### OPINION EVENLY DIVIDED OVER WORLD'S SERIES

Giants Have Magnificent Pitching Staff  
--Athletics Considered to be  
Better Batters Than New York

New York, Oct. 2.—Opinion regarding the outcome of the world's series appears to be unusually divided this year. Prominent baseball players and writers are predicting a very close series of games with low scores predominating. All speak of the luck or break of the game being an important factor in the ultimate winning of the championship.

The same situation has developed in the betting. Outside of the home cities of the two competing clubs the wagering is at even money. In Philadelphia the Athletics are slight favorites over the New York team and here local supporters are quoting odds of ten to nine on the Giants to defeat the American League representatives.

Expressions of opinion on the part of managers and players of other clubs are beginning to be heard here with the gathering of the advance guard for the opening game next Tuesday. Among those favoring the Athletics are Frank Chance, Napoleon Lajoie, Clark Griffith and Umpire Billy Evans.

Some of those who are naming the Giants as probable winners are George Stallings, Johnny Evers, Fred Clarke and Ty Cobb. Hughey Jennings and Bill Dahlen have stated that the teams are so evenly matched that the outcome of the series is a toss up with luck playing a leading part.

A consensus among thirty of the leading baseball writers of the big league circuits shows that eighteen favor the Giants to win against nine for the Athletics and three undecided. Almost without exception however, they qualify their predictions by stating that the series of 1913 will be very evenly contested and that the slightest break in the luck of the game will swing the championship one way or the other.

The chief advantage accorded the Giants is their strength in the pitching department. The Athletics' adherents concede this point but contend that the superior batting ability of the Philadelphia Club will more than offset the slight difference in the twirling form of the two staffs.

### FOOTBALL IN THE SOUTH.

Richmond, Va., Oct. 3.—The football season in the South will get under way tomorrow with contests among a number of the leading colleges. The University of Georgia will begin its schedule by playing Citadel at Athens. Alabama Polytechnic will meet Mercer University at Auburn, and Clemson College and Davis College will play at Clemson. Georgetown and Randolph Macon at Georgetown and Virginia Medical and Washington and Lee at Lexington are among the other contests scheduled for the day.

### RAIN BOTHERED GRAND CIRCUIT AT COLUMBUS

Fan Patch Took One Heat of Buckeye Stake making Race go Over--Hard Racing--Leonard Won 2.10 Pace and Princess Margaret the 2.13 Pace --Four Races Today

Columbus, Ohio, Oct. 2.—Weather today was so unsuitable for racing that the program offered by the Columbus Grand Circuit Association did not approach completion. Two pacing races, started on Wednesday, were finished and five heats of the Buckeye, \$5,000 trotting stake, were decided. A heavy wind swept the track all the afternoon and after the first heat of the stake event a shower made the track unsafe for more than an hour. In order to carry out the original plans there will be four races tomorrow and three on Saturday.

Fan Patch's ability to stand a whipping drive kept the Buckeye stake from being won by Lady Grattan in the fourth heat.

Tommy Horn, the favorite, took the first heat. The Cox mare was the winner of the second and third heats. She was beaten only by inches in the fourth. W. L. Snow getting Fan Patch to the front a few yards from the finish.

Peter McCormick in the fifth heat, was Lady Grattan's master. He was sent away fast and opened up a lead of three lengths. Down the stretch he declined to be overtaken and went under the wire an easy winner. This race will be resumed at noon tomorrow.

The 2.10 pace went to Lowando. Dan Patch, the early favorite on Wednesday, was thought to have the best chance but in the fifth and sixth heats he did not ward off Lowando's rushes.

Princess Margaret settled the unfinished 2.13 pace by winning today's deciding heat from Woodcliff King.

Having tried to place the kibosh on baseball stars who write stories, it behooves Garry Herrmann to get busy on the magnates who persist in cluttering up the public prints.

They are going to have some good Rugby in Cape Breton this fall. The Cape Breton County League starts on Saturday with four teams. Billington, the former McGill star, is captain of the Sydney team.

Billington, the captain and manager of the local football fifteen, has had his men out every day the past week and great progress has been made, the local material showing up well and the newcomers living up to all that was expected of them.—Sydney Post.

Buffalo and Rochester College teams will be booked by the Alerts for games here and in those cities. It is the intention to play half American and half Canadian rules in these games.

All with an eye on a Dominion championship game, the three Toronto city senior teams are working as never before. Large squads turn out at all the practices and no coaxing is necessary.

In Halifax Dalhousie and the Wanderers are to play a five-game series for the city championship. These are the only senior teams in the Citadel City.

Moose Jaw News:—The truth is, that as yet western Rugby teams know little or nothing of inside football, nor is this said to their disparagement. The west has not yet produced the football nurseries that we find in the east.

### BIG COLLEGE TEAMS OF U. S. PLAY TOMORROW

New York, Oct. 3.—Virtually all of the big college football teams in the East will be seen on the gridiron tomorrow. The majority of the contests will be in the nature of practice games, the big teams lining up against weaker opponents, but many of them nevertheless are expected to afford a good indication of the calibre and condition of the big elevens and a more or less reliable forecast of the probable results when the big fellows clash later in the season.

Harvard will have Bates as an opponent and Yale will line up against the University of Maine. Pennsylvania and Lafayette will meet at Philadelphia and Princeton and Fordham at Princeton. Other contests of more or less interest to followers of the game will be those of Brown and Rhode Island State, at Providence; Dartmouth and Colby, at Hanover; Williams and Vermont, at Williamstown; Carlisle and Lehigh, at South Bethlehem; Amherst and Colgate, at Hamilton; Brunswick; Trinity and Worcester Polytechnic, at Hartford; Holy Cross and M. A. C., at Worcester; Bowdoin and Wesleyan, at Middle-town; Swarthmore and Villa Nova, at Swarthmore; and West Point and Stevens Institute, at West Point. The first intercollegiate game of the

### FRANK PATCH WON 2.14 PACE AT BROCKTON FAIR

Halifax Horse Well Known Here Won His Race in Straight Heats---Other Events

Frank Patch won the 2.14 pace in straight heats at Brockton Fair Wednesday. The Boston Globe's report of the day's racing is as follows:—

The track program offered a lot of good sport for the horsemen and lovers of good racing and plenty of opportunity to see about the best day's card in years. Despite the fact that four of the six events were decided in straight heats, the going was fast and the winners were pushed so hard that two of them lowered their records during the afternoon. One of the best races was the 2.18 trot, which was decided after five heats, Glen Paul winning after four horses had each won a heat. The fifth and deciding heat wet to Van Houten, who put over a winner yesterday.

In the 2.25 pace, Pickels put over a winner in straight heats with T. C. S. Last year Pickels won the same event with Frank Bogash, Jr. who yesterday lowered his record in the Grand Circuit meeting at Columbus.

Ads Mars, in the 2.12 trot repeated her performance at Rochester, N. H. by beating the favorite Worthy Prince. In the first heat the mare won in a well-timed drive through the stretch by Caspenter. In the second heat Worthy Prince took the pole at the start and was never headed, winning easily.

In the third heat Carpenter allowed Worthy Prince to take the pole, trailing along behind until the head of the stretch when he pulled out and won in a fine drive. He repeated in the fourth heat, giving the mare a new record of 2.13½, which is two seconds better than her former mark.

Kellerville Lad, in the 2.14 pace, was given one of the drives of his life. Frank Patch who toured the New Brunswick and Nova Scotia Circuits and lost only one race, won in straight heats and lowered his record from 2.13½ to 2.11½.
