CHICAGO BISHOP CALLS THIS IS IMMORAL AGE

Chicago, Jan. 4.—Bishop Thomas Nicholson of the Methodist Episcopal Church declared in an address here there was an appalling lack of respect for womanhood in this "immoral and greedy" age. "The ministry must lift its voice in protest," he said.

The listlessness of the present age is exemplified, he said, in the fact that more persons stay at home on Sunday to read the newspapers than go to church. He criticised the "moral laxity displayed in women's dress and the public demeanor," saying that crime conditions in Chicago are

worse than ever before.

"There is more indifference to the value of human life, more unrest and more craving for rest. It is the high and sole duty of the ministry to lift up its voice against a certain moral abandon of our people."

The Bishop turned in his criticism to the theatre, censuring the performance of the opera "Aphrodite," in which Miss Mary Garden was featured New Year's eve. He said:

"Think of 4,000 supposedly respectable citizens of Chicago sitting in one of our most elegant theatres New Year's eve and witnessing the

Until He Took "Fruit-a-tives" The Fruit Medicine

"For over three years, I was confined to bed with Rheumatism. I treated with doctors, and tried nearly everything without benefit. Finally, I tried 'Fruit-a-tives'. Before I had used half a box I saw improvement; the pain was easier and the swelling started to go down. I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place".

grossness and lascivious suggestions of 'Aphrodite' without uttering a protest? The public accepts lascivious stage productions as a necessary accompaniment to modern realism.

"Is it any wonder that the divorce courts are overcrowded? Is it any wonder that we have seen in Chicago a respectable and able judge resign from the bench because he could no longer endure the harrowing details of martial infelicity which fell upon his ears day in and day out?"

"Look at the cheapness at which life is held. We have been willing to see 200 aviators killed in the experiments which gave us the airplane. Five hundred and fifty-nine persons were killed on the streets of Chicago last year that we might continue to run automobiles.

"A great number of policemen were killed in our city in 1920 while guarding the safety of the city. Ten million lives were given in a war for the preservation of pretty indefinite ideal of democracy. There must be a spirit of adventure and daring among men."

HAD AN ANNOYING HACKING COUGH

GOT NO REST AT NIGHT

Hacking coughs are very wearing on the system. The constant coughing disturbs the rest, and keeps the lungs and bronchial tubes in such an irritated and inflamed condition, that unless you get immediate relief the cough may become settled and serious lung trouble ensue.

There is no better remedy than Dr. Wood's Norway Pine Syrup for relieving all kinds of coughs or colds, combining as it does the lung healing virtues of the pine tree with which is combined wild cherry bark, and the soothing and healing expectorant properties of other excellent herbs and barks.

Mrs. E. J. Ross, Penhold, Alta, writes: "About three years ago I caught a very bad cold, accompanied with a sore throat and hoarseness. I was so hoarse you could not hear me speak. I could get no rest at night with the terrible annoying, hacking cough. I tried several remedies, but they did me no good. I finally saw Dr. Wood's Norway Pine Syrup advertised so I got a bottle. It at once gave me relief, and after using four of them my cough had all gone. Now I always keep it in the house."

"Dr. Wood's" is put up in a yellow unadorned only by The T. Milburn Co., mark, price 35c and 60c a bottle. Man-Toronto, Ont.

Cause of Early Old Age

The celebrated Dr. Michenoff, an authority on early old age, says that it is "caused by poisons generated in the intestine." When your stomach digests food properly it is absorbed without forming poisonous matter. Poisons bring on early old age and premature death. 15 to 30 drops of "Seigel's Syrup" after meals makes your digestion sound.

Our Travelling Salesmen Enjoy Selling Red Rose Orange Pekoe Tea

Travelling salesmen work very hard as a rule. They put in long hours, and the pleasure of travelling is not so great as to those of us who mostly live at home.

Naturally, therefore, these men must get a great deal of their pleasure and satisfaction from their work—they like to sell the finest of products and represent a good "house".

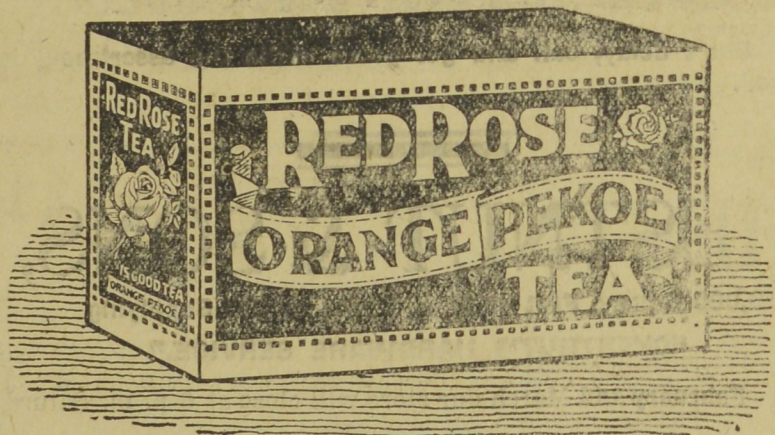

Our travelling salesmen are exceedingly critical of the products which they are asked to sell, and when we told them last January that we wanted them to sell a new tea of extra quality—much finer than has usually been sold in Canada—they were keenly interested, put the new tea to many tests amongst their friends, and gave it a lot of time and thought.

Having convinced themselves of the extra fine quality of Red Rose Orange Pekoe Tea, they started on their trips full of enthusiasm.

Their satisfaction, however, has been much greater on their later trips, because of the splendid renewal orders which are following their first sales.

Like good merchants, our salesmen enjoy selling the very finest tea—Red Rose Orange Pekoe.

Try the tea which has met with so much success.
