## Acadia Won From U. N. B., Score 8 to 5

THREE CLUBS IN  
M. P. H. A. CIRCUIT  
THIS SEASON

Glac Bay Applies for Admission and  
May Come in at Next Meeting--  
Moncton Players in Dispute

Halifax, N. S., Nov. 6.—Neither Moncton or New Glasgow were represented at the annual meeting of the M.P.H.A., which was held here today but as the delegates from Sydney, Socials and Crescents were present to form a quorum, President Lithgow called the meeting to order. The following delegates were present: Gordon Isnor for the Socials, Ald. Murphy and James Cosgrove Crescents, and J. C. Larder and E. J. Buckley, Sydney.

The meeting got through quite a lot of business, including the discussion of the proposed agreement between the M.P.H.A. and N.H.A., and Pacific coast leagues, election of officers and the disposition of the Moncton players of last season. With reference to the latter, the following motion was passed unanimously on the proposition of Alderman Murphy, seconded by J. C. Larder:

"That this association take over Moncton Club of 1913. The clubs comprising the association to be at liberty to negotiate for the services of such players. And in the event of Moncton re-entering the league that their present claims to these players to be recognized in so far as the association is concerned."

President Lithgow read a letter from President Quinn, in which the president of the N.H.A. considered that the players of the Moncton club were free agents, but it is very evident from the above resolution that the delegates at the meeting were of a different opinion.

There was a representative from Glac Bay in the person of J. Morrison, who made application for membership in the M.P.H.A.

There was considerable discussion on this matter, but the delegates were unable to come to any decision, and the matter was left over until the next meeting when it is hoped there will be a more representative attendance of delegates from the various clubs. Mr. Morrison said that Glac Bay rink could accommodate 2,000 persons and promised that if Glac Bay were admitted they would fulfill all their obligations.

The election of officers resulted as follows: President, J. C. Lithgow, Halifax; vice-president, J. G. Larder, Sydney; Gordon Isnor and James Cosgrove and a representative from each of the other teams comprising the league to form the executive. Mr. Lithgow was also appointed secretary treasurer of the association. Mr. Lithgow gave a very lucid report of the workings of the league last season. He deprecated the fact that last season several clubs acted in open defiance of the rules. Doc Doherty's suspension was lifted.

### ULHAN MAKES GOOD AS SADDLE-HORSE

New York, Nov. 5.—Uhlman as a saddle horse is the rather rare feature on the Central Park paths several times a week. His owner, C. K. G. Billings finds the trotting champion with a world's mark of 1:54, an excellent saddle animal.

It shows Uhlman's versatility as a horse, for as a rule trotters are no good saddle horses. Uhlman has such a fine "action" that his owner has no difficulty riding him to saddle. M. Billings next year may send his champion out to smash Dexter's mark. It is the first time that a harness racing champion has been ridden to saddle on Central Park.

From the road it looks as if Acadia is slated to become permanent owner of the King-Richardson silverware but you never can tell.

Fierce Game at Wolfville Yesterday--Several U. N. B. Players Hurt--Red and Black Outplayed Home Team in First Half Scoring Try and Converting it--In Second Half Acadia Tied Score by Back Play and Through Weight of Forwards Bucked Over for Deciding Try--U. N. B. Has Nothing to be Ashamed of

### "HUMP" CAMPBELL'S STORY

(Written for The Mail by "Hump" Campbell.)

Wolfville, N.S., Nov. 6.—(Special.)—Acadia kicked off, U.N.B. having advantage of sun and wind. McLeod blocked the kick and U.N.B., on a series of scrims, carried the ball to Acadia's twenty-five line. Acadia relieved by a long punt by Weldon. VanWart returned, kicking into touch at centre. Acadia, on a run made the U.N.B. twenty-five. A series of punts and scrims took the ball back to Acadia's twenty-five. From a scrim Melrose scored. The try was converted by Maimann.

Acadia kicked off and play saw-sawed back and forth until the end of the half with U.N.B. holding most of the ground.

### SECOND HALF.

U.N.B. kicked off against the wind. After an exchange of kicks U.N.B. finally got the advantage. Play stayed around Acadia territory until relieved by several dribbles and a punt which reached the U.N.B. twenty-five. Leaman received the ball from Kitchen and scored. Higgins converted.

From the kick-off play again started to see-saw. U.N.B. was threatened with a score several times but kicking relieved the situation. The scrim played a splendid dribbling and defensive game, carrying the ball out of danger several times and within scoring distance of Acadia's line. Play stayed here till within ten minutes of time. Acadia then advanced the ball to the U.N.B. twenty-five on a series of runs and kicks. Thence it went to the five yard line and stayed there till five minutes of time. Archibald scored on a buck. The try was not converted. The drop-out was blocked and play stayed around centre-field for the rest of the game.

### U.N.B. PLAYED ITS BEST.

All the team played a hard game and worked their best. Bender and Laughlin played the whole game after being severely injured. VanWart played a fine game at fullback.

U.N.B. should be proud of the boys. They lost but Acadia realizes that they were in a football game. We play King's tomorrow with all the subs working.

### ECHOES FROM WOLFVILLE

That beefy Acadia scrimmage which was the whole thing last year appears to have been the chief strength of the Garnet and Blue yesterday. Weight counts in Rugby today as it did twenty years ago.

Yesterday's game at Wolfville must have been about one of the closest ever seen on the Acadia field. The press account says the teams were evenly matched and that the game was either team's until the last whistle blew.

At Fredericton, October 31:  
U.N.B. 8, Mt. Allison 3.  
At Wolfville, November 6:  
U.N.B. 5, Acadia 8.  
At Sackville, November 14:  
Mt. Allison 7, Acadia 7.

The Red and Black played the style of game it has shown all season--scoring early in the first half and then slumping in the second.

The Acadia team evidently had the same trouble yesterday stopping the U.N.B. dribbles that they had last year.

"Mike" Kitchen, the near member of the U.N.B. team, evidently started a good many of Acadia's plays yesterday.

Crowds of U.N.B. rooters hung around the bulletin boards and telegraph offices yesterday afternoon, having hopes raised high by the score at half time only to have them dashed again by the final result. Matters were complicated by a false report that there had been no score in the second half and U.N.B. had won.

### ANOTHER ACCOUNT

The press account of the game sent to the St. John morning papers is as follows:

Wolfville, N.S., Nov. 6.—This afternoon in the second game of the King Richardson football trophy series, Acadia defeated U.N.B. 8 to 5.

Each team lined up at full strength and played their hardest. Acadia kicked off with a strong wind blowing from the west. Acadia pressed at first but U.N.B. soon got going and carried the ball down. U.N.B.'s dribbling was excellent, the Acadia half line having extreme difficulty in stopping their rushes.

### U.N.B. SCORES.

After about twenty minutes' play U.N.B. rushed. Leaman tried to punt clear but it was blocked. The U.N.B. halves got the ball and sent Balkam over. Maimann easily converted. Acadia pressed and almost scored several times but the half closed U.N.B. 5, Acadia 0.

### SECOND PERIOD.

The second half opened with Acadia pressing. U.N.B., however, got dribbling and the ball went very near Acadia's line. However, some fine kicking cleared the Acadia end and the half line getting to work, the ball went down the field in irresistible fashion, Leaman getting over with a nice try. Higgins converted and the score was even.

U.N.B. tried hard to retaliate but the U.N.B. halves and quarters kept them down. Within three minutes of the end Leaman made another fine run from centre-field and was tackled on the line. He passed to Archibald, who scored a sensational try that was not converted. U.N.B. again worked up to Acadia's yard line but Harlow made a run which took the play to U.N.B.'s five yard line, where the game ended. Acadia 8, U.N.B. 5.

It was the hardest game that has been played here for some time. U.N.B.'s dribbling was not to be beaten and the following up was good but their scrim was not in it with Acadia's nor was their half line so speedy. There was not a single bit of ill-feeling shown throughout the match. On the whole the teams were about even, the game being in doubt till the last minute.

In 1907 U.N.B. lost at Wolfville under circumstances similar to those of yesterday's game but worse from the U.N.B. viewpoint for they led Acadia 3 to 0 until five minutes of time only to lose 6 to 3.

U.N.B. cannot get in any worse position than second in the league at any rate and that is better than the Red and Black has done for several seasons.

### HIGHLANDERS AFTER OUTFIELDER JIM WALSH

New York, Nov. 5.—Frank Farrell, president of the New York American League baseball club, left for Chicago today to attend the annual meeting of the American League, beginning tomorrow. Mr. Farrell is hopeful of being able to announce soon a deal that will bring to the Yankees a new outfielder. "Jim" Walsh, utility outfielder of the Athletics, may be the man.

### NEW ZEALANDERS STILL RUN UP BIG SCORES

San Francisco, Nov. 5.—The All-Star Rugby team from New Zealand defeated St. Mary's College today, 16 to 0. Since their arrival a month ago the New Zealanders have played nine games against the best college Rugby teams in California. The total point score to date is New Zealand 381, America 3.

### AMERICAN LEAGUE AGAINST INTER-LEAGUE SERIES OF GAMES

Some of Demands of Players' Federation Pronounced Acceptable Known About Any Trades

Chicago, Nov. 6.—The American League, in its brief annual meeting today, voted unanimously against the proposal to substitute a general inter-league series for the world's series as now played; discussed informally the demands of the players' federation and pronounced several of them "acceptable," appointed a committee to represent it in a small convention to consider revision of the rules.

The meeting disposed of a number of routine matters, including the re-election of Charles W. Somers, president of the Cleveland Club, as vice-president. A new board of directors, consisting of the presidents of the clubs at St. Louis, Detroit, Washington and Philadelphia, was elected, these four succeeding the other four presidents.

No trades were announced, and most of the men present said they had not talked trade during the session, or after it. Manager Birmingham declared his team would remain intact, thus disposing of a reported attempt by the Chicago club to get one of the Cleveland outfielders. Robert McRoy said Cady would probably remain with Boston, though the club has one superfluous catcher.

The league will suggest the shortening of the playing season by starting it on April 14 and ending it on October 7. The dates, however, depend on the National League agreeing to them. The date for the schedule meeting was not announced.

### HEAVYWEIGHT TITLE IS DECLARED VACANT

Paris, Nov. 5.—At a meeting of the International Boxing Union here tonight the world's heavyweight championship was declared vacant, on the ground of Jack Johnson's conviction in the American courts and his repeated refusal to fight. Delegates from the United States, Belgium, Switzerland and France were present and the action taken had the approval of the English section of the union.
