Transfer of Bonded Goods
Completed—Another Con-
signment of Whiskey Be-
ing Landed at Montreal

There are now some 7,500 cases of liquor in the warehouse of the New Brunswick Liquor Board in this city and in the bonded warehouse operated also by the Board. The liquors are of varying qualities to meet various demands and an average estimate of value per case is difficult to reach. It runs well into six figures however in the total.

Hon. J. F. Tweeddale chairman of the Board stated this morning that he expected that orders of vendors would be filled from Board's stores by next week. The wholesalers at St. John will be out of business by that time. Invoices already have been received and a price list will be issued by the Board shortly.

Bonded Goods Received.

The transfer of bonded goods from the Canadian and National Drug Companies at St. John to the Board has been completed, the guardhouse at the Barracks, Queen street, being the bonded warehouse. Other stock which was on order for these companies, will arrive later.

The last consignment of gin which was in bond comprised a double monthly order for the Canadian Drug Company. A similar consignment of whiskey is being unloaded at Montreal.

Painful Accident.

John Knorr an employe of the River Valley Lumber Company of Oromocto had the thumb of his left hand badly mashed on Saturday by a blow from a maul in the hands of a fellow workman when he was assisting to drive a stake. He was brought to the city by auto and had the wound dressed by a physician.

A. at Orange Hall, when occasion a large delegation was present. C. T. Barton made an ideal chairman. An excellent program consisting of songs, readings, and dialogues was successfully carried out after which refreshments were served. It is the intention of the York County Orange Lodge to run an excursion to Moncton on the 12th of July.

Work on Streets.

Contractor J. M. Chappell is laying concrete curb and gutter on George street from Westmorland to Regent. The work is well advanced. Westmorland is the next street to be curbed, from Brunswick to Queen any way and probably from Charlotte to Queen. When the laying of tarvia is completed on Brunswick street Carleton street will be paved from Brunswick street to Queen thus linking up Brunswick and Queen and taking care of the bridge traffic. Westmorland street will be the next the work continuing as far as the supply of stone will permit. A tarvia top will be placed on King street, Westmorland to Regent.

MILITIA CAMP BROKE UP HERE THIS MORNING

ONLY REAR PARTIES
ON GROUND NOW

Camp Commandant Pleased
With Eight Days' Camp—
Hardly Likely to be
Here Again.

Today is marching-out day for the militia who have been in training in the Fredericton Camp, and last evening and this morning the troops have been proceeding to the stations to entrain.

Field Officer today is Major E. A. Thomas. Regimental police were on duty last evening at the camp and in the city. At 5 p. m. yesterday the Dragoons of St. George left by C. P. R. At 6.10 the members of the York Regiment whose homes are in McAdam, Milltown and St. Stephen left via C. P. R. At 7.15 p. m. the Marysville and Stanley members of the York Regiment left via C. N. R. for their homes. At 9 o'clock this morning the N. B. D. of St. John and Hillsboro left via C. N. R. for home. At 11 o'clock this morning the Campbellton members of the Dragoons left via C. N. R.

Rear Parties.

This morning after breakfast a final cleanup of the grounds took place, and things were left in as good condition as when the troops marched in eight days ago. Captain P. M. Rising, Quartermaster of the N. B. D. and Major James Pringle, Quartermaster of the York Regiment remain with rear parties to take care of the stores, and complete the striking of camp. This morning many of the tents were down and the camp is assuming a rather deserted appearance.

The staff of the Y. M. C. A. canteen will move to Woodstock on Thursday to open a Y. rest tent there. The Woodstock Council of the K. of C. will also open a canteen at Woodstock Camp.

Commandant Pleased.

The Camp Commandant has expressed great satisfaction with the training and the excellent conduct and behavior of all ranks, and feels that great credit is reflected on all concerned.

Thus ends the first camp in this city for many years. It is hoped that in the future training camps will be held here more regularly, but it is said by those in touch with such affairs that this is hardly probable, regardless of the facilities and desirability of the location.

EDWARD GREER DROWNED NEAR LONG'S CREEK

WITH OTHERS HE
WENT IN BATHING

Had Been Working on C.N.R.
Section—Veteran of Great
War—Widow and
Child Survive.

A very sad accident occurred some miles west of Fredericton last evening when Edward Greer, of this city, came to his death by drowning. Mr. Greer, was employed on the C.N.R. section, J.B. McFarlane being foreman, and last evening with eight or ten others went in for a swim in the St. John River off Long's Creek. Whether he went beyond his depth or was seized with a cramp is not known. His body was recovered in ten feet of water. The late Mr. Greer was a member of the 140th Battalion, C.E.F. and served overseas for three years. He was about thirty years of age, and is survived by his wife, formerly Miss Burden, daughter of Mr. and Mrs. Weldon Burden, one infant daughter, Katheryn, his father James Greer, of New Maryland, and two sisters, Edith of Grand Manan, and Milly of this city.

Later advices are to the effect that Mr. Greer got into swift water and was seized with a cramp. None of the others present were any better swimmers than the victim and were unable to give him any assistance.

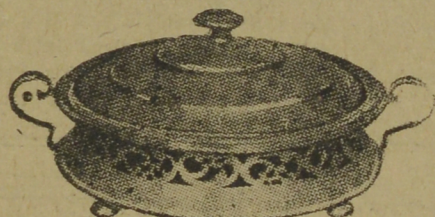

This is the second drowning accident of the season to take place in this vicinity. The sympathy of the community is extended to the stricken family.

The funeral will be held on Wednesday afternoon with the service at the house at 2 o'clock. Rev. Mr. Bates will conduct the service and interment will be made at New Maryland.

School Closing.

The public closing exercises of the Fredericton High School will be held in the assembly hall of the school, York street, the evening of Wednesday the 29th. The public closing exercises of the Charlotte street school will be held in the same hall the morning of the 30th. The public is invited to attend both exercises.

It is hardly probable, regardless of the facilities and desirability of the location.
