MR. TURGEON OF GLOUCESTER TAKES A HAND IN THE BUDGET DEBATE IN HOUSE OF COMMONS

**SAYS GOVERNMENT
WILL BE BOWLED OUT**

Union Government was Form-
ed Only for the Period of the
War—Hon. N. W. Rowell
Praises Work of the League
of Nations—Other Speakers
on the List.

Ottawa, Ont., Feb. 18.—O. Turgeon
Liberal, Gloucester, N. B., entering
the debate on the address this evening
declared as a resident of New Brun-
swick that when the people were given
an opportunity they would show
their disapproval of the government
which, elected for a specific period
of the war and demobilization, was
using all its efforts to hang onto power
for the full term of five years.

When Hon. F. B. Carvell accepted
the portfolio of minister of public
works, he had gone down to New
Brunswick and invited the people to
support Union government, not for a
five year term but until the war was
over, and the work of demobilization
complete. When that work was done
Mr. Carvell declared he would return
to his own party, and he had with-
drawn from the government.

Hon. J. A. Calder had made the
same statements to the people of Sas-
katchewan but it was noticeable that
Mr. Calder still hung on to office
with the rest of a discredited govern-
ment. Six Unionist Liberal ministers
had left the ship and the prime min-
ister had gone also. Mr. Meighen had
been chosen as prime minister by the
remnant of the Borden followers in-
stead of by the people; therefore he
had no right to claim the confidence of
the electors.

Meighen's Mistake

The member for Gloucester declar-
ed it would have been far better for
Mr. Meighen had he gone before the
people when he was chosen as leader
instead of holding off as long as pos-
sible. Then they would have respected
him and while he would have been
beaten he would have come back as a
strong opposition leader. As it was,
everyone was clamoring for an elec-
tion and would voice their disapproval
of the government tactics. Mr. Tur-
geon warned the leader of the oppo-
sition that if he became leader of the
government with Mr. Meighen as op-
position leader it would be necessary
for the government to proceed care-
fully and correctly for they would
have a watchful opposition against
them.

Hon. N. W. Rowell the chief speaker
of the afternoon dealt with the League
of Nations which he declared was mov-
ing along the path to success despite
many obstacles. There were many
more obstacles to be overcome and
many tears to be shed before the
peaks of the new order of things were
scaled, but he thought that Canada
would be in her place with the leaders
in that march to better things. Refer-
ring to the United States, Mr. Rowell
said he thought that circumstances
and the weight of public opinion
would bring the Americans into the
league as these combined forces had
brought them into the war, and when
they came they would be welcomed.
As for Russia, Mr. Rowell thought it
would be better to let the Russians
settle their own affairs with as little
outside interference as possible.

J. R. McKenzie of Montreal is in the
city.

THE FORDNEY EMERGENCY TARIFF BILL HUNG UP IN CONGRESS

Washington, Feb. 19.—The Fordney emergency tariff bill
with its burden of Senate amendments, got back to the House
today only to get snagged in a legislative jam, leaving its im-
mediate future uncertain. Soon after Chairman Fordney had
started for St. Augustine, Fla., to consult President-elect Hard-
ing about putting through a second emergency tariff as a stop-
gap measure, Acting Chairman Green sought to complete the
House formalities of sending the first bill to conference, but
failed to secure unanimous consent. The Fordney bill thus
was left overnight with three hoists, all dependent upon man-
oeuvres by Republican leaders.

MARQUIS OF CAMBRIDGE MAY BE THE NEXT GOVER- NOR GENERAL OF CANADA

A New Starter in the Race to Succeed the Duke of Devonshire
—Great Interest Manifested in the London Clubs—Lord
Burnham Has Many Supporters, but it is Felt That His Ac-
ceptance Would Mean a Great Sacrifice.

(By W. Orion Tewson, staff correspondent of the Daily Mail,
by Cross-Atlantic Newspaper Service.)
LONDON, Feb. 19.—Another starter in the race to succeed
the Duke of Devonshire as Governor General of Canada appears
in today's betting in London clubs, in the son of the Marquis of
Cambridge, brother to Queen Mary. Never before has so great
an interest been taken in the Canadian Vice-regal race, which
goes to prove the prominent position Canada holds today in the
British Empire. The favorite is still Lord Desborough, though
Lord Burnham has many supporters. However, odds against
Lord Burnham were lengthened considerably since Lord North-
cliffe's practical joke against his formidable Fleet Street con-
temporary, which seems to have been taken a little too seri-
ously all around.

AN IMPOSSIBLE SACRIFICE.

As a matter of fact, Lord Burnham would be making an al-
most impossible sacrifice, from the Daily Telegraph point of
view, if he accepted the Governorship, provided the Canadians
asked him as to his personality and ability, especially in these
lean and competitive Fleet Street days, would mean much to
his paper. Since Lord Burnham's return he seems to be ob-
sessed by Canada's future, while Lady Burnham is equally en-
thusiastic. But one thing is regarded as sure, and that is that
Canada will ask whom she pleases and she has a fine picking.

ITALIAN AIRMAN PROPOSES TO CROSS ATLANTIC IN BIG AIRPLANE

Rome, Feb. 19.—The giant airplane Epoca, is the craft
with which Signor Caproni, the Italian airplane designer, hopes
to cross the Atlantic. The air attaché of the American Em-
bassy here, has already inspected the craft at the plant where
it was built. The Epoca has been moved to Lake Maggiore,
where, it is expected, it will be tried out soon. It is described
as a huge ship with hull capable of seating a hundred persons,
and supported by three triplane structures, placed tandem,
each apparently with about a sixty foot span. The same re-
ports say the Epoca has eight 500 h. p. Liberty motors.

FAVORS EARLY OPERATION OF THE GOVERNMENT OF IRELAND ACT

(Special to the Daily Mail, by Cross-Atlantic Newspaper Service.)
London, Feb. 19.—Sir Hamar Greenwood, who spent the
week-end with Premier Lloyd George, holds that gunmen are
the only obstacle to peace in Ireland and he advocates dealing
with them energetically without compromise. He favors the
early operation of the Government of Ireland Act with an elec-
tion in April.

DETAILS ARE COMPLETED

(Special to Daily Mail, by Cross-At-
lantic Newspaper Service)
London, Feb. 19.—The final details
of the Labrador dispute have been
completed. The Privy Council hear-
ing will probably be held in June.

HUN CONSUL AT MONTREAL

lantic Newspaper Service)
Berlin, Feb. 19.—M. Kempf has
been appointed German consul gen-
eral at Montreal.

Social and Snowshoe Tramp
The B. Y. P. U. of the Brunswick
Street Baptist Church held a very en-
joyable Valentine Social and snow-
shoe tramp last evening. About thirty
five of the young people chaperoned
by Mr. and Mrs. C. S. Creed, Mr. W.
J. Burden, Miss Gallagher and Mr. F.
J. Patterson gathered at the vestry
to go on the tramp, while the others
remained there and indulged in suit-
able games and amusements. When
the snow-shoeing party returned they
joined in the games and later hot
peas and brown bread were served
after which the gathering broke up,
everyone having spent a very enjoy-
able evening.

PAIRING TO BE DISCOURAGED

Ottawa, Feb. 18.—The Liberals of
the House of Commons have stretched
a point in favor of Hon. F. S. Tolmie
who has gone to Victoria on account
of the sickness of his brother, and W.
H. White, member for Victoria, Alta.,
will abstain from voting on the am-
endment if by that time Dr. Tolmie
has not returned to Ottawa.
The decision to discourage pairing
did not mean an absolute refusal
in case of emergency such as this, and
the refusal to pair on Wednesday by
the Liberals was because the govern-
ment whip refused to accept as pair
a Liberal who was not in the house
and who, on account of sickness, was
not likely to be able to vote on the
"no confidence" motion.
The decision to discourage pairing
was meant mainly to prevent the hab-
it of some members of attending to
their private business while giving
their vote to their party by neutral-
izing an opposing vote.

Drive to Lincoln.

About forty-five young people en-
joyed a drive to Lincoln last night
given by the young men's class of St.
Paul's Presbyterian Church. The
party was entertained at the home of
Parker Glasier, ex-M. P. P., and spent
the evening in games. The chap-
erones were Mr. and Mrs. Foster Baird
and Mr. and Mrs. David Staples.

SUPPORTERS OF THE MEIGHEN GOVERNMENT AT OTTAWA ARE NOW THOROUGHLY ALARMED

TEAM WORK WON FOR U.N.B. AT SACKVILLE

Outplayed and Outscored Mt.
Allison—Close Game at
Stellarton—Frederic-
ton High Lost.

Sackville, Feb. 18.—Amid great ex-
citement the blare of improvised
trumpets and college yells U. N. B.
and Mount Allison crossed sticks in
the college rink here tonight in the
last game of the western section of
the intercollegiate hockey league. The
Fredericton boys won, 7 to 3. It was
a fast game from start to finish, many
thrills being provided for the big
crowd of spectators. Referee Frank
Brown of Moncton started the game
at 8.30 p. m. and for the first ten min-
utes Mt. Allison seemed to outclass
the boys of the red and black, the play
being mostly in the visitors territory,
but eventually U. N. B. got away and
Fleet scored the first goal in eleven
minutes Lounsbury following three
minutes later with another tally. The
period ended 2 to 0 in favor of U. N.
B. U. N. B. had the better of the game
in the second period, Jewett scored in
three minutes for U. N. B., Wyse in
ten minutes for Mt. Allison, Lounsbury
in twelve minutes, and Burgess in
eighteen minutes for U. N. B., the
period ending 5 to 1 in favor of vis-
itors.

The garnet and gold fought harder
than ever in the final period, but the
superior team work and scoring abil-
ity of the red and black won the game
Lounsbury and Fleet tallied for U. N.
B. and Wyse and Ike Fisher for Mt.
Allison. The game ended in favor of
the western section. Wyse and Elliott
were in the limelight for Mt. Allison
and the U. N. B. team worked like a
well oiled clock. Congratulations are
due to their coach, "Big Larry" Mc-
Lean.

Dalhousie Wins

Halifax, N. S., Feb. 18.—Two thou-
sand persons tonight saw the Dalhousie
hockey team defeat St. Francis
Xavier College team, of Antigonish,
by a score of four to three, in the Stel-
larton rink, and win the inter-collegiate
championship. Both teams are
evenly matched and it was a hard
fought contest.

Fredericton High Lost

Sussex, Feb. 18.—A game of hockey
which was much enjoyed by the citi-
zens of Sussex was played tonight
between Fredericton and Sussex High.
The Sussex school defeated the
Fredericton boys by a score of 5 to 3.
The ice was in splendid condition,
the game good, clean and fast. The
penalties were light, one being impos-
ed to Fredericton and two to Sussex.
The game was delayed until 8.45 on
account of the electric light system
being out of commission, but when the
game did start it was full of excite-
ment from start to finish and the
brand of hockey the boys put up
would be a credit to any town.

The lineup:

Fredericton	Goal	Sussex
Hickson	Point	Heffer
A. Sterling	C. Point	Frier
Currie	C. Point	Friers
Bliss	Centre	H. Fairweather
Cain	R. Wing	Lutes
Keene	L. Wing	Hunter
Fredericton spares—Dennison and J. Sterling.		
Sussex spare—Creighton.		

MEMBERS TOLD TO REMAIN ON THE JOB

The Awful Prospect of a Gen-
eral Election is at the Back
of Every Unionist Member's
Mind—The Liberals Have
Them Badly Frightened and
They Must Respond to the
Crack of the Whip.

Ottawa, Feb. 18.—The awful pros-
pect of a general election was in the
back of every unionist members mind
today at the government caucus when
members of the administration and
others lectured them on the necessity
of members always remaining within
the chamber or within easy call if
defeat were to be avoided during the
session. The energetic measures of
the Liberal opposition have made the
sense of April an abiding inhabitant of
the government benches and this
morning's session was devoted mainly
to conveying the same sense of peril
to the hearts of all the government
followers. In other sessions of parlia-
ment the Unionists have made rather
a parade of the differing views of
those sitting side by side on the gov-
ernment side of the house as evidence
of a great catholicity and tolerance.
There was even tolerance for those
who voted against cardinal measures
was a prospect of their retaining with
the government afterwards, and the
helping out on other occasions.

All that is past. The members must
obey the crack of the whip. The ma-
jority is too small for them to tolerate
independence of view if it also means
voting against a government measure.
The members from the West will
come under the discipline as well as
others. All this was put very cour-
teously and smoothly today.

No "must" was used but the dire ne-
cessity of rigid discipline was laid to
the Liberal doors. The Liberal policy
of discouraging pairing was spoken
of as an absolute refusal to pair. No
retaliatory measures were decided
upon though some suggestions were
made that reprisals should go further
than the proposal for holding Satur-
day sessions. There will be further
caucuses later to carry the work fur-
ther.

Premier Meighen described the
morning's caucus as a get-together
meeting. There was complete unani-
mity with regard to general matters
of policy discussed, he said, and the
members displayed great zeal.

Sir Robert Borden is confined to his
house with lumbago. It is expected,
however that he will be recovered suf-
ficiently to help his suondom follow-
ers and present leader when the "no
confidence" vote comes.

MAY BE DUKE OF ULSTER

(Special to Daily Mail, by Cross-At-
lantic Newspaper Service)
London, Feb. 19.—There is a well
founded report that Prince Henry is
likely to be created Duke of Ulster to
commemorate the founding of the
Northern Parliament of Ireland.

THE IMPERIAL GOVERNMENT WAS SUSTAINED ON A DIVISION

London, Feb. 19.—The House of Commons today defeated
the amendment to the address in reply to the speech from the
throne proposed by Horatio Bottomley, censuring the govern-
ment's policy with regard to the treaty of Versailles. The vote
was 181 to 40. Mr. Lloyd George, the premier, declared in the
House of Commons today that he stood by the pledge that Ger-
many must pay to the limit of her capacity. The premier was
discussing the German reparations question in answering Mr.
Bottomley's arraignment of the government's policy of alleged
ineptitude with regard to forcing Germany to comply with the
reparations demands, the provision for the trial of war crimin-
als on other portions of the peace treaty. There was a great
different, continued the premier, between Germany paying for
the whole cost of war and paying to the limit of her capacity.
