## FREDERICTON, N. B., FRIDAY, OCTOBER 17, 1913

Emperor William and the Rulers of all Conditions in the the States of the Empire Gather at Leipsic---One of the Greatest Battles of the Napoleonic War was Fought There One Hundred Years Ago---Magnificent Monument to be Dedicated

Leipsic, Saxony, Oct. 17-Never be ever from the French yoke or perpe fore in her history has the Saxon tuate Napoleon's rule over them, capital entertained such a large gath- staked everything upon the outcom's distinctive of the armies of a dozen suburbs. of the European nations.

tory, pageantry and military display, the people af a united Germany look-ed tackward one hundred years and bowed low to the warriors who won "the battle of the nations," the fight which broke the power of Napoleon and marked the culmination of the German war of liberation. Tomor-the pelled him to return to France. The ton coupled with short selling, is allies undertook to intercept him but the prushed them aside at Hanau, on October 30, and finally succeeded in the battle of the nations," the fight can had received a blow from which he never recovered. He had used up the great armies immed.

(Quotations by J. C. Mackintosh & Co., Bankers and Brokers, German war of liberation. Tomor-row the celebration will reach a lately available to him and his subclimax in the dedication of the \$10,000,000 monument erected by the people of Germany in commemoration of
Germany celebrated the fiftieth an-

their victory.

The Battle of Leipsic, known throughout the world an "the Battle of the Nations," emphatically deserved that name, for it was a desperate struggle of the Garman nations and their allies against Napoleon's army, composed of Frenchmen the and what it stands for occupies eon's army, composed of Frenchmen tle and what it stands for, occupie and soldiers of the few German countries which still adhered to his tottering fortunes. On the side of the twicinity of Leipsic is there any Germans there were Prussians, Austrians, Russians and Swedes and even a detachment of British troops, a rocket brigade, in all about ment is an imposing almost over 300,000 men, while more than 200,000 whelming structure, built all of dark, men fought on the French side. More rough stone, hewn in huge blocks and than 3,000 cannon were employed cyclopean in its forbidding massive during the four days of the battle, which had gone down in history as the biggest and bloodiest battle since the remote days of Xerxes.

Terraces mount to it and its base shows the carved figure of St. Michael in gigantic proportions. To the right and left of the figure the

had suffered tremendous losses dur- lossal figures encircles it, which rep- lin. ing 1812 but with a last effort he had resent the union and strength of the organized a new army of 300,000 men Cerman states forming the federa- 1912, the respondent, the Liberal with which he invaded Germany in tion.
