TAYMOUTH

Taymouth, Aug. 26.—The home of Mr. and Mrs. Angus M. Edney of Taymouth was saddened on Friday, 22nd inst., by the sudden death of their infant baby Jean Norrad, aged three months. The funeral took place from the Presbyterian Church at that place. Rev. Mr. Murray of Stanley officiated and preached a very impressive sermon having for his text the 19th chapter of Matthew 17th verse, "Suffer little children and come unto me and forbid them not for of such is the kingdom of Heaven.": The choir provided the following hymns, 'Safe in the arms of Jesus," "When He Cometh," "Son of My Soul" and Mrs. John A. Young, organist, sang a solo, "Then Scatter Seeds of Kindness," which touched the hearts of those present. The many floral tributes shows the sympathy which is felt through here for the bereaved parents throughout the community.

CHARIVARI MAY RESULT IN SUIT

Citizen Charges Road Commissoner Jewett With Trespass Upon His Property

The city is threatened with suit as the result of a char vari which took place a short time ago near the residence of Mr. Glasier Currie. A wedding was celebrated with the usual bon-fire in the street and the next day the remains of the fire formed an unsightly heap upon the street. Road Commissioner H. C. Jewett, observing this, asked Mr. Currie to remove the rubbish which was in front of his residence. Mr. Currie, it is said, refused, disclaiming any responsibility for the bon-fire. To other city officials he gave a similar reply. The road commissioner then acted, having the remains of the fire removed but the rubbish was placed on Mr. Currie's land. At City Hall it was reported today that Mr. Currie had retained Ex-Ald. P. A. Guthrie and threatened suit for trespass.

FREDERICTON BOND PRICES COMPARE WELL WITH OTHERS

The City of Fredericton has sold $25,000 worth of four per cent. debentures to the Royal Securities Company of St. John, and a further issue of $10,000 worth probably, will be sold before the close of the year. This sale has been made to meet the cost of the purchase of full rights to Queen's Square, to meet the cost of permanent ttreets and the cost of the new fire-station. The sale of an additional quantity will be made as the expense is increased. It is announced that there is to be no purchase of motor-apparatus for the Fire Department this year so no debtnrure-sale will be necessary to meet that expense.

Owing to the fact that a marked stringency exists in the money market and the bonds bring only four per cent., it has been necessary to sell considerable below par. The sale price was tuch that the purchaset will obtain five per cent. on the bonds. This price is considered by the Finance Committee to compare well with that obtained by the latger eastern cities and is much better than that obtained by western municipalities.

The Finance Committee has also received an offer to purchase a quantity of short term bonds for 85, but refused it, believing that a better price could be obtained.

Since the panic of 1907 there has been a noticeable tendency to increase the interest rate on municipal bonds. Halifax and Moncton have issued 4½ per cent. bonds and New Glasgow 5 per cent. bonds. Small western municipalities are offering as much as 7 per cent. The debenture issue just sold by the City of Fredericton was authorized by legislation of 1911 and 1912 and a 4 per cent. interest rate was decided upon.

It is stated that the debentures wert sold outside the city because it was thought the issue too large to be taken up by local people.

The price received is slightly lower than thae received within the past few years.

EVIDENCE ALL IN

HOME FROM ENGLAND

Hon. Senator Thompson, accompanied by his son, Mr. J. Alex. Thompson, returned today from a trip to the Old Country. They crossed the Atlantic by the Empress of Ireland arriving at Rimouski last night. While in England they visited the Earl and Countess of Ashburnham and were most hospitably entertained. The Earl, they say is an ideal host and could not do enough for them. They spent some time touring the country by auto, Mr. Alex. Thompson driving the car." Talk about roads" said the latter to The Mail, "never saw anything like them. Motoring in England is a pleasure beyond compare."
