I. H. C. GASOLINE ENGINES

It is a pleasure to sell I. H. C. Engines because the customers are always well satisfied.

In building I. H. C. Engines highest quality is always the first consideration. These Engines have stood the test for eight years and no change has been necessary except in the cooling system, that is conclusive proof that the working principle is the very best.

It will be to your advantage to see us and get all possible information about I. H. C. Engines before buying any other make.

1,000 bushels of grain threshed and only 7 gallons gasoline used. That is the record of one of our customers with an engine 6 years old.

CHEENEY BEAT OUT ROBERT MILROI IN 2.08 TROT

Big Surprise to the Talent on Grand Circuit at
Columbus--Favorites Won in Three Other Events
---New Mark of 2.02 1-2 for Frank Bogash Jr.

Columbus, Ohio, Sept. 30--Pro-nounced favorites in the three pacing races on the Columbus Grand Circuit program today were winners but the Columbus stake for 2.08 trotters did not go to the favorite, Robert Milroi. Cheeney, the Texas mare, won it after the first heat had been taken by the four-year-old mare Rythmell. Each heat was under 2.07, and the fastest was in 2.05½. Rythmell was beaten down the stretch in the second heat and was distanced in the third one.

Directum I and Frank Bogash Jr did not meet, though they were both eligible to the Board of Trade stake, which the East View pacer won handily in straight heats. His best time, 2.02½, was within a quarter of a second of his record.

Frank Bogash Jr was raced in the Arch City stake, the feature of which was the contest for the place between Del Rey and Foote Prince. In the final heat Driver Murphy did not slow Frank Bogash Jr down nearing the finish and his pacer took a new mark, 2.02½.

Great Scott won the 2:16 pace in straight heats. Driver George Kyger after placing Polly Ann twice, was unseated and the driving assigned to Charles Valentine. After the change the mare finished third as the three-year-old, Homer Baughman, rushed along the pole and was second to Great Scott.

::: SPORTS OF ALL KINDS :::

Matt Wells was given a twenty-round decision over Owen Moran at Sydney, N.S.W., on Saturday. The crowd didn't like it.

Clark Griffiths is going to conduct a baseball school in Washington when the season is over. This school will be limited exclusively to his young pitchers, and the term will last till the snow flies. Shaw, Love, Bentley, Harper, Williams, Dawson and such other youngsters as may be picked up will attend this school and Griffith predicts that when the season is over all of them will be better pitchers. The veteran Jack Ryan will act as catcher under Griffith's experienced eye.

Of what use are baseball percentages in picking out the strongest team? St. Paul, a second division team, has led the American Assoc-

ation in both club batting and club fielding practically all season.

"Cy." Morgan, the former Kansas-City-Philadelphia pitcher, has organized a team of old major league players for a barnstorming tour through Ohio.

Not only is Bert Shotten, of the Brown, hitting for .300, but he also stands among the leading dozen run-getters and base-stealers in the American league.

It begins to look as if Larry Lajoie will not figure in a world's series before he retires from baseball. The great Cleveland star has waited in vain for 17 years.

It is doubtful if "Big Ed" Walsh, of the White Sox, will be able to take part in the Chicago City series. His start in Boston recently showed that the famous old "spit-bolli" was far from right.

In the National league, catchers Gibson, of theirates, Meyers, of the Giants, Kling, of the Reds, all hit for .300 or better, while no American league gackstop reached the .300 list this season.

BASEBALL CHATTER

J. E. Kent of Newmarket, N.H., marked his two-year-old Bingara stallion, Benzol, in 2:29½, at Rochester last week. It would be hard to find a better individual than this young stallion.

Walter Cochato is an iron-sided campaigner. Last week, as the week previous, he started twice with Directum I and Braden Direct as opponents. In his last race he made the Denver pony go in 2:01½.

Will Durfee won three races one afternoon at the recent Sacramento, Calif., meeting. Budd Doble came very close to beating him in the three-year-old trot, landing two heats with Miss Gaily in 2:14½, 2:12½.

N. W. Gilbert and Paul Tarduff of Somersworth, N.H., have bought of J. E. Kent the two-year-old trotter,

U. N. B. Team, Almost Complete, put in Hard Practice Yesterday---McGibbon Watched Workout and Will be in Half-Line Today---Play at St. John Week From Saturday

The U.N.B. Rugby squad had the best practise of the season yesterday afternoon and Coach Campbell was highly gratified with the way things went. The forward line was complete and as strong as available material can make it and heeled well. This line will be one of the heaviest that ever wore the Red and Black, averaging about 180 pounds. Capt. Greg Melrose was on the job as loose forward or passing quarter. It was his first appearance but he worked as if built for the position. "Lassie" Brewer, who had been used as loose forward the day before, was in the scrim and the change worked well.

McGIBBON HERE.

Frank McGibbon arrived here yesterday from the West and viewed the practise from the grandstand. He will be out in uniform today. McGibbon has put on a lot of weight and should fit in well in that place in the half-line which "Chick" Jago has been occupying temporarily.

THE FIRST MATCH.

The way matters look now the first game in which the U.N.B. team will appear will be at St. John one week from Saturday. The opposing team will be that from the newly organized St. John Athletic Club. It had been hoped to have a match with this team on Saturday next but the St. John A.C. has just begun to practise and want another week. If a Fredericton City team does not materialize a series of four matches between U.N.B. and St. John probably will be arranged.

Nothing is known definitely about Dalhousie but it is hoped to bring that team here to play U.N.B.

EDDIE GARRARD OUT OF GAME AT OTTAWA

Ottawa, Sept. 29--It is likely that Eddie Gerard, one of the most brilliant half-backs in the game, has played his last football. Gerard, who was injured last year, went down again with the first tackle in Saturday's game with the Alerts. Dr. Sheriff, the club physician, found that he had been badly injured and advised Gerard to give up the game. His knee is badly wrenched and the ligaments torn, for the third time. It is apparent that he cannot stand the gruelling game and will probably confine his athletic ambitions in the future to hockey.

Bargie, by Toddy Bingen, out of Lady Roberts, by Lord Roberts; second dam, Umbrina, by Bingen, 2:06½; third dam, Maggie Sultan, 2:30, dam of Nico, 2:08½. Fargie is intensely injured and has three crosses to Bingen,

JUDGE H. H. LEE SAYS PATCHEN LADY COULD NOT WIN

States His Opinion in Letter to American Horse Breeder--Did Not Agree With Other Judges

H. H. Lee, of Augusta, Me., one of the judges at the Fredericton meeting, evidently did not agree with the other judges in the removal of Raymond from behind Patchen Lady. In his regular letter in the last issue of the American Horse Breeder he says he had started fields in which this mare had raced three times within five weeks. When Gerow was put up behind the mare in third heat she won in a hard drive in 2:18½. He says the trotting mare Devilish Dorothy was simply eating her up through the stretch, and it was plainly evident that although the pacer had won a heat and a fast mark, she could not win the race.

FREDERICTON HIGH AND PROVINCIAL NORMAL PLAY AGAIN FRIDAY

Fredericton High and Provincial Normal will play again Friday afternoon. The game probably will be started at 4.30 and will be played at the College Field, Scully's Grove being cut up by streets so as to make it impossible to play a match there. Normal will have the same line-up as before but High School will change some players. The most notable change will be the shifting of Capt. Bridges from the half-line to his old position at quarter. Donovan, who did not play in the last game, will take Bridges' place in the half-line. The change is expected to strengthen the High School team considerably.

Normal had a good practise yesterday afternoon and those who have been watching the two teams predict that the Red and Blue will give High School a hard run.
