

Poor Rainfall.
In parts of Australia, where the average yearly rainfall is not more than 10 inches, a square mile of land will support only eight or nine sheep. In Buenos Ayres the same area, with 34 inches of rain, supports 2,560 sheep.

Tried Long Walk.
Although in his eighty-fifth year, Mark All, well known as a pedestrian, has just completed a 5,000-mile walk in ninety-one days. He did it for a wager of £100, which he lost, as he took one day too long to accomplish his task.

THE CRIPPLES WALKED AND THE DEAF HEARD

London, Sept. 14.—The Daily Mail's medical correspondent who has gone to Lourdes, where some 10,000 pilgrims have gathered for the purpose of investigating miraculous "cures" today telegraphs a description of three new cures, over which he says all Lourdes is palpitating with excitement. The first case is that of a woman fifty-one years of age, who for four years was completely crippled by rheumatism in her leg. She was only able to crawl with great difficulty and with crutches. Returning from a visit to the shrine she suddenly felt power returning to her leg, threw away the crutches and walked easily and painlessly for the first time in four years.

WAS DEAF AND DUMB

The second case is that of a little girl nine years old, and deaf and dumb, who was afflicted with St. Vitus' dance from an attack of scarlet fever three years ago. Yesterday morning while dressing she surprised her mother, saying "I have lost my shoe." Afterwards when medically examined she was able to speak and showed none of the typical twitching of St. Vitus' dance. Her hearing, though still somewhat defective in the right ear, is apparently normal.

The third is that of a boy of seven years, who suffered from advanced tubercular diseases in the hip. He could barely hobble with crutches. After a visit to the shrine he suddenly declared that he no longer needed crutches, and walked by himself.

All the cases previously described continue to show further improvement.

Grace Maloney on Friday suddenly regained the power of her knee, which was deformed and useless for

ANY HEADACHE CURED TIRED SYSTEMS RE-TONED

When You're Dull, Tired, Restless
Day and Night Something is
Wrong in the Stomach

Headaches have never come to those who use Dr. Hamilton's Pills and this fact is vouched for by the Assistant Manager of the Poultry Success Magazine of Springfield, O., Mr. J. H. Callender, who writes: "No better medicine than Dr. Hamilton's Pills. We use them regularly and know of marvelous cures that resisted everything else. They cleanse the whole system, act as a tonic on the blood, enliven digestion, help the stomach and make you feel strong and well. For headaches, indigestion and stomach disorders I am confident that the one prescription is Dr. Hamilton's Pills."

Being composed of natural vegetable remedies, Dr. Hamilton's Pills possess great power, yet they are harmless. They aid all organs connected with the stomach, liver and bowels. In consequence food is properly digested, the blood is pure and nourishing, the body is kept strong and resists disease. All druggists and storekeepers sell Dr. Hamilton's Pills, 25c. per box, 5 for \$1.00, or by mail from the Catarrhzone Co., Buffalo, N.Y., and Kingston, Canada.

nine years through paralysis. She joined all the processions, walking up aided by crutches and without any limp.

Michael Downey, of Belfast, after being a complete cripple with sciatica, and unable to walk without crutches, suddenly threw them away on Saturday and continues to enjoy the use of both legs.
