Halifax Stallion Dingola did it in 2.13 1-4 Also
Equaling Stallion Record--H. G. Kitchen's James
K. Newbro the Fastest Gelding of Year--Devilish
Dorothy was Biggest Money Winner at Maritime
Circuit

The Halifax Recorder's annual resume of harness racing in the Maritime Provinces shows that 214 heats were trotted or paced during the season in 2.30 or better, and 48 of these were in 2.20 or faster. This is not as good a showing as last year, but most of the racing was not until late in the season, except in Cape Breton where there were more meetings held within a radius of a few miles than in any other part of the Provinces.

Twenty one horses owned in the Provinces entered the 2.30 list, and another owned in Maine entered the 2.20 list on a Provincial track, and 19 already in the list reduced records.

FRANK PATCH

Frank Patch, driven by Frank Adams, made the fastest time by any horse owned in the Maritime Provinces this season, though not on a Provincial track, his new record of 2.11 having been made at Brockton, Mass. His stable mate, Dingola, also owned by J. B. Mitchell, Halifax, and driven by Fred Cameron, made the fastest mile on a Provincial track, he having paced two successive heats at Fredericton in 2.13 1-4. The Fredericton track, as last year, thus has the fastest mile of the season to its credit. Dingola thus also equals the stallion record for the Provinces, which is held by Frank Patch, so that Mr. Mitchell has in his stable the two fastest stallions in the Provinces.

FREDERICTON HORSE

The fastest gelding in the Provinces this year was the pacer, Jas. K. Newbro, owned by Hamilton Kitchen, Fredericton, and handled by Tommy Raymond. He placed both the first and third heats in the 2.19 class at Chatham, N. B., in 2.13 1-4, 2.13 1-4.

The fastest time by a mare on a Maritime Province track this season was 2.14, also at Chatham, by Jennie W., owned in Montreal.

CHAMPION TROTTER

Devilish Dorothy, owned by the veteran turfman, Dr. J. L. Jenkins, and driven by Fred Cameron, was the champion trotter of the season with her miles at Charlottetown in

W. Fisher, secretary.
G. W. Hoeg, treasurer.
T. G. Loggie, J. S. Campbell, J. Pitblado and R. S. Barker, managing committee.

SALMON CAPTURED—Two very fine salmon, which appeared to have lost their knowledge of the season, were taken a few nights ago in the vicinity of the city in a shad net. Nothing similar has occurred at this season so say the oldest fishermen. Speaking of fish, it may also be said that not one striped bass was seen this year when hundreds were formerly caught.

CRYSTAL WEDDING—There was a very pleasant gathering at the home of Mr. and Mrs. W. T. Whitehead on Monday in celebration of their crystal wedding. Many friends visited the happy couple, leaving many substantial tokens of their regard.

TO REMOVE—Hon. A. G. Blair, with his family, will remove to St. John where there is a wider field for his recognized abilities. This will be a great loss to Fredericton, viewed
