The advocates of Maritime University of Federation who urge that the federated colleges should be at Halifax have an object in the victory of Queen's University in the Dominion playoff under Canadian football rules Saturday in which they beat Edmonton 13 to 1 and won the Dominion title. Queen's is the smallest of the Big Three of Canadian college life the others being McGill and Toronto. She is located in Kingston one of the smaller cities of Ontario and a city which has not grown proportionately with the college. It is not necessary for a college to be located in a big town to do effective work in athletics or any other line.

Art Ross has departed from Montreal to take up his work of coaching and handling the Hamilton team in the National hockey league. Ross is a good one as his record in the game has shown. Besides being a hockey expert he also is well known as a boxing referee in Montreal.

Fabie Bates has been selected Dalhousie hockey captain. The Halifax College has some good material the other players available being McKenna, Fluck, Dunn, Haslam and McIssac. Bates is a graduate of St. Francis Xavier and on that account is not eligible in the Intercollegiate series.

Halifax Chronicle; It comes into this column from a very reliable source that Art Lilly former Dalhousie football and hockey star will certainly be with the Crescents this winter. This column does not say that Lilly will be with the Crescents or who he will be with. In fact Lilly is much the same as this column in that matter. However there you are a prominent Crescent official tells us that there is no doubt about it Lilly will be with the Blue and Black.

FRAZEE WARNED TO GET PLAYERS

(Boston Globe)
Boston fans will expect Harry Frazee to shift his way of making deals so that he will pay the extra bonus to the other fellows instead of receiving it, as has been the case in previous trades. Otherwise, they will not be convinced that he is reconstructing the Red Sox.

His knowledge of the so called Canadian game was nil but his skill at English Rugby gave him all the necessary ability to get by. He had an amateur registration too by the way down here in the Maritime provinces. President Covey was so sharp to hand out a card and pulled Jack's career in the Northern Union of the Old Country as a reason for turning him down.
