GIRLS! STOP WASHING THE HAIR WITH SOAP

Soap Dries Your Scalp, Causing Dandruff, Then the Hair Falls Out

After washing your hair with soap always apply a little Danderine to the scalp to invigorate the hair and prevent dryness. Better still, use soap as sparingly as possible and instead have a "Danderine Hair Cleanser." Just moisten a cloth with Danderine and draw it carefully through your hair, taking one strand at a time. This will remove dust, dirt and excessive oil. In a few moments you will be amazed, your hair will not only be clean, but it will be wavy, fluffy and abundant and possess an incomparable softness and lustre.

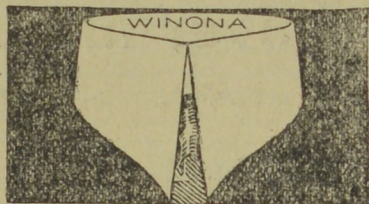

Besides cleansing and beautifying the hair, one application of Danderine dissolves every particle of dandruff; stimulates the scalp, stopping itching and falling hair. Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating and life-producing properties cause the hair to grow long, strong and beautiful.

Men! Ladies! You can surely have lots of charming hair. Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it.

TO CLOSE SCHOOL

It is reported this afternoon that scarlet fever in Marysville has become so widespread that it has been decided to close the school this week. One week in advance of the Christmas vacation.

MUST BE TEETOTALLERS.

Halifax Herald:—Railway mail clerks on trains out of Halifax are considering making representation to the deputy postmaster general asking that the recent rule, which makes total abstinence from intoxicating liquors absolutely necessary to continuance in the service, be modified to prohibit drinking on duty alone. It is contended that the jurisdiction of the department does not extend to the life of the mail clerk as a private citizen. The mail clerks of several route districts have planned upon formally protesting to the postmaster general.

WILL PAY THE EXPENSE.

St. John Globe:—Mr. F. deL. Clements, chairman of the Board of Trade special committee dealing with the protest against the proposed embargo by the United States on potatoes, today received a wire from Mr. Daggett, deputy minister of agriculture, saying the expenses of a representative of the potato shippers of New Brunswick would be paid to the hearing at Washington on the 18th. This generous response on the government's behalf will be submitted to the shippers and it is expected arrangements will be completed for a representative. If the embargo is enforced a very serious blow will be struck at the agricultural interests of New Brunswick and through it at business generally.

POLICE COURT

Two drunks were called in the police court this morning, and were sentenced to pay fines of four dollars each or go to jail for twenty days.

WANT AMENDMENTS TO CRIMINAL CODE

Ottawa, Dec. 10.—Amendments to the criminal code in regard to immorality were urged upon the Minister of justice and others members of the government today by Rev. Dr. Shearer and Rev. Dr. T. A. Moore, secretary of the social service council of Canada, and by Rev. P. H. Hazelwood, secretary of the department of social and moral reform of the Methodist church.

They asked for legislation at the coming session of parliament raising the age of consent from fourteen and sixteen years to sixteen and eighteen years; making habitual adultery a criminal offence under severe penalties; providing for the complete abolition of race track gambling; and making it a criminal offence for any employer to seduce a female employee under the age of twenty-one.

Mr. F. B. Carvell, M. P., of Woodstock, is in the city today on professional business.
