AROUND THE MARKET.

There was a fair sized mid-week market yesterday and very good prices prevailed. Potatoes sold at \$1.25, turnips at 50 cents, carrots at \$1.25 and cabbages at 5 cents each. Other prices were: Eggs 40 cents, butter 35 cents, beef 6 and 8 cents, lamb 12 and 14 cents, pork 12 and 13 cents.

ALL DONE WITH THEM

"I am done with the Tories and Toryism for ever" was the remark made by a prominent farmer a few days ago as he exhibited a fat check received in exchange for a quantity of potatoes which he sold for export to the United States market. "They pulled my leg two years ago, but I'll be hanged if they are going to do it again."

THE POTATO TRADE

Potato buyers from Carleton Co. have been in the Parishes of Southampton and Canterbury for some time past buying potatoes for export to the United States. Heavy purchases have been made at from \$1.15 to \$1.25 per barrel. Potatoes bought along the river front in Southampton are hauled over the Pinder railway to Millville.

ENTERTAINMENT.

The boy's orchestra of St. Paul's Church gave an entertainment last evening in the Auld Kirk. The excellent program carried out consisted of selections by the orchestra, cornet solos, banjo solo, club swinging, etc. The shadowgraph of the doctor and the dentist made a great hit with the audience. The performance was very creditable to all concerned.

BY REQUEST.

The same show as yesterday will be repeated again tonight at the Gem. It's so good we can't let it go. It includes the three-part Thanhouser, "The Message to Headquarters," thrilling and exciting. It will make you sit up and take notice. Also two Keystone comedies. Don't miss seeing this great show. Remember, it's the Gem.

RETURNING NEXT WEEK.

A cablegram received yesterday from Mr. and Mrs. R. N. MacCunn, who have been in the Old Country for the past month, states that they will sail for home on the 22nd by the White Star liner Megantic. Mr. and Mrs. MacCunn will make their home for the winter with Mrs. MacCunn's parents, Mr. and Mrs. F. B. Edgecombe, and in the spring will occupy their own home.

REPAIRS MUCH NEEDED.

The right hand approach to the Highway Bridge from the Fredericton side is in bad condition, there being a drop from the bridge to the ground of fully one foot. This should be filled in with sand or gravel to level it up as it is not safe for carriages coming off the bridge, which are liable to break their wheels. Repair should be made at once, especially as there are a great many complaints from those who drive on the bridge.

CITY BYLAWS ENFORCED.

Ten offenders against city bylaws were summoned before the police court this morning. Two citizens were fined \$2 each for riding bicycles upon the sidewalk. One was fined \$2 for allowing a load of wood to remain on the street overnight. Two were fined \$1 each for depositing ashes upon the street. One was fined \$2 for allowing a cow to be at large. Four charged with allowing fowls to be at large did not appear.

BIG SHIPMENT
OF GAME MADE
TO CLEVELAND

Members of Forest City Hunting Club
Bring Fifteen Deer and Three
Moose Out of Cain's River
Country

The largest shipment of game that has gone through Fredericton this season arrived here over the Intercolonial Railway today, destined for Cleveland, Ohio. The shipment consists of the carcasses of fifteen deer and three moose. The game was killed by eight sportsmen from Cleveland, members of the Forest City Hunting Club. Two express wagons were required to transport the carcasses from the I.R.C. station to the C.P.R. and attracted much attention. A special express car will be used to carry the game to Cleveland. The party went into the woods about a fortnight ago. Frank Russell of Doaktown, was guide and the party hunted in the Cain's River country. The kill of deer almost reached the limit, non-residents being allowed under the game law to kill only two. The members of the party are at the Barker House and report an excellent outing in the woods.

The value of the game to the province is well illustrated in connection with the Cleveland party, its members having to pay \$400 for licenses as well as spending a considerable amount of money in other ways. The present season has not been a good one from the point of view of the guides in general, as the number of non-resident hunters has not been up to past records.

Miss Helena Wark, who has been visiting here, left last evening for Boston.

Mr. Samuel Bird Found Dead in the
Yard at His Home on Wednesday
---Hemorrhage of the Brain Cause
of His Demise

Mr. Samuel Bird, a well known and esteemed farmer of Mouth of Keswick, died very suddenly at his home yesterday morning. He got up at the usual hour and after breakfast went out to the barn to attend to some chores. His lifeless body was found in the yard a short time afterwards. It is believed that his death was due to hemorrhage of the brain. The news of his sudden death spread quickly and was a great shock to his relatives and friends.

The deceased was a native of Bird Settlement and was seventy-two years of age. About ten years ago he purchased the James Colter farm at Mouth Keswick and has since resided there. In politics he was a staunch Liberal and took a deep interest in public affairs.

A widow and a family of three sons and four daughters survive the deceased. The members of the family are Bruce of Regina, Mrs. Hamford Sloat and Tilley of Keswick, Mrs. Kimble of Colorado, Ritchie of Boston, Mrs. Hooper of Lynn, and Miss Nellie Bird of Lynn. He also leaves four brothers and three sisters. They are James of this city, Frank of Woodstock, Frederick and John of Keswick, Mrs. Benjamin Evans of Cardigan, Mrs. William Boyd of Nashwaakasis, and Mrs. Joseph Richards of this city. Another was the wife of Rev. Canon Medley.

The funeral will take place at 1.30 o'clock tomorrow afternoon, with interment at Smith's Corner.
