## J. W. BRANKLEY PRESIDENT OF LUMBERMEN

The annual meeting of the New Brunswick Lumbermen's Association took place Friday afternoon in the Fredericton Board of Trade Office. The Association discussed chiefly the proposed change in the method of protecting the forests against fire and elected officers and executive.

### The Executive.

The executive for the ensuing year is as follows:—  
Donald Fraser, Plaster Rock; William Richards, Campbellton; Angus McLean, Bathurst; W. B. Snowball, Chatham; J. W. Brankley, Chatham; T. Henry McEvoy, Dalhousie; J. Herbert Irving, Buctouche; George H. King, M. P. P. Chipman.

### Officers.

Officers were selected by the executive for the year as follows:—  
President, J. W. Brankley Chatham.  
Vice-president, Angus McLean, Bathurst.  
Secretary-treasurer, R. W. McLellan, Fredericton.

### President's Report.

The retiring president presented a report upon the activities of the Association during the year. The report was in the nature of a review. It was followed by general discussion.

### Fire Protection.

The matter of fire-protection in the forests was discussed fully. The proposal that the lumbermen undertake the protection against fire themselves instead of the Province was talked over. The Province of Quebec has such a system and by some it is claimed that it would be more efficient and economical in this province.
