CALLS THE FARMERS CRUDE AND INEXPERIENCED

Characteristic Letter Sent Out by a Toronto Conservative Woman Says the "Upper Classes" Are Not to be Governed by the "Crude and Inexperienced Farmers"—The Same Game Played Elsewhere.

(Brockville Recorder.) The Tory organs and newspapers never tire in abjuring their own slogan of the campaign of 1911. It was "No truck or trade" with the Yankees. They cannot get away from it. They also deny Mr. Meighen's appellation of Bolshevism against the agriculturists. But the farming community will not be deceived by the pseudo protestations. Not satisfied

GLAD HE TRIED THE TONIC TREATMENT

Through Its Use Strength and Vigor Was Restored.

To be tired after exertion is natural. Rest and food restore the body to normal after such fatigue. But to be tired all the time is a symptom of an anaemic condition that will not be corrected until the blood is built up. Such an anaemic condition is so gradual in its approach and generally so lacking in acute pains that it is often difficult to persuade the sufferer to do anything for it. But it is not a condition that corrects itself. If the blood is not enriched the trouble will increase. The nerves will be undernourished and neuralgic pains will follow. Digestive disturbances often result from thin blood, sleep is disturbed and a general breakdown may occur.

Mr. Wilson Johnson, Nineveh, N. S., says: "A few years ago my system was in a badly run down condition. My nerves seemed always on edge, and I found myself so weak that I could hardly do any work. I suffered from headaches and from pains in the back and under the shoulders, and was often so sleepless at night that when morning came I felt as tired as when I went to bed. I was taking medicine all the time, but it was doing me no good. Then I read the testimonial of a man whose condition had been similar to mine, and who strongly recommended Dr. Williams' Pink Pills. I decided to give this medicine a fair trial, and when I had taken six boxes I felt much better. I continued taking the pills until I had taken six more boxes, and I can only say I am glad I did so, as I am now enjoying the best of health, and I advise all men who feel run down to give these pills a good trial."

Dr. Williams' Pink Pills can be obtained from any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

with such things, a leading Conservative woman in Toronto had addressed a letter to another Conservative woman in which she says that "Crude and inexperienced farmers are not to govern the upper classes." The Farmers' Sun was sent a copy of the letter and verifies its authenticity. Here is the letter:

"Dear Madam,—In this crisis of our country, where vital issues are at stake, my services have been requisitioned by the Conservative Party in an effort to bring out the leading Conservative women of Toronto. Personally I call them 'Conservative women of the upper, educated class, and by that is meant women of refinement and cultivation, who still count for so much in the community."

"The coming election, so far as the future of our country is concerned, is as serious as the war women of the upper class cannot afford to stand still.

"A series of drawing room meetings, in the interests of the Conservative Party, is being arranged all over the city. If a number of women or men and women, can be brought together in a drawing room meeting a good speaker, a gentleman either from Ottawa or Toronto, will be glad to address them. A good woman speaker will be sent the address any group of women."

"I beg to remind you that press notices of these meetings will put energy and vitality into the women of Ontario throughout the Province. It is not our intention to be governed by a group of crude, inexperienced farmers."

"If you will be kind enough to consider the situation and consent to invite your own friends to a drawing room meeting you will arouse great interest among women of your own class, whose influence at the present moment, is very much needed. May I beg the favor of an answer at your earliest convenience."

"Your very truly,"

Evidently the writer of the foregoing has followed the cue of the Tory leaders in defaming the farmers men and women. Such language and such a conception of high-browism will be represented by the electors. The Liberal Party is not restricted to the 'drawing-room class', it is the party of the people. There is no class distinction among Liberals. They form the party of all the people.

COOKS GUINEA HEN FOR HER COMPANIONS

Middletown, N. Y., Nov. 10—Four women whose combined ages aggregate 300 years have just enjoyed a guinea hen dinner at Bloomingburg, Sullivan county, talking over old times, people and places.

They are Mrs. Salter, 71; Mrs. Evans, 80; Mrs. France, 70, and Mrs. Mills of Hawthorne, N. J., 79.

The dinner was cooked by Mrs. France, the menu consisting of guinea hen, spinach, boiled onions, cabbage, salad, apple pie, cheese and tea.

"If travel really broadens one," muses E. J. Melton in the Boonville Republican, "no wonder so many pullman porters are big."

Perhaps the coming Winter will not be as cold as predicted but the Fall doesn't seem to be just the right time to advertise twin beds.

A RUM THIEF WAS KILLED

Bridgeport, Conn., Nov. 9—Albert C. Dow, who with an army rifle fired at a group of men who were leaving his house early on Nov. 2 and killed Thomas McNally, of Medford (Mass), was declared by Coroner J. J. Phelan today to have been justified in the act. The coroner's finding contained these words:

"Preventing the commission of a felony he (Dow) was justified by law." Dow and his brother were awakened by supposed burglars in the cellar. They looked outside and saw men carrying away two cases of whiskey. Albert Dow with a rifle ordered the men to halt but they ran. Dow fired and his brother used a revolver. McNally fell and died shortly after.
