam-Buk, I decided to try it. I applied dressings of the balm regularly and for bathing purposes used only Zam-Buk Medicinal Soap. Very soon there was such decided improvement that I was encouraged to continue. The combined use of Zam-Buk and Zam-Buk Soap soothed and thoroughly purified my skin of disease." Zam-Buk's SKIN-SOOTHING ESSENCES penetrate to the root of eczema, ulcers, ringworm, poisoned sores, etc. Zam-Buk not only clears away unsightly surface eruptions like pimples, blotches and rashes—it literally uproots eczema and other obstinate skin disease from the underlying tissues.

The first dressing of Zam-Buk soothes and cools the skin and ends irritation. Then when it has antiseptically purified the diseased parts, Zam-Buk promotes a new growth of clear healthy skin. All dealers 50c. box.

there has been a demand by the people that they be given an opportunity of hearing his views on the pressing questions of the day. Throughout his speeches, Mr. King has pointed out that it is the right of the people to say who shall govern them, and that through the machinations and usurpations of the present administration the people are being denied that right, though recent by-elections have clearly demonstrated that the Meighen government is not wanted in any section of the country.

The dates and places of Mr. King's speeches in Ontario this month are: Wednesday, July 27th, North York, (probably Aurora.)

Thursday, July 28th, Brampton, Peel County.

Friday, July 29th, Tillsonburg, S. Oxford.

Monday, Aug. 1st, Picton.

THE HEALTHY MAN HAS THE BEST CHANCE

Is Always Full of Life and Energy—Failures Are Weak and Bloodless.

Some men seem to have all the luck. If there are any good things going these men seem to get them. If they are business men they are successful; if they are workmen they get the foreman's job. They have the power of influencing people.

The same is true of women. Some have the charm that makes men seek them out, others are neglected. But this is not luck. It is due to a personal gift—vitality. Men and women of this sort are never weak, puny invalids. They may not be big, but they are full of life and energy. The whole thing is a matter of good blood, good nerves and good health. Everyone would wish to be like this and the qualities that make for vitality and energy are purely a matter of health. By building up the blood and nerves, sleeplessness, want of energy, weakness of the back, headaches and the ineffectual sort of presence which really comes from weakness can be got rid of. Dr. Williams' Pink Pills have made many weak, tired men, virgins, and many pale dejected girls and women, rosy and attractive, by improving their blood and toning up their nerves. If you are weak, low-spirited or unhealthy try Dr. Williams' Pink Pills and note their beneficial effect.

You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
