A GREAT OVATION FOR THAW

(Continued from page one.)
JUDGE REBUKES CROWD.

When court reassembled this afternoon and the crowd, double that of the morning, arose as the judge took his seat, a hush fell over the room. Then the court spoke, first in English and then in French:

"I must say I was shocked this morning," he said, "to be a witness of a most disgraceful scene in this court, one which would give a very poor idea of the dignity with which the sittings of our courts are held, and which I trust and hope will be taken as the exception, not the rule. I have been long at the bar and I have been some time on the bench, but I must declare that I have never witnessed such a scene and that if any attempt is made to repeat the conduct of this morning, I will have the guilty parties put in the jail."

In the face of such solemn warning not a sound escaped the crowd when the court sustained Thaw's counsel in the contention that they were within their rights in withdrawing the writ of Habeas Corpus. The court held in brief that a man may discontinue any proceedings he has undertaken in his own behalf, provided that there is no specific law forbidding it.

"I therefore grant the application," he concluded, "and order him (Thaw) recommitted to jail to be dealt with according to law on the charge that stands against him."

MAY APPLY FOR BAIL

Sherbrooke, Que., Aug. 27.—At 2.30 o'clock this afternoon Justice Glohensky rendered judgment, granting a discontinuance of the Habeas Corpus proceedings and ordered Thaw returned to the Sherbrooke jail.

This places the case exactly where it stood before the writ of Habeas Corpus was taken out. Thaw is in Sherbrooke jail on a commitment made at Coaticook. The lawyers for the defence claim he can stay as long as it pleases him as the commitment is for an indefinite period. It is impossible to say what next move will be.

It is said that the defence will apply for bail and it is alleged that Thaw cannot be touched by the Immigration authorities until the charges have been disposed of.

Justice Glohensky before delivering judgment, warned the public against any demonstration. He said that any one creating a scene would be sent to jail if caught in the act.

NO MORE ASTHMA A CURE DISCOVERED THAT REALLY DOES CURE

Thousands Testify to the Lasting Benefit Derived by This Marvelous Preparation

The country is simply wild over the wonderful cures of chronic asthma that are being made every day by Catarrh-ozone. It is a scientific surprise, a perfect marvel the way it brings old chronics back to health. You will say so yourself after you have used it once, say so after the very first time. Ever since people first began to have asthma, Catarrh-ozone is certainly the best remedy discovered.

Creighton E. Thompson, well known in Calgary, writes:—"Nothing too strong can be said for Catarrh-ozone. I suffered four years from asthma in a way that would beggar description. I went through everything that man could suffer. I was told of Catarrh-ozone by a clerk in Findlay's drug store and purchased a dollar package. It was worth hundreds to me in a week and I place a priceless value on the benefit I have since derived. I strongly urge every sufferer to use Catarrh-ozone for Asthma, Bronchitis and Catarrh."

The one dollar package lasts two months; small size, 50c.; sample size, 25c.; all storekeepers and druggists, or The Catarrh-ozone Co., Buffalo, N.Y., and Kingston, Canada.

GEM THEATRE OPENS TONIGHT

D. M. Richards Has Fitted up One of the Finest Moving Picture Houses in Lower Provinces

The new Gem Theatre at the corner of King and Carleton streets is to be opened to the public this evening. Proprietor Richards has gone to great expense in providing the city with a modern moving picture house, and standing room is likely to be at a premium tonight. He has what is conceded to be one of the finest theatres in Eastern Canada. It has seating accommodation for six hundred people, the latest thing in opera chairs being provided for all.

Factory Inspector Kenny recently inspected the new theatre and his views are set forth in the following letter:

St. John, Aug. 18, 1913
D. M. Richards, Esq.,
Fredericton, N. B.

Dear Sir,—As inspector of buildings for the Province of New Brunswick where moving pictures are exhibited, I desire to say that on the 15th inst I made an inspection of your building situated in the City of Fredericton. This building you have recently remodelled, to be known as the Gem Theatre and which is to be used as a Moving Picture House.

A careful inspection of this building showed me that no pains or expense have been spared in order to make it modern and up-to-date in every particular, and everything has been done to ensure the comfort and safety of those who may frequent it.

I congratulate you upon the care exercised in installing the lighting and heating system of this building and with the latest picture machine enclosed in a fire-proof operating cabinet which is from the standard of safety one of the most essential requirements in a moving picture house. I am satisfied that the visit of fire is reduced to a minimum.

Wishing you every success,
Yours truly,
JOHN KENNY
