SOPHOMORES WON CLASS BASKETBALL CHAMPIONSHIP

Defeated Seniors 27 to 11---Losers
Were Without Regular Centre
George Alexander

The Sophomores copped the Inter-class Basketball Championship of the U.N.B. yesterday afternoon when they defeated the Senior quintette 27 to 11. The contest in the Inter-class League was known to be between Sophomores and Seniors but the final victory of the Sophs by so large a margin was rather a surprise. The game was the final athletic event of the present college term. There will be nothing but exams to take up the attention of the students until after the Christmas vacation. The Senior team yesterday was weakened seriously by the loss of George Alexander, the regular centre, who sprained his ankle before the game began. George Melrose was shifted to centre and Frank McGibbon put on as substitute. The Sophomores had little trouble in winning out.

The teams were as follows:
Sophomores Seniors
Forwards
Murray McGibbon
Jago Brown
Centre
McLean Melrose
Guards
Burden Bender

M. P. H. A. BLEW UP LAST NIGHT AT HALIFAX

Sydney the Only Club to Guarantee Placing Team
in League--New Glasgow, Socials and Crescents
all Unable to Come to Terms With Halifax Arena
Management

Halifax, Dec. 3.—With New Glasgow out of the M.P.H.A. and the Socials and Crescents unable to come to terms with the Arena Company, there was but little use for the hockey Moguls to meet today. The only club which was prepared to go ahead was Sydney, but as one team cannot run a league, the present indications are that the chances for professional hockey which were very slim, have all faded away and the league is blown up.

There were present at the meeting in the Halifax Hotel the following delegates:
J. C. Larder, Sydney.
L. McDougall, New Glasgow.
James Cosgrove and Alderman Murphy, Crescents.
Gordon Isnor, Socials.

President Lithgow was in the chair. The first business brought before the meeting was the N.H.A. agreement. The meeting was unanimously of the opinion that the agreement as drafted by the M.P.H.A. was not to be considered and on motion of J. C. Larder, it was decided that the N.H.A. be informed that the agreement as drawn up by Gordon Isnor with the addition of Clause 12 of the N.W.A. agreement which states that any agreement made must be ratified by the Coast League, was the only one which the M.P.H.A. would consider.

Then came the question, "Shall the M.P.H.A. continue?" Mr. McDougall intimated that the

New Glasgow Club could not come into the league unless they were guaranteed \$100 a game in Halifax. As an alternative, they said they were prepared to accept twenty per cent. of the gate receipts and in return would give thirty per cent. of the gate receipts at New Glasgow.

As the Arena Company were not prepared to consider this proposition, Mr. McDougall announced that the Cubs would have to withdraw from the league. The meeting then adjourned until 5.30 o'clock.

On resumption of business Mr. Larder intimated that Sydney was prepared to go ahead but Gordon Isnor and J. Murphy caused quite a sensation by making an announcement which is applicable to both the Socials and the Crescents:

"In so far as the Socials and the Crescents are concerned, due to our being unable to come to satisfactory terms with the Arena Company, we find it necessary for the time being to withhold our entry for the season of 1914."

A short discussion followed this announcement but the Halifax management did not alter their stand, with the result that the meeting adjourned a few minutes later.

Even at the eleventh hour the hockey loving public at Halifax hope that the difficulties will be smoothed over and that the M.P.H.A. will run again this season.

The Arena Company offered the hockey managers sixty per cent. of the gross receipts.

WANDERERS START SEASON WITH GOOD TEAM

The Wanderers start their indoor training Monday next with a team which President Lichtenhein thinks is sure to carry the club to victory. Ross and Hyland have not signed up and if they do not report for training will not be taken on the team, except at reduced salaries, according to President Lichtenhein. The line:
Goal—Boyce and Cadotte, and new amateur.
Defence—S. Cleghorn, Atkinson, Roberts, and a new westerner who is practically signed up.
Forwards—Odle Cleghorn, Russell, Miller and Kendall.
President Lichtenhein says he will have thirteen or fourteen players signed up before the first clash of the season takes place, and is convinced the Wanderers will make a good showing this year.

RED SOX PRESIDENT IS NATIVE OF CANADA

Boston, Dec. 3.—The new president-to-be of the Red Sox, Joseph J. Lannin, was well known in South Boston, where he resided about twenty-five

and more years ago. He came here from Toronto and was employed as a young man at the Adams House. He was a bell boy. Then later he became steward at Charlesgate and later went to one of the hotels at Hull.

"Joe" Lannin was a big man, pretty close to a six-footer, twenty-five years ago in South Boston, and was a member of the South Boston Lacrosse Club when lacrosse had such hold here. He played the Canadian national game as a boy at Toronto.

He is a member of the Boston Checkers Club and gave the trophy and the individual prizes for the big checkers tournament last Thanksgiving day when Christy Mathewson played for all New York against all Boston.

SEVEN CHARGES AGAINST E. W. HANKS BEFORE THE BOARD

Hanks ill and Not Present But Charges
Were Heard--Some Important
Decisions

New York, Dec. 2.—The Board of Review met in executive session at the Murray Hill Hotel today to consider protests and charges arising out of last season's harness racing over the Grand Circuit tracks. Gen. P. H. Johnston, president of the National Trotting Association, presided. Other members of the board present were J. M. Johnston of Boston, Fred Postal of Detroit, De Forrest Settle of Syracuse, and W. P. Gocher, secretary of the association.

Fifty drivers and owners, prominent on the Grand Circuit tracks, attended the meeting. Among the notables present were H. S. Malley of Syracuse, Sam Hastings of Boston, Capt. David Shaw of Cleveland, Geo. B. Latimer of Buffalo, Alonzo McDonald, W. L. Snow, Walter R. Cox, F. W. Barton and Michael McDevitt.

Seven charges in all were lodged against E. W. Hanks, former manager of the Pine Tree State Circuit. Hanks at present is under suspension and is ill in a hospital but despite his illness and his enforced absence, the charges against him were heard. A few decisions were reached and testimony was taken in several cases in which the conclusions of the board will be announced later.

The board affirmed the decision of the judges in placing Star Winter third in the \$10,000 Hoster Stake at Columbus, O., in September. Alonzo McDonald, driver, had protested, claiming that his horse should have been placed second.

The temporary reinstatement of Ruby K was affirmed. This horse was disqualified after a race at Cleveland, but it has since been bought by David Shaw of Cleveland, from W. K. Kreglow of DeGraffe, O.

WOULD COUGH SO HARD Would Turn Black In The Face.

A cough cold is one of the most dangerous kind. It leaves the throat or lungs, and sometimes both, affected if not taken care of immediately.

Obstinate coughs and colds yield to the grateful soothing action of Dr. Wood's Norway Pine Syrup, containing as it does all the lung healing virtues of the Norway pine tree.

Mrs. C. J. Selig, Dartmouth, N.S., writes:—"My little boy, six years old, had a dreadful, hard cough. At night time he would cough so hard he would turn black in the face, and at times he would stop nearly an hour before he would stop. I tried different cough syrups, but they did him no good. The little fellow was wasting away, as he could not eat or sleep, the cough troubled him so. I got a bottle of Dr. Wood's Norway Pine Syrup, and it did him so much good I got another. Now I am only too glad to be able to write this to tell how thankful I am, and to tell every mother to use nothing else."

Price, 25 and 50 cents.
Be sure you get "Dr. Wood's" when you ask for it. See the trade mark; the three pine trees.
