NEWS FORECAST FOR COMING WEEK

Washington, D. C., Dec. 20.—The national capital is at the height of its preparations for the Christmas season. So far as Washington is concerned there will be little business of importance transacted during the coming week. The number of Congressmen who are going home for the holidays is very small in comparison with former years, but the fact that the majority of them are remaining in the capital is not taken to mean that they will overwork themselves during the holiday season.

Many department heads and clerks have obtained leave of absence to enjoy the holiday season at their homes in other parts of the country. It will be a Merry Christmas at the White House, where the President and Mrs. Wilson will be surrounded by nearly all the members of their immediate family and a number of other relatives. There will be interesting Christmas celebrations also at the various embassies and legations, especially those where there are children.

All signs point to a "Merry Christmas" throughout the length and breadth of the land. The threatened industrial depression has not yet materialized and, though some of the railroads and other great corporations are reported to be shortening sail, there is as yet no evidence of hard times. The weekly reports of the mercantile agencies issued today show that the Christmas business has been satisfactory in practically all lines of trade.

Few fixed events of importance are scheduled for the week, as is to be expected at the one season of the year given over by practically everyone to family celebrations.

Educators, scientists, sociologists and economic experts from all parts of the country will gather in Minneapolis at the end of the week for the annual meetings of the American Economic Association and the American Sociological Society.

The appeal of former Governor Morgan G. Bulkeley of Connecticut, and other stock holders of the New York, New Haven and Hartford Railroad from the decree of the Public Service Commission of Massachusetts authorizing the railroad to issue \$67,552,000 convertible debenture bonds, will be argued in the Massachusetts supreme court on Saturday.

of all who knew him. In St. John and Charlottetown especially he engaged in mission work which was attended with great success, as were the revival efforts conducted on almost all his charges.

CAREER IN MINISTRY.

Entering the Methodist ministry in 1870, Mr. Brewer was ordained in 1874 and served on the following circuits: Andover, Bathurst, Fredericton, Marysville, Gibson, Sussex, Centenary, St. John; First Church, Charlottetown; Central, Moncton; Marysville, Exmouth Street, St. John and Gagetown. From 1889 to 1890 he sustained a supernumerary relationship to the church and for some years was granted leave of absence.

Among the positions of honor which he held in the church was that of chairman of the Prince Edward Island District, chairman of Sackville District and chairman of Charlottetown District.

Mr. Brewer was born in Cornwall, England, was about sixty-five years of age, and is survived by his wife. The funeral will take place at Gagetown on Tuesday at two o'clock.

FRIEND OF LATE ALEX. GIBSON

The late Mr. Brewer, while holding the Marysville pastorate, became a close friend of the late Alex. Gibson, the founder of that town, and at his request made his home at Penniac while on leave of absence from the ministry.

AUDITORS' MEETING.

Auditor General Loudoun has returned from Ottawa, where he attended a meeting of provincial auditors. Seven of the nine provinces were represented at the gathering.

ADVERTISING PROVINCE.

The Glasgow Herald of Wednesday, December 3, contains an interesting article by Leo Scheff upon New Brunswick. Mr. Scheff recently visited this province. The article is illustrated, the pictures showing the Burns Monument in this city, farming and orchard scenes near Fredericton and J. B. Daggett, secretary of agriculture for New Brunswick, delivering an address at a gathering of farmers.

AT FORESTRY CONFERENCE.

Peter Z. Caverhill at the British Columbia Forestry Conference, which met recently at Victoria, B.C., gave a very instructive lecture upon road and trail building in his district, of which Kamloops is the centre. Mr. Caverhill emphasized the necessity of trails within five miles and telephones within ten miles of all standing timber. Mr. Caverhill belongs to Caverhill, York county, and is one of the first graduates of the Forestry School at the U.N.B.

RETURNED FROM GLACE BAY

Samuel Shepherd who removed to Glace Bay, N. S., a few weeks ago to act as interpreter has returned to Fredericton on account of the serious illness of his wife who remained here. Her condition is such that it is doubtful if she can be removed to Glace Bay.

DEATH AT ST. MARY'S.

Mrs. Staples, wife of Mr. Rainsford Staples, died at her home at St. Mary's, at eight o'clock last evening after a lingering illness. She is survived by a sorrowing husband and one daughter, Mrs. D. V. Storm. The deceased was a daughter of Mr. Thos. Burpee of St. John, and a niece of Dr. B. C. Foster of this city, and of Mr. R. W. Foster of St. Mary's. She is survived by four sisters and five brothers. They are Mrs. Murray Long of Lancaster, Mrs. Andrew Williams of Sudbury, Ont.; Miss Jennie Burpee, Miss Minnie Burpee of St. John, Thomas and Lockwood Burpee of Dorchester, Mass.; Frederick Burpee of St. John West, and Frank Burpee of Moosejaw, and Harry Burpee of Calais. The mother of the deceased was laid to rest only a few weeks ago. The funeral will take place at two o'clock tomorrow afternoon. Friends are requested to omit flowers.
