To Revive Interest in Merry Games

(Chicago News.)

If one is to be the life of the party on future occasions he must be able to do more than put the latest jazz record on the Victrola and grab a pretty dance partner. Real popularity will consist in knowing how to "spin the platter," play "Going to Jerusalem" and lead in making "Capt. Jinks of the Horse Marines" a success.

Old-fashioned parlor games that have been supplanted by the iniquitous jazz dancing are coming back, and the first of eight classes to revive the old ones and teach new ones was held this afternoon under the auspices of Miss Florence Lawson, physical director of the Y. W. C. A. at the central branch headquarters.

Not a Reform Measure.

"Reviving interest in merry games is not a reform measure," said Miss Lawson. "The idea is to see that children and young people get started early enough at playing wholesome games. If they are brought up right there is less danger of their going in for harmful amusements. There is no doubt but that the fun there really is in playing games will make them attractive if young people are taught to play them.

"There were more people skating this year than ever before. That is a good sign. It means that there are that many less on the dance floors.

"Playing games will have a similar effect, I am sure."

Simple games for small children, that adults will also enjoy if they have never played them are to be taught first. Later, games that involve a little more organized team work will be introduced, and in the

last few lessons, games that require scientific playing.

Ol' Cap'n Jenks Hissself.

One of the first games to be taught is "Captain Jenks of the Horse Marines," which is similar to an old-fashioned quadrille.

"There is much rollicking fun in this game, and partners must be changed frequently," Miss Lawson pointed out. "The trouble with the dances today is that nobody changes partners all evening.

"Last Couple Out," "Herr Slap-Back," and charades are in the indoor game curriculum, with "Prisoner's Base" and baseball for outdoor playing.

TELLS HOW CATARRH IS DESTROYED QUICKLY.

Catarrh sufferers, meaning those with colds, sore throat, bronchial trouble, etc., can all be fixed up right at home by inhaling "Catarrhazone." In using Catarrhazone you don't take medicine into the stomach—you just breathe a healing piney vapor direct to the lungs and air passages. The purest balsams and the greatest antiseptics are thus sent to every spot where catarrhal trouble exists—germs are killed, foul secretions are destroyed, nature is given a chance and the disease ends quickly. Colds and throat troubles can't last if the pure healing vapor of Catarrhazone is breathed—sneezing and coughing cease at once, because irritation is removed. Bronchitis, irritation and weakness in the throat soon disappear. Use Catarrhazone, whether young or old. Two months' treatment \$1.00; small size 50c., dealers everywhere, or The Catarrhazone Co., Montreal.

IS YOUNG MAN RESPONSIBLE?

Editor Daily Mail,

Sir—We're advancing at a remarkable pace and with lightning speed along the paths of improvement, intellectual attainments, scientific discoveries, remarkable inventions, etc. But where is the profit of it all, when along with it comes the downward trend in morals of humanity?

Young men, especially, are we doing our utmost to get at the root of this evil and to eliminate as much of it as possible? Frankly speaking, I think not. Why do the girls of today dress, dance and act as they do? Simply because we young men demand it. Where is the sweet, demure, modest and ladylike girl of yesterday? She is still among us, but we do not recognize her in the giddy, smart darling, bold flapping role which she has assumed for us.

"Why for us?" we ask. "We've never told any girl how to dress, dance or act." Very likely not, in words, but we have implied as much. We do go out of our way to be nice to a bobbed-haired, abbreviated-skirted, cosmetic maid. Do we ask her to dance? Do we seek her company, instead of the modest nature-made maid?

Result: Since all mortals are human and like a good time, behold, the next time we meet the nature-made, lo, she has turned into a cosmetic-made maid, and lo, lo, she can dance like a jazz baby and her sweet, admirable, girlish ways she has flung to the four winds, and lo, lo, lo, another daughter of yesterday has joined the ranks of the "we aim to please man only" regiment. And we young men, we have been the recruiting sergeants.

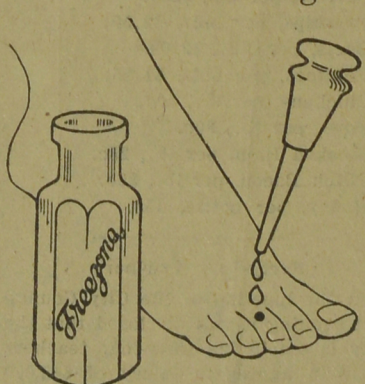

If we want better sweethearts, better wives, better mothers of our children, better citizens for our fair and beloved country, young men of this generation, it is up to us. Let's be real men.
