### FINE EXHIBIT OF CREAM SEPARATORS

The Empire Cream Separator Co. of Canada Ltd., with offices at Toronto have a splendid booth at the exhibition and it is attracting great deal of attention. This well known firm is showing the famous Empire Cream Separator which has several well established reassuring features. It is said for every Empire machine that it is sound in principle, correct in design, and perfect in construction. The Company will not allow any separators to leave their factory until it has proved itself, by rigid test to be perfect. The Empire people are also showing at this fair the Sta-Rite Gasoline Engine which for perfect construction is unsurpassed anywhere. The redeeming feature of the Sta-Rite Engines are that they are simple to run and has none of those useless trinkets, small springs, hooks, etc., so commonly found on ordinary engines which are so troublesome. The durability of this engine is also above reproach and is built for long service while the saving on the running is a great advantage. The Sta-Rite has all the good qualities combined which are found in other makes.

A visit to either of these exhibits is very interesting and the obliging men in charge find it a pleasure to answer all questions concerning both the Empire Separator and the Sta-Rite Gasoline Engine.

### "CASCARETS" CLEANSE LIVER AND BOWELS

Feel Bully! No Headache, Sour Stomach, bad Breath, Constipation

Get a ten cent box now.

Are you keeping your liver stomach and bowels clean and fresh with Cascarets—or, merely forcing a passageway every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse the stomach, remove the sour undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system the constipated waste matter and poison in the bowels.

No odds how sick, headachy, bilious and constipated you feel, a Cascaret to-night will straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep your head clear, stomach sweet and your liver and bowels regular for months. Don't forget the children—their little insides need a gentle cleansing, too.

### PERSONAL

### CATARRH OR COLDS NEVER QUICKLY CURED BY SWALLOWING DRUGS

Cough Syrup, Tablets, etc., go to the Stomach, Perhaps Sicken It, But Don't Kill the Germs of Catarrh

THE DIRECT BREATHING CURE IS BEST

To cure an ailment in the throat, or chest, to rout out Catarrh or Asthma, it is essential that the medicine be conveyed direct to the affected parts. This is why no other remedy has achieved such world-wide success as Catarrhazone, which alone can be breathed in one second to every air cell in the breathing organs. The healing vapors of Catarrhazone mix with the breath and descend through the throat, down the bronchial tubes, to the deepest air-cells in the lungs—all parts are saturated with the rich piney essences that ease, heal and cure.

"No one ever contracted a more obstinate attack of nasal catarrh than I suffered a month ago," writes Mrs. G. E. Root, a well-known resident of Bridgetown, W.I. "My head ached terrifically, I sneezed about every three minutes but still my nostrils were entirely closed and I could not breathe through them. Ten minutes inhaling Catarrhazone gave me a little relief, so I continued to use Catarrhazone every hour and before the day was out I had improved. Catarrhazone quickly cured me. I am well ever since."

There is no remedy so certain and safe as Catarrhazone, but being a good remedy it is imitated. Beware of the substitutor. Large Catarrhazone lasts two months, price \$1.00; smaller sizes 25c. and 50c. At all storekeepers and druggists, or The Catarrhazone Co., Buffalo, N.Y., and Kingston, Canada.
