LOWER HAYNESVILLE.

Lower Haynesville, Dec. 13—The weather is all that could be desired at present but there is hardly enough snow for good sledding.

Christmas will soon be here again and the order of the season will be making fruit cake and getting ready for Christmas.

Mrs. George Palmer and little son Donald are in this place today.

Mrs. D. E. Nixon who has been spending the past month with her mother in this place, will leave for her home in Hartland, N.B., on Wednesday next.

Mrs. D. E. Nixon and Mrs. M. E. Elliott spent one day of last week at Cahill, the guests of Mrs. J. Woodworth.

Mr. and Mrs. Moses Allen and children of Harrington, Me., are also spending a few days with friends here.

Mrs. Judson Kearney has returned to her home at Jacksonville, Carleton county, and Mrs. George Bird to her home at Birdton, they having been called here by the illness and death of their mother, Mrs. S. A. Elliott.

The death occurred on Friday, December 5, of Mrs. Sarah Ann Elliott, an aged and much respected resident of this place. Deceased had been in failing health for some time and her death was not unexpected, although it came as a shock to her large circle of friends and relatives. Though at times her sufferings were intense, she bore it all with Christian courage, just waiting and longing for the moment to come when she should enter that home where pain and death shall be no more. At noon on Friday she called her loved ones to her and said: "The time has come when I must depart," and in a short time all was over and her spirit had returned to God who gave it. She was seventy-three years of age and leaves two sons and four daughters.

Backache Banished.

Thousands of men and women are suffering from weak, lame and aching backs, and many of them unable to do any work for the pain.

The stitches, twitches and twinges are bad enough and give enough misery, but back of the backache, and the cause of it all are the disordered kidneys crying out in warning through the back.

Backache is kidney ache, and there's serious trouble ahead for you if you neglect it.

Doan's Kidney Pills cure every form of backache by curing the sick kidneys that cause it.

Mrs. Jack Mason, Springhill, N.B., writes:—"I have been suffering from backache for a very long time. I tried everything and did everything, but still I would suffer. One day I was looking over your Almanac, and saw your advertisement for Doan's Kidney Pills, so I got 5 boxes, and I am glad to say that they brought me back to life again, and from now on I will never be without them."

Doan's Kidney Pills are 50 cents per box, or 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

If ordering direct specify "Doan's."

They are Henry and Harvey of this place, Mrs. J. Kearney of Jacksonville, Mrs. George Bird of Birdton, Mrs. B. B. Foreman and Mrs. J. White, who also resides in this place. The funeral services were conducted by Rev. E. W. Lester, who took for his text the words, "Man goeth to his long home and the mourners go about the streets." Mr. B. R. Burt of Milville, was the undertaker in charge.

The workmen's compensation laws in effect in Michigan and Rhode Island are elective.

From the seventh annual report of the Board of County Road Commissioners.

1913 Traffic Census of Concrete Roads in Wayne County, Michigan

This census was taken on the six main thoroughfares, which are built of concrete, leading into Detroit, for seven consecutive days of 24 hours each, in August and September, 1913.

The table shows, for all kinds of vehicles, a gross total of 97,000, of which 33,835, or 35 per cent., were horse drawn, and 63,165, or 65 per cent., were power driven.

These figures indicate that the concrete road has the ability to stand up, without serious disintegration, under the terrific strain of a great amount of traffic on the Country Road, which equals, if not exceeds, the amount of traffic per foot of width, on many city streets. These figures indicate that, in proportion to population, the farmer is benefited to as great an extent as the city dweller.

Here is a paragraph taken from the Wayne County Road Commissioners' report:

"With the completion of Plymouth Road, we have abandoned every other form of construction and have adopted concrete as our standard. We feel that our experience of the past six years warrants us in arriving at this determination, based on its general satisfactoriness and its annual cost as compared with other forms of construction. In addition to the economy in hauling, the pleasure in driving and touring, and the increase in land valuation, the concrete roads of Wayne County have been the means of bringing tens of thousands of dollars to this locality."

Concrete roads will benefit any locality proportionately as they have benefited Wayne County, Michigan.

The fullest detailed information about concrete roads will be sent to anyone interested, without cost or obligation. Address
