

HEADACHY, COSTIVE, BILIOUS,—“CASCARETS”

Liver and Bowels are Clogged—Clean Them To-night! Feel Bully

Get a 10-cent box.

Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system, is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull throbbing sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

COL. SAM HUGHES AND THE DOG CATCHER

St. Catharines, Ont., Oct. 22.—Colonel Sam Hughes, Canada's Minister of Militia, was in Welland yesterday visiting his daughter, Mrs. Byron M. Green. The minister went for a walk and the little spaniel owned by his daughter trailed gleefully after him. Dog catcher Adda Jewski made a flank movement and captured the doggie, and was proceeding triumphantly with his prisoner back towards the town calaboose when Colonel "Sam" turned his head and noticed him.

"Where are you going with that dog?" he said, and running up seized the trembling animal. Just then Chief of Police Laing came out of police headquarters.

"Hey! he called, 'what are you doing with that canine?' 'It's mine,' said the minister.

"Who are you?" demanded the chief. "Hughes is my name," said the Colonel.

"Lots of Hughes around here, and one is as good as another. You come in here and get a tag before you go!" was the mandate of the chief.

Colonel Sam followed meekly, but when he explained who he was Chief Laing and the dog catcher fell simply into each other's arms.

WHEN APPETITE FAILS AND DIGESTION IS BAD

There is Danger Ahead for the Man That Neglects Nature's Warning
Dyspepsia Tendencies are Serious and Should Be Treated Accordingly

There is a strong moral in the statement of James Schrum of Pleasant street, Dartmouth, N.S. Like thousands of people he was failing in health because his stomach and digestive organs were out of repair. His vitality was slipping away; he was losing ground every day.

"I could not have held on much longer. I was wasting away simply because no remedy I used gave tone and strength to my stomach. The vital forces of my system seemed dead. I was advised to try Dr. Hamilton's Pills. What hidden weakness they searched out I don't know but in a miraculous way they have made a new man of me. My stomach troubles are cured, rich blood now runs through my veins—clear skin and unmistakable evidences of health and vigor I feel every day. Dr. Hamilton's Pills have certainly mastered the secret of ruring the sickly enervated man and I strongly urge everyone in failing or lost health to use this grand remedy."

Dr. Hamilton's Pills of Mandrake and Butternut are purely vegetable—25c. per box, five for \$1.00, all druggists and storekeepers, or postpaid from the Catarthozone Co., Buffalo N.Y., and Kingston, Ont.
