Removed—It is rumoned that majority greater until it was seen ing rights. The company will seek for that Mr. Neales, the Pitts candidate, full of locating all three in paying quantities. Should their efforts be history of elections in this province. TWO MILLION—Mr. James Humble of Cross Creek, the largest lumbering operator on Nashwaak River, has 2,000,000 feet of logs yarded this season.

A GOOD, ONE W. P. Bankon, the Special and the opposition condidate with the province of elections in this province. Fromhere messages were going all over the province, telling the tidings to friends of the attorney general, that he had a greater success in Queen's than the most sanguine expected. Mr. Blair's majority was season. tracting the attention of outside capi-

New Brunswick as well as the other eastern provinces, certainly is at tracting outside capitalists, and this is due mainly to the increased amount of advertising the east has peen doing during the past few years. The lure of the west is a thing of the past and that old worn out advice, 'To west, young man," has changed "stay east, young man.

That this province is forging ahead no one in authority will deny, and especially so is this fact regarding this our own part of the provincethe Miramichi-which, although now known the world over; will, with the operation of the wireless nowlin course of erection here, be brought in closer contact with the leading anancial and industrial centres of the

civilized world. By constant advertising in this, as in all lines of trade, there is bound to come success, and the work now lies with the papers, both daily and weekly, to boom this province everything there is in it, and especially our own home towns, and there by make New Brunswick a bigger and
