BABY'S OWN SOAP

For Beauty—

Keep the skin clean, soft, and white, by regular use of
Baby's Own Soap. Lather freely with tepid water—
rinse well and rub gently with a soft towel:—the skin is
improved—the complexion heightened—and the lingering
fragrance of roses radiates an added charm (only natural flower
extracts are used to give Baby's Own Soap its exquisite aroma).
Contrast this treatment which hundreds of thousands of Canadian
Mothers have used and are using so successfully on the delicate
peach-blow skins of their darling babies—with that of covering up
the pores with cosmetics, choking off the air, hiding defects
which therefore stand confessed.

Premier King Addresses the Women of Ottawa

**Gives Them Great Credit for the Liberal Victory Won in De-
cember—Were a Great Source of Inspiration—Liberalism
is Clearly Defined—Says Progressives Will Help Keep
Down Toryism.**

Ottawa, March 11—"Liberalism is an attitude of heart
and mind which inclines its possessor towards a recognition of
personality in all matters affecting individuals and a desire for
social progress in all human relations," was the definition of
Liberalism given to 400 members of the Ottawa Women's
Liberal Club at their luncheon in the Chateau Laurier this af-
ternoon by the prime minister. Mr. King emphasized that the
best kind of government was that which dealt with the things
held in common and which was possessed of a spirit of coopera-
tion and broad-mindedness. Mrs. Norma A. Wilson, president
of the association, introduced the speakers, who included Hon.
Ernest Lapointe minister of marine and fisheries, and G. W.
Kyte, M. P., chief whip of the Liberal party.

PRAISES THE WOMEN

The prime minister, in opening, expressed his apprecia-
tion of the work accomplished by the Liberal women of Ot-
tawa, and declared that the success of the Liberal candidates in
this constituency was largely due to their efforts. Women were
a mighty source of inspiration to men, and every successful
man owed a large measure of his progress to his mother, wife
or sweetheart. It was regrettable that Lady Laurier had not
lived to be present at the gathering. She would be glad to know
that the work which she and Sir Wilfrid initiated was being
carried on. They left a great inspiration in faith and ideals.

Attitude, said the prime minister in describing the ideals of the Liberal
party, was the basis of everything.
knowledge would do much, and belief
in creed would accomplish many
things, but attitude was the use to
which these things were put. The Lib-
eral attitude was inclusive rather than
exclusive. The best must be taken
from religion, politics and from daily
life for the common good.

"Take the Progressives," argued Mr.
King. "We have many things in com-
mon with them, and one of these
things is keeping down Toryism in this
country. We will be doing a great ser-
vice to our fellow men," he added, "mid
laughter."

Spirit of Co-operation

The spirit of co-operation must be
emphasized in considering the rights
of capital, labor, management and
community, he declared. Full empha-
sis must be placed upon the things
these four groups had in common.

This would create a spirit of con-
ciliation. But if the emphasis was put
upon the differences a spirit of distur-
bance would result. It was necessary
to recognize the right of minorities.
The same idea applied to international
relations would settle all differences.

Stressing of differences was respon-
sible for the war. The Washington dis-
armament was an example of stress-
ing the common good.

Liberalism was a great liberalizing in-
fluence. It was the work of Liberalism
to destroy the shackles on humanity.
Liberalism was based on faith, not on
fear. It had been an inspiration for
freedom through the generations and
would so continue from generation to
generation.

Mr. Lapointe agreed with the prime
minister's definition of the meaning of
the Liberal party. Liberalism was a
union of all creeds and occupations. It
was a necessity for Canada. It was a
great privilege to work for the Liber-
al party and for Canada. The minister

COLLEGE GIRLS LOST AT ST. JOHN

CHARGES GIRL WAS ABDUCTED

Toronto, March 12—Grace Link the
eighteen-year-old girl who is unaware
of her own identity and whose father
has been trying to trace her, is not
lost as some of her relatives in Lon-
don and Toronto assert. M. J. O'Reilly
K. C. of Hamilton, representing St.
Joseph's Convent, where the girl was
placed in 1910, says she was never
lost. She is, he declares, not in the
convent, but is a ward of the Sisters
of St. Joseph and they know where
she is. As soon as authorized rela-
tives of Miss Link express the de-
sire to be placed in touch with her
they will be informed as to her where-
abouts. H. C. Hocken, M. P., Orange
grand master, charges that she has
been abducted. Hon. W. E. Raney,
attorney-general, said he would not
consider action until the case had
been brought to the attention of the
department.

In a man's life the turning point is
reached just after a pretty girl
passes.
