WILL HONOR MEMORY OF GREAT STATESMAN

(Halifax Chronicle) Premier Murray announced in the House of Assembly yesterday that the Government intended asking the Legislature to make an appropriation towards the erection of a suitable monument in memory of Hon. J. W. Johnstone.

Mr. J. W. Margeson of Lunenburg, referred to the resolution recently passed by the Annapolis Municipal Council, strongly favoring the erection of a statue to the great Nova Scotian. Mr. Margeson was of the opinion that the desire to have the memory of Mr. Johnstone fittingly perpetuated was unanimous throughout the Province. In erecting the statue of Joseph Howe on one side of the Provincial Building, the Government had done a very proper thing. The erection of a like monument to Johnstone had too long been neglected by the country and it would be a most fitting thing to have his statue in the other square of the Provincial grounds. Mr. Margeson also hopes to see the day when Sir Charles Tupper will be likewise honored by his fellow countrymen.

THE GOVERNMENT'S PLAN

Premier Murray said that the Government had been waited upon by an influential delegation about a year ago and the Government had then practically committed themselves to erect a memorial to Johnstone. The Premier considered it a proper thing for the country to have the memory of this great statesman perpetuated in Nova Scotia. He wished to see a monument to Johnstone on the other side of the Provincial Square, and it was the intention of the Government to ask for the Legislature for funds for this purpose, perhaps not the amount to cover the entire expense at once, but enough to make preliminary arrangements for the carrying out of the whole plan.

The disposal of the South African war monument that now stands on the site appropriate for the proposed Johnstone statue will be a matter for consideration later.

Had Weak AND Dizzy Spells.

Those feelings of weakness, those dizzy spells and "all gone" sinking sensations, which come over some people from time to time, are warnings that must not go unheeded.

They indicate an extremely weakened condition of the heart and a disordered state of the nerves.

One dizzy spell may pass off, but the next may be more serious.

Those who are wise will start taking Milburn's Heart and Nerve Pills, before their case becomes hopeless. They have no equal for reviving and strengthening the heart, and invigorating the nerves.

Mrs. A. E. Martell, Rockdale, N.S., writes:—"I was troubled for a long time with my heart, had weak and dizzy spells, could not sleep, and would have to sit up the greater part of the night. At last I got a box of Milburn's Heart and Nerve Pills and they did me so much good I got another, and after taking it I could sleep as well as before I was taken sick. They are the best medicine I ever heard of for heart or nerve trouble."

Price, 50 cents a box; 3 for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

BASEBALL NOTES

One of the New York papers that trickled into camp states that Jake Daubert is great, because he imitates Hal Chase in all things. If Hal was as much of a student of baseball as St. Jacob, he'd be still managing the Yankees, instead of being sauntered around the infield to make way for his boss. And take this tip: Some fine teason, Daubert will be managing a ball team, and making a success of his job. And he won't be imitating anybody either.

All signs point to Otto Muller as first pitcher again this year, enough Tex Erwin is showing up strong, and may crowd the Dutch wonder for the job. Phelps and Fischer are also delivering the goods, the latter being especially permeated with pep.
