THE PONY CONTEST.

Such a heavy vote was cast in the recent pony contest that the force of counters employed have not as yet finished their work. While several of the candidates will show up well, it seems to be the general impression that the niece of a government official will land the prize.

HE WAS ASTONISHED.

One of the photographers here last week taking photos for the C.P.R. in conversation with a leading farmer, expressed astonishment that the government experimental farm was not located in Kingsclear instead of at the lower end of the city. Similar views have been expressed by several other people.

PULPIT EXCHANGE

Rev. G. F. Dawson, president of the New Brunswick and Prince Edward Island Methodist Conference who laid the corner stone of the new Methodist Church at Marville Saturday occupied the pulpit of the Fredericton Methodist Church at both services yesterday. Rev. Neil McLauchlan preached at Rev. Mr. Dawson's church at St. Stephen.

WARNING.

I am informed that a Mr. Gill of Nashwaaksis, who claims to have an office in St. John, is travelling through this county selling glasses, representing himself as my agent. He is selling under false colors and has no connection with my business.

GOVERNMENT MEETING.

The local government is called to meet in St. John tomorrow. Premier Fleming has promised to hand in a statement of the cost to date of the Fredericton bridge job and he is also going to see if something cannot be done to stop this extravagant expenditure of public money. The premier may give up a kick but the knowing ones say that it will not amount to much. Chief Commissioner Morrissey will probably tell him that people who live in glass houses are not in a position to throw stones.

NOW HAS PH.D. DEGREE.

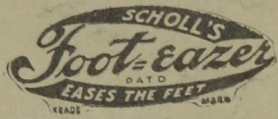

At the convocation of the University of Chicago held on August 29, Rev. Frank O. Erb, formerly of St. John, received the degree of Ph.D. magna cum laude. Mr. Erb was brought up in St. John and graduated from the High School in 1895. He took his B.A. degree from the University of New Brunswick in 1900. While attending the University of Chicago he has been assistant minister of the Hyde Park (University) church, and now becomes the minister of the Free Street Baptist church in Portland, Me.

SEES MANY CHANGES.

Mr. and Mrs. A. G. Edgecombe of St. John, are in the city, the guests of Mr. John Neill. Mr. Edgecombe, who was formerly a resident of this city, told The Mail this morning that he was astonished at the numerous changes which have taken place here in the ten years which had elapsed since his departure. "You have no real estate booms on and you are making less noise than some places but I believe your city is relatively growing as rapidly as St. John." Mr. Edgecombe is receiving a hearty handshake from many old friends.

BEQUESTS TO THE
MISSES WILLIAMS BY
LATE CHAS. PERKS

Cousins of Deceased Residing in This City Left Three Thousand Dollars Apiece by Deceased Who Lived in Houlton

The Misses Williams, residing in St. John street, are reported to be beneficiaries by the will of the late Charles Perks, who died a short time ago at his home in Houlton, Me., and whose remains were brought here for interment.

It is said that under the terms of the will the sum of \$3,000 is left to each of his two cousins, the Misses Williams of this city. The deceased, who resided in Fredericton in early life, was associated with his brother, the late William Perks, in business at Houlton for some years and after his brother's death was in business himself. He left an estate that is estimated to be worth upwards of \$50,000.

The Misses Williams, to whom the bequest has been left, formerly conducted a millinery business in this city. They are being congratulated upon their good fortune.

HEARD MANY COMPLAINTS.

Premier Fleming, while in the city last week, heard a number of complaints over the manner in which the work on the highway bridge is being carried on. Some of the most outspoken ones asked that an official of the Board of Works be suppressed. The premier promised that the whole matter would be threshed out at the meeting of the executive, to be held in St. John on Tuesday.

GETTING STRICT

Some spectators who were loitering on the draw span of the highway bridge this morning watching the operations, were ordered off by traffic manager McElvaney. It is said they interfered with the work of the men below.
