## OPPORTUNITY FOR LIBERALS TO HELP ALONG THE CAUSE

May 7, 1913.

TO THE LIBERALS OF NEW BRUNSWICK:

Efficient organization is the keystone of success in business or politics. The recognition of this fact and the request to their supporters to join in sharing the necessary expense brought success to the Democratic leaders and their party in the United States Presidential elections last year. The funds for legitimate party purposes, such as organization, printing, publicity and travelling expenses, were raised by a popular subscription.

The Liberals of New Brunswick are in need of more thorough organization, of committee work and wider distribution of party literature, for which purposes a considerable sum of money will be required. We believe all loyal supporters of the party will be ready and willing to subscribe to such a fund, and we ask them to do so.

The Liberals are today fighting in the House of Commons for free speech and the people's liberties. We do not know how soon they may be called upon to struggle for their rights at the polls.

We must be ready. The Liberal party must be ready and the only way to be prepared is to organize.

In asking the financial assistance of Liberals, for that purpose we are inviting every member of the party to co-operate and stand shoulder to shoulder with us in this memorable struggle. We neither expect nor desire assistance from the trusts, or wealthy corporations, whose interests may clash with the interests of the common people, and this appeal is therefore made to the masses of the electorate, who desire to maintain the rights of the people. It is far more desirable in the interest of the party that the subscriptions should be general, coming from every parish in the province, in other words, that there should be a large number of subscribers for small amounts rather than a small number of subscribers for large amounts.

Subscriptions for any amount from one dollar and upwards will be received by those in the different polling districts in the parishes who are authorized to do so, as well as by the County Treasurers, who will forward all amounts they receive directly, as well as those from parish collectors, to the Provincial Treasurer who will acknowledge the same.

The funds collected will be expended under the direction of the undersigned Provincial Committee representing the Liberal members from New Brunswick in the House of Commons and subject to the audit of Henry E. Hill, of St. Stephen.

H. R. EMMERSON  
F. B. CARVELL  
O. TORGEON

The treasurer for York County will be Mr. C. Fred. Chesnut of this city, Dr. J. B. Curtis of Hartland is treasurer for Carleton and Hon. L. P. Farris of White's Cove, treasurer for Queens.

## EX-KING OF PORTUGAL TO WED ON SEPTEMBER 4

MANUEL II, KING OF PORTUGAL

London, July 26—There is a sack of earth in London, which was brought from Lisbon for ex-King Manuel to stand on the moment when he is married to Princess Augusta Victoria of Hohenzollern, at Sigmaringen, on September 4.

The most prized wedding present which ex-King Manuel has received is a leaden ring made and sent to him by the political prisoners in Portugal. The craftsmen who worked on the ring, including jewelers, secured the metal from the lead and pewter utensils which they used and fashioned the ring, which is engraved with the royal arms.

Before it was smuggled out of the prison it was killed in turn by all the imprisoned royalists.

## WHEN SCIATIC PAINS BURN LIKE FIRE RUB IN 'NERVILINE'

It Kills the Pain, Cures the Suffering  
Destroys Every Trace of  
Sciatica

READ THIS INTERESTING LETTER

"I think you ought to make your claims stronger about the marvelous power of Nerviline on Sciatica and Lumbago." This is how Mrs. A. C. Corrigan opens her letter written from Victoria. "So many people are suffering and so few get proper treatment that I am anxious that thousands should know of how Nerviline cured me. Sciatica is just about the most awful pain humans are called upon to bear, and in my case there was at times the additional misery of Lumbago. Nothing attracts attention to particular form of suffering like personal experience, and that is why I am so enthusiastic about Nerviline. I had the luck to use the right remedy (Nerviline) almost at the beginning and it cleaned it right out of my system. But most people use the wrong remedy and get Sciatica in chronic form. Nerviline eases the pain at once, and stops the inflammation before it becomes chronic. I say that a liniment that has power enough to kill the pain of Sciatica is a remedy everybody should know about, for it would snuff out in a wink little ailments like Neuralgia, Lumbago, strains, tired muscles and inflammation from cold."

No home should ever be without Nerviline—get the large 50c. family size; trial size 25c., at all storekeepers and druggists, or The Catarrh-zone Co., Buffalo, N.Y.

A. R. Gould returned to Presque Isle last night.
