COL. H. F. McLEOD

(Continued from page one)

revelled just now from the public enemy, John A. Young, M.P.P., and producing a typewritten document from his pocket, read with great emphasis, an address, "on behalf of the people of York." By what authority he presumes to speak on behalf of the people of York, was not explained to the audience. The address alluded to Col. McLeod's great public services and like the one read by Ald. Farrell, predicted that "higher honors" awaited him in the near future.

Col. McLeod, who was warmly received, responded with a vigorous address of ten minutes duration. His remarks were in good taste and seemed to please the crowd. He said in effect that he was just back from the Old Country, had visited many great and famous cities, had seen many crack regiments, but he saw no place which he liked better than Fredericton and New Brunswick. He praised Col. Sam Hughes and said that one of the things he liked him for was the fashion he had of putting up a kick when things did not go to suit him. (Applause from Indian Agent Smith.) In conclusion he heartily thanked his fellow citizens for the hearty welcome they had given him.

Ex-Ald. Guthrie, who had been completely carried away by Col. McLeod's burst of eloquence, again proposed three cheers for "the new chieftain" and quite a number responded. The colonel and party then returned to their autos and moved off down Queen street and out Regent to the McLeod homestead on Charlotte street.

LEADERS WERE ABSENT.

The absence of such prominent Tories as O. S. Crockett, M.P.; Mr. J. K. Pinder, M.P.P.; Dr. Morehouse, M.P.P.; A. R. Slipp, M.P.P., and Charles H. Thomas, president of the York Tory Association, was much commented upon. Their absence was made more conspicuous by an empty landau, evidently intended for their use, which followed the procession in York street. It was drawn by a span of black horses and had a decidedly lonesome appearance. The refusal of these worthies to take part in the demonstration is a striking illustration of the delightful harmony which exists in the inner circle of the Tory party in York at the present time. It also indicates that O. S. Crockett, M.P., is done running elections in York, otherwise he could not afford to absent himself from a McLeod demonstration.

On the whole the demonstration was a great triumph for Dr. Mullin, Ex-Ald. Guthrie, Sandy Flemming and the graft element of the Tory party, who bought the fireworks and arranged for the "WELCOME HOME TO OUR CHIEFTAIN."

SAW NO DECADENCE IN THE ENGLISH ARMY

(Montreal Mail)

Forty thousand men in the field in three, or at the most four, days, and training grounds ten or fifteen miles in extent, will be two aims of the Military Department, declared Hon. H. F. McLeod, lieutenant colonel of the 71st Regiment, and Solicitor General of the New Brunswick Government, yesterday.

Lt. Col. McLeod returned in the morning from England where, of a party of nineteen Canadian officers who went to inspect the army manoeuvres of England, France and Switzerland, he and the Minister of Militia were the official delegates to the war office.

"We saw the French and Swiss and the divisional army manoeuvres in England and are satisfied that the Canadian system of drilling a citizen army is a splendid one. They talk about the decadence of the English army. There is no truth in it. Man for man they surpass in physique and military fitness any of the other armies, Germany included."

WHEN SCIATIC PAINS BURN LIKE FIRE RUB IN 'NERVILINE'

It Kills the Pain, Cures the Suffering
Destroys Every Trace of
Sciatica

READ THIS INTERESTING LETTER

"I think you ought to make your claims stronger about the marvellous power of Nerviline on Sciatica and Lumbago." This is how Mrs. A. C. Corrigan opens her letter, written from Victoria. "So many people are suffering and so few get proper treatment that I am anxious that thousands should know of how Nerviline cured me. Sciatica is just about the most awful pain humans are called upon to bear and in my case there was at times the additional misery of Lumbago. Nothing attracts attention to particular forms of suffering like personal experience and that is why I am so enthusiastic about Nerviline. I had the luck to use the right remedy (Nerviline) almost at the beginning and cleaned it right out of my system. But most people use the wrong remedy and get Sciatica in chronic form. Nerviline eases the pain at once and stops the inflammation before it becomes chronic. I say that a liniment that has power enough to kill the pain of Sciatica is a remedy everybody should know about for it would snuff out in a wink little ailments like Neuralgia, Lumbago, Strains, Tired Muscles and inflammation from cold."

No home should ever be without Nerviline—get the large 50c. family size; trial size 25c. at all storekeepers and druggists, or The Catarthozone Co., Buffalo, N.Y.
