**Derby Boy Won 2.08 Trot After Nine
Heats--Average Time Approaches
Record of Twenty Years Ago**

Columbus, Oct. 4.—The Grand Circuit racing at Columbus came to a close this afternoon, the 2:06 pace being the last race decided. The Murphy horse took the race by winning the fourth and fifth heats.

Anvil, beaten last week by Dudie Archdale, won the 2:05 trot from the black mare and in the first heat until the last quarter was half completed. Then Anvil rushed and won in 2:04 flat. Omar and Ernest Axtel were well backed to win the 2:12 trot. Omar won after being a good second to the Axtel horse in the first heat.

Derby boy won the ninth and deciding heat of the 2:09 trot early in the afternoon from Densmore. The average time, 2:11, for this long race closely approaches the world's record figures, 2:11 1-36, made twenty years ago at Chicago in a race won by Alizi.

UPPER CANADIAN FOOTBALL RESULTS

Hamilton, Ont., Oct. 4.—The Tigers opened the Big Four season here today by handing the Toronto Argonauts a defeat, the score being 24 to 14.

Montreal, Oct. 5.—It was the combined forces of the Ottawa Alerts, Ottawa University and Queens teams which the M.A.A.A. regicides had to meet in their opening game in the interprovincial union with the Ottawa on Saturday and the "All Stars" succeeded in winning by the rather lopsided score of 21 to 4.

Toronto, Oct. 5.—The game between Varsity and the Old Boys, played here today, was a joke. The Old Boys hardly put up a good enough fight to give Jack Maynard's squad a good work-out. The final score was 52 to 16 in favor of Varsity.

PAL BROWN WON FROM HUGH MEHEGAN

Sydney, Australia, Oct. 5.—"Pal" Brown, an American fighter, today defeated Hughie Mehegan, the Australian lightweight, in a twenty-round contest. Brown won on points.

All Reserved Seats at Polo Grounds Sold Out Yesterday--National Commission Making Preparation--Snodgrass Will Not be Playing With Giants--Probable Lineup of New York Team

New York, Oct. 5.—All the eight thousand reserved seats at the Polo Grounds have been sold. The sale which was originally announced for tomorrow has been called off. Instead thirty thousand unreserved seats, selling for \$1 and \$2, will be placed on sale at the box office at the Polo Grounds Tuesday morning. These seats cannot be purchased for more than one game. These unreserved seats are placed on sale only on the day of the game they are for.

EVERYTHING READY.

New York, Oct. 5.—Final stages of preparation for the series between the New York Nationals and the Philadelphia Americans to decide the baseball championship of the world, are at hand with the assembling here of the National Commission to put the last touches to the arrangements for the big event.

August Herrmann, chairman of the commission, and Thomas J. Lynch, president of the National League, already are on the ground, and Ban Johnson, president of the American League, the third member of the governing baseball body, is expected to arrive tomorrow.

So far as the condition of the teams who will do battle is concerned, there seems no doubt that all the regulars of the Athletics will be ready to take the field and play the game without physical handicap.

SNODGRASS OUT OF GAME.

Not so much can be said for the Giants. While it appeared to be settled tonight that Larry Doyle, the hustling second baseman of the New Yorks, would be in shape to take his position at the beginning of play on Tuesday, the impression prevailed that McGraw would be without the services of Fred Snodgrass, the team's regular centerfielder, when the series opened.

Doyle, with the exception of a little stiffness in his throwing arm, appears to have recovered well from the effects of his recent automobile spill. Snodgrass' "Charley Horse" however, is still bothering him so much that it is out of the question to expect him to play up to his usual form.

PROBABLE LINE-UP.

It looks to be probable, therefore, that the Giants will line up on Tuesday with Merkle, Doyle, Fletcher and Herzog filling the infield positions and with Burns, Shafer and Murray in the outfield.

Some close watchers of the play of the team are inclined to think that the team as thus formed will be not a bit weaker than with a line-up that included Snodgrass and left Herzog out. Herzog was one of the stars of last season's series with the Red Sox, his batting being hard and timely and his "peppery" personality adding appreciably to the life and spirit of the team.

**MISS DODD WON
FROM CANADIAN
AT MONTREAL**

English Lady Golf Champion Successfully Defended Her Title--Big G. Lary Followed Play

Montreal, Oct. 5.—Outplaying her opponent at all stages and in all departments of gold Miss Muriel Dodd the English open champion, added to her laurels over the links of the Royal Montreal Golf Club on Saturday, when she defeated Miss Florence Harvey of Hamilton for the title, by seven up and five to play.

The play was followed from tee to green and green to tee by an eager gallery of nearly a thousand golfers who hoped against hope that the Canadian player might overcome her opponent's lead and win out. This continued almost to the thirteenth hole, where the game terminated, and the last Canadian player left is to uphold the honors was eliminated.

The conditions for golfing could not have been better, although the large gallery put a severe strain on Miss Harvey, and added to her nervousness. Miss Harvey took desperate chances, but she never sustained the brilliant play of the match against Miss Pooley in the semi-finals, when she won after overcoming an early lead. Miss Dodd played over the course in an easy manner and after taking the lead did not force Miss Harvey, halving a number of the remaining holes.

Miss Dodd always overdrove her opponent and on the green played more brilliantly. Miss Harvey overran in many cases, due to over-anxiety.

The first hole was won by Miss Dodd, five to five. The next was halved and the third was conceded by Miss Harvey. This gave the English player a lead of two up, which was practically the undoing of the Canadian.

Both drove well for the next and holed out in six, halving the hole. Miss Dodd gained another advantage on the fifth, equalling par golf. The next was conceded by Miss Harvey and the game practically ended on the following hole, when Miss Harvey was again defeated.

The ninth and tenth holes were halved while the twelfth was won by Miss Dodd 3-4 and after halving the next with only five more to play, Miss Harvey gave up.

The matches in the consolation competitions were more interesting than the final championship and the gallery moved to witness the finish of some of the other games. The putting competition was won by Miss Henry-Anderson.
