

Children Cry for Fletcher's

CASTORIA

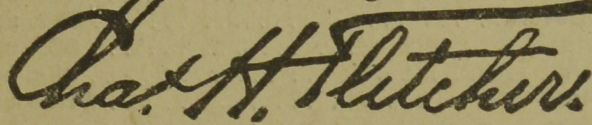

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. OF INTEREST TO WOMEN

A DRESSING TABLE

Many women love to remove from the bureau all those personal aids to beauty that clutter up the top bureau drawer and are apt to give the whole room a careless appearance.

Dressing tables are just as expensive as any other pieces of furniture and for this reason they are often relegated to a certain region of fond desires pending the affording of the purchase, but any one may make a good looking dressing table.

The ideal way is to have a carpenter build a frame, which should be conveniently shelved, but any handy husband might be inveigled into producing one equally fine. Failing the practicability of either method, a packing case can be made to serve.

The open top should be placed so that it will face the knees of the lady as she sits in front of her dressing table; that is, the box is placed on its side, one side resting flat on the floor, the opposite side forming the top of the dressing table. Shelves may be fastened in the upper part of the open front before the draperies are adjusted. Over the top and hanging in a nicely shaped valance there should be a plain colored cover of linen or silk. Underneath and run on a thin curtain rod there should be a cretonne flounce reaching to the floor; this should be arranged so that it may be easily pulled aside, allowing free access to the shelves. Candles, sticks and an attractive mirror finish the dressing table and make it beautiful as well as useful.

TWO WELL TRIED RECIPES.

Floating Island.

Four cups of milk, two egg yolks, three tablespoonfuls cornstarch, half cup of sugar, one stick cinnamon, two egg whites, one-eighth teaspoonful salt, one teaspoonful vanilla, half teaspoonful sugar. Beat the egg yolks, add the cornstarch, sugar, cinnamon and salt, pour the scalded milk slowly over all these. Return to a double boiler and cook until it coats the spoon, stirring constantly; remove the cinnamon and pour into a dish. Beat the egg whites stiff and dry and add the powdered sugar. Beat again, place on a custard by spoonfuls to form "island." Serve at once.

Macaroon Custard.

One quart scalded milk, half cup of sugar, one-eighth teaspoonful salt, one teaspoonful of vanilla, four eggs, two tablespoonfuls cornstarch, eight crushed macarons. Scald milk in double boiler and thicken with two tablespoonfuls cornstarch. Beat eggs, add sugar, salt and crushed macarons and pour the hot mixture over them. Return to double boiler and cook until custard thickens sufficiently to coat a spoon. Remove from fire, add vanilla and cool.

TITLED PEOPLE IN THE MOTOR BUSINESS

Special to Daily Mail. Copyright 1921 by Cross Atlantic News Service.

London, Feb. 15—It has become quite the fashion for the "new poor" to take a hand in the motor industry. No end of people who are in Debrett and Burke hire out their cars and

sometimes the ydrive as well.

The Black Cat garage is very popular, and is doing a very flourishing business. It was started during the war with two cars; now it has forty to its name!

Among those interested in the concern are Mrs. Ronald Menzies, who was an enthusiastic driver during the war, and the two Lichfield boys, Mr. Rupert Anson and his brother.

Others in the motor business are Lady Iris Capell, who, under the name of K. Smith, runs a garage in Ebury Street, and Lord St. Oswald, who

CARLETON CURLERS ARE COMING HERE

Four rinks of Carleton curlers are to play against Fredericton here next week. The West St. John club always puts up a good argument and a close match is expected.

Six rinks from the St. Andrew's club of St. John are playing here today. Fredericton has strong rinks against the visitors.

Sackville and Sussex clubs both are talking of sending rinks to curl here against the local club.

Stop That Tickling in the Throat

By Using Dr. Wood's Norway Pine Syrup.

That tickling in the throat sensation is most distressing and causes a nasty, irritating, dry cough that not only keeps you in misery all day long, but also prevents you enjoying a good night's rest.

Dr. Wood's Norway Pine Syrup, which is composed of the most soothing and healing expectorant herbs and barks combined with the lung-healing virtues of the world-famous Norway pine tree, will give almost instant relief in all cases of this nature.

Mr. E. A. Price, Port Carling, Ont., writes: "For about a month last fall I had a bad cold and cough and a tickling in my throat. I tried different remedies and cough syrups, but could get no relief. A friend advised me to use Dr. Wood's Norway Pine Syrup, and before I had used two bottles, my cough was all gone, and gone for good. I have not coughed since."

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper; three pine trees the trade mark; price 35c. and 60c. a bottle at all dealers; manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

PILES CONSTIPATION

Are Generally Caused by

There are few, if any, complaints more common than hemorrhoids, or piles, as they are commonly called, and scarcely any which cause more trouble, annoyance and misery.

Ninety per cent. are troubled with them at some time or other, owing to allowing the bowels to become in a constipated condition.

Piles are classed under three headings, i.e., itching, bleeding and protruding, and the excruciating pains which accompany them cause misery which is beyond description.

Ointments and suppositories may help and relieve for a while, but to get rid of them it is necessary to have a free, easy and natural motion of the bowels, at least once or twice a day, and by doing this the cause will be quickly removed.

Milburn's Laxa-Liver Pills regulate the flow of bile to act properly on the liver and bowels, thus removing the constipation and its allied troubles.

They contain no calomel or drastic mineral ingredients, being purely vegetable. They are small and easy to take, and do not gripe, weaken or sicken.

Milburn's Laxa-Liver Pills are 25c. a vial at all druggists or dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
