Darkness earlier than usual with rain threatening made the games Thursday evening in the York County Baseball League shorter than usual. In seven innings at Marysville the home team won from Y. M. C. A. 5 to 3. It was a good game with the Y losing largely through Garvie's wildness in the opening inning when he filled the bases on passes. Kierstead finished the game. The result gave Y. M. C. A. a setback and Marysville a stronger grip on the league leadership.

At the College Field the Devon team was beaten 4 to 2 by Imperials in six innings. An effort was made by Umpire-in-Chief Malloy to have the game go longer but darkness forced him to call it in the seventh. Devon lost the services of Jack Doak their latest pitching acquisition who was with Marysville last season and with the Commercial of St. John this year. A drive from Bonnell's bat in the fifth inning glanced from his glove and broke his nose. The injury was very painful. Doak had been pitching good ball up to that time with the score tied. Jack Bolster finished the game.

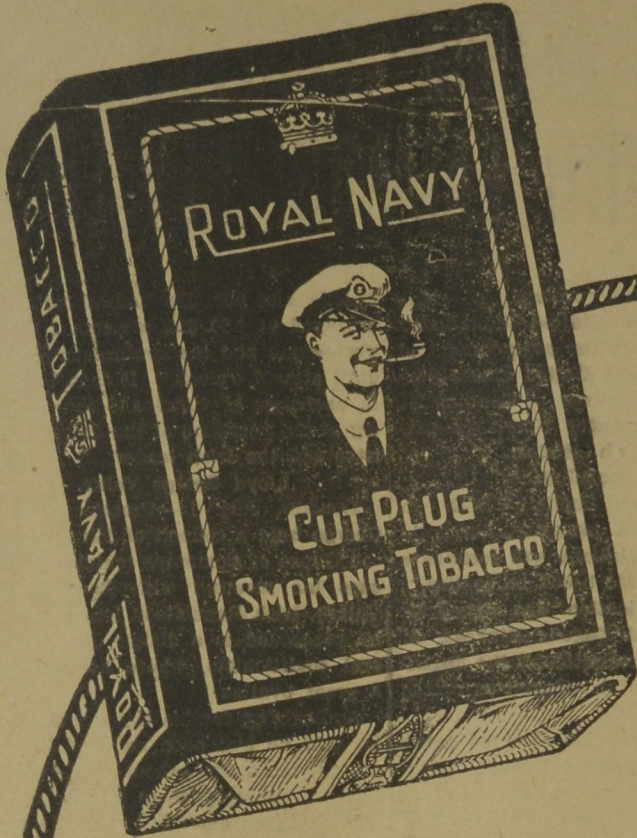

TOO MANY DEVON ERRORS

Each Team Had Two Pitchers—
Scott Made First Appearance
For Imperials.

The Imperials started Scott in the box. This young pitcher was making his first appearance in the league. After two innings he was taken out and Don Finnemore finished out the game. Neither team was hitting but all the Devon hits were made off Scott who also was wild filling the

bases in the first. Not one of the four runs was batted in, errors or passed balls accounting for them all. One of the Devon runs was the result of hitting. Doak gave the Imps all their hits. Bolster finished the game pitching great ball. Devon started out like winners. Ken Staples hit a two-bagger. Scott tangled himself up in a drive from H. Keene's bat. When Chappell let the ball get away from him Keene went to third. Staples previously had been caught stealing third. With two out K. McDonald drove out one of the hits of the game H. Keene scored. Scott then passed three men in a row and filled the bases. It was up to Doak to put the game away but he hit an easy one to the pitcher. Devon never got a chance after that except in the seventh but as the game had to be called the run did not count.

Fraser was passed by Doak and by the best base-running of the game made third on Lounsbury's sacrifice. A passed ball scored him but he would have been batted in anyway as Hall hit for two bases. Bonnell singled but Hall was caught at the plate. In the second the Imps tied the game up Allan Johnson hitting and scoring on an error by the pitcher. Fraser who got on by the same error died on bases. The game remained tied and closely played until the fifth. With two down Bonnell drove a sizzler at Doak. The latter speared it with his gloved hand but the ball slipped through and struck him a terrible blow in the face. He was out of the game at once and the batter was safe. Bonnell went to second on an error by Staples. He played off and the Devon infield made an attempt to get him between bases which would have been successful save for an unlucky stab at the ball by McDonald. Another passed ball scored him. In the sixth Allen Johnson scored again. O. Keene dropped the fly in right field and an error by Rice who went to second base when the Devon team shifted, sent him to third. Yeomans who had difficulty holding the ball let the runner come in on a passed ball. The Imperial rooters did not take

BABY CLIMBED TO HIS DEATH

London, July 14—How an eighteen months old baby with a remarkable fondness and ability for climbing met its death was told at an inquest held at Westminster.

The child, the son of a chauffeur named McDonald, living at Ryalmews, Belgrave square, carried, a chair to a gate, 4 ft. 6 in. high on the first floor over the garage and while up and fell into the yard below.

TYPEWRITING CHALLENGE HAS BEEN ISSUED

(By Dominion News Service.)

London, July 14—Miss Millicent Woodward, holder of the European type-writing championship, was recently beaten in a sixty minutes' test by Mr. R. G. Curtis. The contest which was for \$250 a side, was carried out at the Manchester Efficiency Exhibition.

The test consisted of sixty minutes copying from printed matter, previously unseen, and ten words were deducted for every error. Mr. Curtis won by a margin of 18 words a minute at an average speed of 80.1 words

a minute after deductions for errors. After the contest, which was watched by about 8,000 people, Miss Woodward challenged Mr. Curtis to a contest in London three months hence for \$500 a side, and the challenge was accepted.

Our Travelling Salesmen Enjoy Selling Red Rose Orange Pekoe Tea

Travelling salesmen work very hard as a rule. They put in long hours, and the pleasure of travelling is not so great as to those of us who mostly live at home.

Naturally, therefore, these men must get a great deal of their pleasure and satisfaction from their work—they like to sell the finest of products and represent a good "house".

Our travelling salesmen are exceedingly critical of the products which they are asked to sell, and when we told them last January that we wanted them to sell a new tea of extra quality—much finer than has usually been sold in Canada—they were keenly interested, put the new tea to many tests amongst their friends, and gave it a lot of time and thought.

Having convinced themselves of the extra fine quality of Red Rose Orange Pekoe Tea, they started on their trips full of enthusiasm.

Their satisfaction, however, has been much greater on their later trips, because of the splendid renewal orders which are following their first sales.

Like good merchants, our salesmen enjoy selling the very finest tea—Red Rose Orange Pekoe.

Try the tea which has met with so much success.
