RUSSELL BOWIE WILL TURN OUT WITH VICTORIAS

Veteran Wizard of Hockey Will Play
in Montreal City League---Going
to New York

Montreal, Nov. 22—Russell Bowie, hailed by many hockey fans as the greatest stick-handler who ever fooled a goal-tender, may turn out with the Victorias this year in the City League.

Bowie is still connected with the club, and as a matter of fact accompanied the team to New York last winter, playing in one or two of the games and showing the same dazzling form as of old. Bowie had always resisted the efforts of the professional promoters to get him to join their ranks but officials of the Victoria Club declare there is a strong prospect that he will turn out for one or two of the games this winter.

The Victorias contemplate another trip to New York this year early in January and Bowie will be one of the members of the party.

HARVARD BEAT YALE IN STADIUM FIRST TIME

Score Was 15 to 5---Brickley Star of Game---All
Points Scored by Goal-Kicking or Safeties---
Neither Team Could Cross the Others Line

Cambridge, Mass., Nov. 23—The Harvard football team of 1913, with Fullback Charles E. Brickley playing the stellar role, established a new epoch on the Crimson gridiron history today by beating Yale for the first time in the stadium. The score of 15 to 5.

Although twenty points were scored by the two elevens, neither succeeded carrying the ball across the other's goal line and all the points were the direct or indirect result of kicking. Seven times during the six-

ty minutes of play, Brickley drove the ball spinning and turning over the heads of the Yale players and so deadly was his accuracy with eye and foot that five times the ball crossed the goal bar for Crimson points.

Four times Guernsey, Yale's field goal kicker, essayed the same feat, and but once did the leather cross Harvard's goal. To the Elis' earned three points there were added an unearned two, due to an unintentional safety by Left End O'Brien of Harvard.

A. A. U. OF CANADA DEALT WITH AMATEUR-PRO MATTER

Montreal, Nov. 23—The Amateur Athletic Union of Canada on Saturday defeated a motion of the Dominion Football Association, asking for the rescinding of the motion passed at last year's meeting, which prohibits amateurs and professionals appearing in joint competitions.

Following the announcement of the vote, President Tom Watson of the D.F.A., announced the parting of the ways between his association and the parent body and the refusal of his association to make any further overtures for alliance. The question as to how the Montreal Amateur Athletic Association, whose constitution allows competitions with or against the governing body when the same privilege is denied the D.F.A., was a much noted one.

The discussion occupied fully three hours of an already stormy thirteen hour session.

A suggestion was made by the Quebec branch that the union confine its jurisdiction to other than team competitions. This motion was laid on the table.

Another rupture was narrowly averted when A. E. Vert of New Westminster, opposing the rules laid down by the Amateur Swimming Association regarding the amateur and professional definition, moved an amendment that the Swimming Association should not be received into an alliance on such terms.

This nearly precipitated the walking out of the swimming delegation

in a body, but an agreement was reached between the east and west acceptable to both bodies. The result is that the swimmers association remain in alliance and will be recognized solely as the governing body for swimming, water polo and diving, and as the sole arbiter in all disputes arising in connection with the sport it governs. In future only C.A.S.A. cards will be recognized in aquatic competitions.

Still another difference regarding professionalism led to the Canadian Wheelmen withdrawing from the union. The C.W.A. insisted upon the right to control professional cyclists and to place them upon the same program with amateurs.

The Olympic organization was placed upon a permanent basis and will be known as the Canadian Olympic Association with J. C. Merrick as its head and Dr. D. Bruce MacDonald as chairman of the Athletic Union Committee.

Most of the amendments to the constitution proposals were tabled. To an amateur definition the words "or where a collection is taken up" was added to Section B of article V.

The following officers were elected: President, Dr. W. D. Johnson, Charlottetown, P.E.I.

First Vice-President, G. G. Davidson, Vancouver, B.C.

Second Vice-President, Thos. Boyd, Winnipeg.

Treasurer, Dr. D. Bruce MacDonald, Secretary, Norton H. Crowe, Toronto.

FIRST RUGBY FATALITY IN BRITISH COLUMBIA

Victoria, B.C., Nov. 23—The first fatality ever recorded in English Rugby in this part of the country occurred on Saturday, when Peter Ogden, playing fullback for Victoria against New Zealand, was kicked on the head and died in the ambulance, which was rushing him to St. Joseph's Hospital. Ogden was substituting for Spencer, the regular fullback, and was pressed into service at the last minute.

REG. RANKIN HAS SIGNED WITH ONTARIOS

Stratford, Nov. 22—Reg Rankin, one of the foremost goalkeepers in the Stratford O.H.A. team for years, has finally made the jump to the professionals, having signed a contract to play for the Ontarios in the N.H.A. Jimmy Murphy secured his signature yesterday, and he should be a valuable man. As a goaltender he ranks among the best. Rankin had many tempting offers last year to turn pro, but refused them all.

DR. SHARPER'S FAST TIME AT NORTH SYDNEY

The North Sydney Herald says the price paid for Dr. Sharper, 2,191, by Capt. D. A. McKinnon, Charlottetown, was in the vicinity of \$800. That paper also says that after the races at Halifax that Purvis drove Sharper over the rough track at North Sydney a mile in 2.131.

JACK COOMBS WILL BE SHORTER FROM ILLNESS

Pitching Ability Will be Unimpaired---
Stature Will be One-Sixteenth
Inch Less

Philadelphia, Nov. 22—Jack Coombs one of the star pitchers of the Philadelphia American League Club, will be one-sixteenth of an inch shorter in stature, by reason of the illness that kept him out of the game all last season.

This fact was established when an X-Ray photograph of his spine was taken at the University of Pennsylvania.

Coombs is now sitting up a short time each day and expects soon to be taken to his farm in Maine. The doctors say he will gain strength rapidly and that next year he will be as good as ever as a pitcher.

SPORTS OF ALL KINDS

Glenn Benedict, the Ottawa net-minder, has joined the hold-out ranks, and will not go to the Ontarios unless his pay is increased.

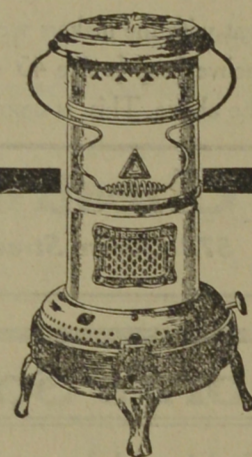

Eddie Gerard has given Ottawa his final answer, declining to turn pro, and Coo Dion has made the same answer.

Ritchie, the Grandmere winger, may play for one of the Toronto clubs this winter.

The Wanderers meet tonight and expect to have everybody signed up by then.

Discussing the claim that Acadia has the Rugby championship of Eastern Canada the Halifax Recorder says:—"This incident, however, should be another lesson to the Wanderers to have their full strength in meeting outside teams. They not only played a weak team, but when they had the game practically won, they lost it mainly through carelessness. Acadia is not to blame for either of these happenings, but they have been the means of taking away from the Wanderers some of their honors, as otherwise there never would have been a chance for Acadia to make any claims for the championship.

The Juniors and Seniors will clash this afternoon at the College Gymnasium in the U.N.B. Interclass Baseball League. A fast game is expected.
