birthday congratulation

Congratulation

Dorsey W. Shackleford, representative in U. S. Cangress of the Eighth Missouni districti 60 years old today.

Daniel J. McGillicudgy, representative in Congress of the Second Maine district, 54 years old today.

Toget at the name of a book. Who but a genius could conceive that by "Within or Outside the Pail" was meant "Beyond the Pale," or that by "Within or Outside the Pail" was meant "Beyond the Pale," or that by "Within or Outside the Pail" was meant "Beyond the Pale," or that by "Within or Outside the Pail" was meant "Beyond the Pale," or that by "The Forgotten Cigat" a customer meant "For God end the Czar?"

Even Mr. Bullen would be puzzled by a reference to "Screws of the Cash Lock" for "The Cruise of the Cash Lock" for "The Congro" for "She Stoops to Conquer," "Hero of the Week" for "Hereward the Wake," "Lined Pockets" for "Lying Prophets," and "Bad Acre of Greece" for Baedeker's "Greece."

F'ton. N. B.

Invention

It is possible that before long all bank notes will be printed, not on paper, but on silk of a particular shade. It is by means of photography that most clever bank note forgeries are effected. An English concern held a private demonstration when Mrs. Ernest Hart explained a new process she invented for waterproofing fabrics without rubber and dyeing them in without rubber and dyeing them in liam street, and Sir Rowland Hill at the same operation. By utilizing this the Royal Exchange. process linen, cotton, or other material can be put into one end of a machine white and brought out a few miutes later colored, waterproofed, and dry! Each machine treats 480 yards in a day, and the materials produced are useful in hundreds of trades, from building aeroplanes to bank note makthat it cannot be photographed

modern Lantern

A storage battery electric lantern modeled after oil lanterns switches on the current when the handle is raised and shuts it off as it is dropped.

Brief Conversations

Under new German rules no local telephone conversation may last long er than six minutes and no long distance conversation longer than nine.

Cook's Cotton Root Compound.

## A NEWSY REVIEW

On condition that he undertake t acquire within twelve months a col loquial knowledge of Welsh Dr. Manifold was appointed senior assistant medical officer at the North Wales Counties Lunatic Asylum.

"It's Water We Want"

To protest against a shortage in the water supply many of the inhabitants of the colliery village of Aber, near Cardiff, organized a parade. In the procession was carried a banner with the words, "It's water we want; no water, no rent."

Ferocious Dogs

A strange example of canine ferocity was furnished at Girvan, Scotland, when a lad named George Love, son of Captain James Love, Grangemouth A Possibility of the Future, a Woman's was attacked by four dogs on Girvan shore and badly lacerated. They were beaten off with considerable difficulty.

Cleaning Public Statues The Corporation of London voted \$200 to be spent on cleaning and renovating the statues within the area of its jurisdiction. They are the statues of the Prince Consort in Holborn, King William IV. in King Wilthe Royal Exchange.

Memorial to Composer

There was unveiled in the Doune Cemetery, Girvan, Scotland, a monu mental cross, erected by public subscription to the memory of William Jackson, composer of the air to "The ing. As regards the latter, the material produced is of such a color other songs, who is buried in a nameless grave there.

Girl Keeps Bull at Fay When a laborer on a farm near Fermoy, Ireland, was knocked down by a bull, which began to maul him, weight is not known as it was more by a bull, which began to maul him, Miss Jennie Watson, a girl of eleven, attacked the animal with a shovel handle, and by beating it on the fore head kept it at bay until the man got to his feet, when both escaped through a gate.

Duke's Inn

A statement regarding the owner ship of the Ferry Inn, which is claimed captured at Lebec in 1892 and said by the Duke of Argyll, was submitted to be preserved on Campbello Island. to the Inverary Town Council. It was A specimen twenty-three and threeresolved to offer to hand over the quarter inches long and weighing writer, died at Putney, Eng. Born, Ferry Inn at once to the Duke of thirty-four lbs. is known. Argyll, along with the ferry rights, provided his grace undertook to kee an efficient ferry service between In verary and St. Catherine's.

The Golden Well A meeting of "pilgrims" resorting to St. Winefride's Well was held at Holywell, Wales, and passed a resolution protesting against the proposed mining drainage works which, it is said, will diminish the flow of water

to the well, which is credited with miraculous cures. St. Winefride's Well, said Mr. M'Kean, M.P., was the greatest asset England and Wales had. It was "a gold mine," and it would be a mistake to sacrifice an actual gold mine for a problematical lead

A Royal Precedent

It is probable that the Prince of scare the Duke joined the Tedding ton volunteers, and carried a musket n the ranks. But he was not then heir to the throne which he occupied

eventually as William IV. Gymnastic Burglar Captured

A gymnastic burglar was captured by the Glasgow police on four charges of breaking into shops andwarehouses A remarkable feature of all these burglaries was that the burglar entered the premises through the window or roof after having climbed a pipe. In one case it is known that he must have climbed a pipe to the sixth storey Girls Fight About Sweethearts

Mary Meldrum and Barabara Flem ing, young girls employed in the woodyard at Bo'ness, were charged with engaging in a stand-up fight in North street. They had each other by the hair, and their extraordinary conduct attracted a big crowd. The fiscal said they fell out about sweet hearts. "Shake hands and go away," aid the magistrate. They did.

Comedy of Bogus Commissioner The story of how a well-dressed man duped a countryside by playing the rôle of Land Commissioner was told at Galway, Ireland, when Thomas Parker was sentenced to nine months' imprisonment for obtaining food and lodging by false pretences. John Keating, a farmer, said that the accused called at his house, and said he was a Land Commissioner, and that he had come down to divide Earlspark. He said he would not give the witness more than six acres. The accused remained all night, and had his supper and breakfast. The witness went round with the prisoner on the following day to mark out his holdings. Others had similarly enter-

tained the prisoner.

A cup of tea or coffee contains from 1 1-2 to 3 grains of catfeine--a poisonous drug?

Five grains of caffeine is enough to kill a Rabbit. Of course that much wouldn't kill a man.

But continual tea and coffee drinking usually produces biliousness, headache, dullness, sleeplessness, irratibility and heart agitation. Many people have gotten rid of these troubles by buitting tea and coffee and using.

## Instant Postum

It is pure and made entirely of Northern wheat and the juice of Southern sugar-cane. Postum is a genuine food-drink--rich in Nature's Phosphates and contains no drug whatever.

Pustum comes in two forms.

Regular Postum (must be boiled.)

Instant Postum requires no boiling, but is made instantly by stirring a level teaspoonful in a cup of hot water with cream and sugar to taste.

Experiment until you get it to suit your taste, then have it always made that way. Made right, Postum has a delightful flavor It tea and coffee don't agree, suppose you leave them off ten

days and try Postum. Drink it instead of tea or coffee.
